

SOUL WORK

"In this volume of rich voices, we find profundity of both mind and heart, and a boldness of truth-telling that will shake us free and set us on the path to cultural and personal transformation."

Soul Work Antiracist Theologies In Dialogue

Unitarian Universalist Association

Soul Work Antiracist Theologies In Dialogue:

Soul Work Unitarian Universalist Association, 2002 The Arc of the Universe is Long Leslie Takahashi Morris, Chip Roush, Leon E. Spencer, 2009 **A House of Prayer for All Peoples** Sheryl A. Kujawa-Holbrook, 2002-12-31 Contrary to the oft repeated truism there are churches in America where Sunday is not the most segregated day of the week as Sheryl Kujawa Holbrook convincingly demonstrates in her compelling exploration of congregations tackling racial justice issues Yet the truism continues to haunt many congregations and Kujawa Holbrook reveals through story and thoughtful analysis what it means to create and live out multiracial community Focusing on six congregations from different denominations geographical regions and settings the author shows us the joys and struggles in their intentional pursuits of a more diverse and just community The stories in A House of Prayer for All Peoples will inspire leaders to explore their congregation s history study their community s demographics and most of all search their souls for ways they can develop and celebrate the diversity in their midst The book is capped by an extensive annotated resource list for readers who want to explore the topic further A Documentary History of Unitarian Universalism, Volume Two Dan McKanan, 2017 A panel of top scholars presents the first comprehensive collection of primary sources from Unitarian Universalist history This critical resource covers the long histories of Unitarianism Universalism and Unitarian Universalism in the United States and around the world and offers a wealth of sources from the first fifty five years of the Unitarian Universalist Association From Arius and Origen to Peter Morales and Rebecca Parker this two volume anthology features leaders thinkers and ordinary participants in the ever changing tradition of liberal religion Each volume contains more than a hundred distinct selections with scholarly introductions by leading experts in Unitarian Universalist history The selections include sermons theologies denominational statements hymns autobiographies and manifestos with special attention to class cultural gender and sexual diversity Primary sources are the building blocks of history and A Documentary History of Unitarian Universalism presents the sources we need for understanding this denomination s past and for shaping its future *Beyond Apathy* Elisabeth T. Vasko, 2015-01-01 Theological conversations about violence have typically framed the discussion in terms of victim and perpetrator Such work while important only addresses part of the problem Comprehensive theological and pastoral responses to violence must also address the role of collective passivity in the face of human denigration Given the pervasiveness of inaction whether in the form of denial willful ignorance or silent complicity a theological reflection on violence that holds bystanders accountable especially those who occupy social sites of privilege is long overdue In *Beyond Apathy* Elisabeth T Vasko utilizes resources within the Christian tradition to examine the theological significance of bystander participation in patterns of violence and violation within contemporary Western culture giving particular attention to the social issues of bullying white racism and sexual violence In doing so she constructs a theology of redeeming grace for bystanders to violence that foregrounds the significance of social action in bringing about God s basileia **Historical**

Dictionary of Unitarian Universalism Mark W. Harris, 2018-08-31 The Unitarian Universalist religious movement is small in numbers but has a long history as a radical reforming movement within Protestantism coupled with a larger liberal social witness to the world Both Unitarianism and Universalism began as Christian denominations but rejected doctrinal constraints to embrace a human view of Jesus an openness to continuing revelation and a loving God who they believed wanted to be reconciled with all people In the twentieth century Unitarian Universalism developed beyond Christianity and theism to embrace other religious perspectives becoming more inclusive and multi faith Efforts to achieve justice and equality included civil rights for African Americans women and gays and lesbians along with strident support for abortion rights environmentalism and peace Today the Unitarian Universalist movement is a world wide faith that has expanded into several new countries in Africa continued to develop in the Philippines and India while maintaining historic footholds in Romania Hungary England and especially the United States and Canada This second edition of Historical Dictionary of Unitarian Universalism contains a chronology an introduction an appendix and an extensive bibliography The dictionary section has over 400 cross referenced entries on people places events and trends in the history of the Unitarian and Universalist faiths including American leaders and luminaries important writers and social reformers This book is an excellent resource for students researchers and anyone wanting to know more about Unitarian Universalism

Speculations on Black Life

Darrell Jones, Monifa Love, Anthony B. Pinn, 2023-05-18 Is God a white racist Posed by William R Jones in his ground breaking book of the same name this question disrupted the theological assumptions that marked Black religious thought from early writings of the 1800s to the formation of Black theology in the 1960s This book compiles his key and essential writings related to over three decades of critical reflection on race religion secularism and oppression in the United States Over the course of 30 years Jones pushed questions and considerations that refined Black theology and that gave greater shape to and understanding of Black philosophers intervention into issues of racial and structural inequality His philosophical work related to the grid of oppression fosters an approach to the nature and meaning of oppression in the United States encouraging rational interrogation of structures of injustice and thought patterns supporting those structures Still relevant today the straightforward style of communication used by Jones makes these essays easily accessible to a popular audience while maintaining intellectual rigor making the book also suitable for an academy based audience

