Soister, Henry Nicolella, Steve Joyce, 2014-01-10 During the Silent Era when most films dealt with dramatic or comedic takes on the boy meets girl boy loses girl theme other motion pictures dared to tackle such topics as rejuvenation revivication mesmerism the supernatural and the grotesque A Daughter of the Gods 1916 The Phantom of the Opera 1925 The Magician 1926 and Seven Footprints to Satan 1929 were among the unusual and startling films containing story elements that went far beyond the realm of highly unlikely Using surviving documentation and their combined expertise the authors catalog and discuss these departures from the norm in this encyclopedic guide to American horror science fiction and fantasy in the years from 1913 through 1929      Worth a Thousand Words (Jubilant Soul Book #2) Stacy Hawkins Adams, 2009-07-01 Life has always gone Indigo Burns s way She s smart pretty and talented and she knows exactly what she wants A photography internship at her hometown s local newspaper is the next step in her well laid plans for her future But her long term goals are put to the test when her boyfriend Brian proposes two years before he s supposed to and in front of all the guests at her college graduation party Too concerned about his feelings to say no she heartily agrees but inside she s cringing Indigo knows in her heart that she s not prepared to sacrifice her dreams to become Brian s wife not before she has achieved any of them Will she find the answers among family and friends in Jubilant Texas Or will the picture perfect life she dreams of be left behind      **Bloomsbury Encyclopedia of Popular Music of the World, Volume 11** David Horn, 2017-10-05 See      Dreams That Won't Let Go (Jubilant Soul Book #3) Stacy Hawkins Adams, 2010-01-01 Indigo Burns is excited Her wedding preparations to the man of her dreams are under way her career as a photographer is a success and her family seems to be doing better than ever all except her brother Reuben who nobody has seen in years But that s about to change because Reuben has decided to move back home to Jubilant Texas But Reuben s hope to find healing with his sisters doesn t seem to be working Soon enough their lives intersect in dramatic sometimes painful and ultimately healing ways This insightful novel by an Essence bestselling author will pull in women readers from the urban market and beyond      *Somewhere Over the Rainbow* Gloria Chadwick, 2008 Amanda is a free spirit who somehow manages to get herself stuck in the energy vibration of a physical body Of course she did it on purpose nothing happens by accident She s a little embarrassed to find herself on earth again and wonders how she ended up here when she vowed she d never incarnate again Her most down to earth task is to see through the misty illusions of things for herself and to remember her spiritual nature In the course of events she gets sidetracked by what everyone says is real life But she s not sure what s real anymore She s been dreaming about rainbows lately and now she s beginning to wonder if her life is really a dream she s having Lavender is trying to remember something she s forgotten about her spiritual nature so she registers for school in the universe and begins classes in Time and Space Energy and Matter and Reality Awareness She s a little concerned about the whole idea of synchronicity and the simultaneous time space concept she s not

sure if she can handle everything at once Her destiny is to unearth the mysteries of the universe and to rediscover the Scroll of Knowledge she wrote in Egypt But she s reluctant to remember her experiences as a philosopher and has turned off her spiritual awareness Rainbow is Amanda s higher self and Lavender s teacher who tries to help them see the light within themselves But Rainbow is really more than she appears to be at first or even second glance     **"The Soul Exceeds Its Circumstances"** Eugene O'Brien, 2016-11-15 The Soul Exceeds its Circumstances brings together sixteen of the most prominent scholars who have written on Seamus Heaney to examine the Nobel Prize winner s later poetry from a variety of critical and theoretical perspectives While a great deal of attention has been devoted to Heaney s early and middle poems the Bog Poems in particular this book focuses on the poetry collected in Heaney s Seeing Things 1991 The Spirit Level 1996 Electric Light 2001 District and Circle 2006 and Human Chain 2010 as a thematically connected set of writings The starting point of the essays in this collection is that these later poems can be grouped in terms of style theme approach and intertextuality They develop themes that were apparent in Heaney s earlier work but they also break with these themes and address issues that are radically different from those of the earlier collections The essays are divided into five sections focusing on ideas of death the later style translation and transnational poetics luminous things and gifts and usual and unusual spaces A number of the contributors see Heaney as stressing the literary over the actual and as always looking at the interstices and positions of liminality and complexity His use of literary references in his later poetry exemplifies his search for literary avatars against whom he can test his own ideas and with whom he can enter into an aesthetic and ethical dialogue The essayists cover a great deal of Heaney s debts to classical and modern literature in the original languages and in translations and demonstrate the degree to which the streets on which Heaney walked and wrote were two way he was influenced by Virgil Petrarch Milosz Wordsworth Keats Rilke and others and in turn had an impact on contemporary poets This remarkable collection will appeal to scholars and literary critics undergraduates as well as graduate students and to the many general readers of Heaney s poetry
