This is a generous and genuinely sustaining book It offers as much through its story of Roger Cole s own profound spiritual development as through the many compelling stories he tells This is not a book about dying it s a book about the whole rich brew of existence of which dying is just a part Stephanie Dowrick Fear of illness and death and the threat of being separated from loved ones affect us all Often those diagnosed with serious and life threatening illnesses including their families and loved ones have to face intense challenges before they can begin to heal and find peace In Mission of Love a palliative care specialist recounts the stories of people who have faced their greatest fears and have healed their lives through acceptance inner peace and love DR ROGER COLE s observations and insights are informed by his own spiritual journey which began in a workshop with Elisabeth K bler Ross in 1984 and later led him to India where his meditation practice deepened His message is one of hope and compassion we can transform our lives and experience acceptance and peace He explains the benefits of meditation and includes healing meditation exercises to aid self transformation to help focus the mind and to cultivate positive qualities In describing the spiritual path Dr Cole makes compelling arguments for the existence of an afterlife and includes a moving personal account of the stages of spiritual transformation its practices and rewards and the promise of self discovery *The words of the Son of God, arranged for daily meditation by E. Plumptre* Eleanor Plumptre,1877 *The Solitary Soul Seeking Immortality, Finds the Foundation of Felicity in Meditation and Prayer, Etc* SOUL.,1710 **The Soul & The Sea** Benig Mauger,2023-05-26