Growing up Absorbed

Richard S. Gilbert, 2014-05-12 How long does it take to grow a soul to love and to be loved and to help repair the world One lifetime so it is best to be totally engaged in the process Growing Up Absorbed follows the journey from cradle to grave through an education focus There are no shortcuts in this spiritual pilgrimage It can be hard but we are companioned along the way What happens is what Gilbert calls spiritual osmosis absorbing what the world has to teach us and passing on what we have learned an absorbing business Within these covers lies a history of religious education in the Unitarian Universalist tradition with reflections on faith development in the 21st century Beginning with Walt Whitmans poem A Child Went Forth

as a metaphor the author concludes with life questions that empty the room He finds the journey has its valleys plateaus and mountain peaks and is no casual matter Gilbert shares his excitement on making the journey **Planetary Loves** Stephen D. Moore,Mayra Rivera,2011 Postcolonial theology has recently emerged as a site of intense intellectual and political energy and has taken its place in the interdisciplinary field of postcolonial studies This volume is animated by the conviction that postcolonial theology is now ready for a second deeper phase of engagement with postcolonial theory one that moves beyond the general to the specific No critic has been more emblematic of the challenging and contested field of postcolonial theory than Gayatri Chakravorty Spivak In this volume the product of a theological colloquium in which Spivak herself participated theologians and biblical scholars engage with her thought in order to catalyze a diverse range of original theological and exegetical projects The volume opens with a topography of postcolonial theology and also includes other valuable introductory essays At the center of the collection are transcriptions of two extended public dialogues with Spivak on theology and religion in general A further dozen essays appropriate Spivak s work for theological and ethical reflection The volume is also significant for the larger field of postcolonial studies in that it is the first to focus centrally on Spivak s immensely suggestive and vital concept of planetarity Faith Without Certainty Paul B. Rasor,2005 **Benevolent Intentions** Fredric Muir,2025-06-17 Fredric Muir explores a period of American history that is difficult knowledge the country s determination to be a member of the imperial era s club of colonizing nations While the book s characters are Christian religious liberals in particular what is surprising is not that they were in positions to direct and enforce colonial hegemony but that there were so many of them in fact there was a disproportionately large number of religious liberals in positions of authority and leadership Addressing topics that are still current this book describes the intersection of religious liberalism and imperialism and identifies those who were in positions of power while observing what it was about the liberal Christian faith that was informing them and the limited and failed resistance of the anti imperialist and anti immigration movements The results have been lasting and continue as headline news *People So Bold, A* , **What Liberals Believe** William Martin,2012-09-01 In a political and media environment dominated by conservative interests liberals need every opportunity to be heard without distortion and in their own words What Liberals Believe fulfills this need by bringing together the largest collection of progressive quotations ever published Compiled by William Martin from speeches publications books blogs and other sources it offers wisdom and humor from the keenest progressive minds both past and present including Anna Quindlen Frank Rich Michael Moore Oscar Wilde Bill Clinton Howard Dean Rosa Parks Barbara Ehrenreich and John F Kennedy This one of a kind book includes timely insightful quotations covering hundreds of critical issues and even presents a chapter entitled Callous and Clueless Quotes from the Right to remind readers just how nasty and thuggish right wing discourse has become A perfect resource for writers bloggers researchers activists speechwriters teachers and students What Liberals Believe will appeal to anyone who has grown weary of the extremism of the shameless

right With a new updated section reflecting the 2012 presidential season this book contains everything you need to contextualize incumbent Barack Obama with what other liberals past and present believe What Liberals Believe is an excellent resource to have on hand during the upcoming election

Turning Point

Fredric John Muir,2016-01-22 Outlining a bold vision for the future of Unitarian Universalism 20 leaders issue a clarion call for change In inspiring fresh essays they implore us to collectively liberate ourselves from patterns that prevent us from becoming a robust faith for a new age

Emerging from a history marred by the errors of individualism exceptionalism and anti authoritarianism Unitarian Universalism faces a crossroads Turning Point shows a way forward by embracing promises shaped from our theology generosity pluralism and imagination

With essays that include the stories of creative new types of Unitarian Universalist communities across the country this essential new collection outlines a liberal faith for the twenty first century It offers a vision of an inclusive multicultural Beloved Community and inspires trust that Unitarian Universalism can deepen and grow once again meeting the aching needs of a new generation

Coming Back to Life Joanna Macy,Molly Young Brown,2014-11-01

Coming Back to Life has helped people transform denial despair and grief in the face of the social and ecological challenges of our time This new completely updated edition repositions the classic work within the context of deepening global crises and the cognitive spiritual and perceptual revolutions occurring all around us

Our Unitarian

Universalist Story Carol D. Meyer,1996

Soul Work Antiracist Theologies In Dialogue Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the energy of words has been much more evident than ever. They have the capacity to inspire, provoke, and ignite change. Such is the essence of the book **Soul Work Antiracist Theologies In Dialogue**, a literary masterpiece that delves deep to the significance of words and their affect our lives. Published by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we shall explore the book's key themes, examine its writing style, and analyze its overall impact on readers.
