Artistic Representations of Suffering Mark Celinscak, Curtis Hutt, 2021-10-18 Artistic expression frequently engages with the question of suffering. In so doing it confronts the gravity and complexity of the human condition. This volume investigates the relationship between art and suffering. In short, the contributors to this volume collectively demonstrate that suffering is an undisputed and shareable motivating experience. This collection features original essays that focus on the subject of art and suffering including topics such as the representation of violence and the intersections of art and human rights. Some of the key questions explored are as follows: How has suffering motivated artists around the world? How have artists used their platforms to call attention to human rights abuses? How can suffering be incorporated responsibly and ethically in works of art? What role does art play in the struggle against violations of human dignity and the promotion of building a more equitable world? Each essay is complemented by full color reproductions of artistic works that illustrate the concepts being discussed including a graphic essay on the topic of comfort women.

Mara's Stories: Glimmers in the Darkness Gary Schmidt, 2008-03-04 A testament to the power of stories and how they may bring hope even in times of darkness. Everyone gathers around and from her lips to their ears the stories go and for a little while the camp disappears and for a little while they are all free. As night falls the women gather their children to listen to Mara tell her stories. They are stories of light and hope and freedom stories of despair and stories of miracles stories of expected pain and stories of unexpected joy all told in the darkness of the concentration camp barracks. Through extensive research noted in the back of the book Gary Schmidt has skillfully woven together stories from such sources as the Jewish religious scholar Martin Buber Holocaust survivor Elie Wiesel and folklorists Steve Zeitlin and Yaffa Eliach. Combining lore of the past with tales born in the concentration camps Mara's stories speak to us from a time that must never be forgotten.

Reader's Guide to Judaism Michael Terry, 2013-12-02 The Reader's Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition. The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume. The emphasis is on Judaism rather than on Jewish studies more broadly.

The Israelis Donna Rosenthal, 2003 Rosenthal explores a people who while consciously living in a war zone contribute to one of the most vibrant civic societies anywhere. It is the story of ordinary people living in an extraordinary place.

Triologue and Terror Alan L. Berger, 2012-11-02 This volume addresses the promise and peril of post 9/11 interfaith dialogue. In fifteen clearly written and insightful essays distinguished scholars of different faiths and divergent world views guide readers toward an informed understanding of the role of religion and the basic teachings of Judaism Christianity and Islam in the aftermath of the September 11 terror attacks on the United States. Acknowledging commonalities these essays also shed light on the essential differences among the teachings of the Abrahamic

traditions and raise pivotal questions regarding humanity's future. What prompted the carnage? What has changed since then? What remains to be achieved? Dispelling ignorance about the religious other is a necessary but only a first step toward achieving a durable and effective dialogue. In an increasingly perilous and interconnected world where the effects of globalization are yet to be fully recognized, interfaith dialogue holds out the hope of genuine movement toward a more peaceful coexistence.

Living in the Presence Rabbi Burt Jacobson, 2024-11-19. A rabbi's lifelong journey to discover the source and inspiration of Hasidism. As a student of Abraham Joshua Heschel's at Jewish Theological Seminary sixty years ago, Burt Jacobson was moved to devote his life to the study of Israel Baal Shem Tov, the founder of Hasidism. Heschel considered the Baal Shem the greatest Jewish teacher and communal leader of the last 1,000 years. Living in the Presence: A Personal Quest for the Baal Shem Tov is a wide-ranging portrait revealing numerous facets of the Baal Shem Tov's biography and revolutionary thought previously unknown. Through his knowledge of the world's wisdom traditions and personal journey, Rabbi Jacobson is able to place the Baal Shem in the company of the great world spiritual teachers. He reveals the Baal Shem's vision as an ecstatic mystical encounter that opened to the transcendent unity of existence. It was this that inspired his love and compassion for all creation, especially for the people he met. His disciples testified that their experience of these truths transformed how they understood their own identities as manifestations of the Divine, altered how they lived as spiritual leaders of their communities, and laid the foundations for Hasidism as a movement. Throughout his book, Jacobson presents and evaluates insights of historians and scholars, but it is also filled with personal stories about Jacobson's own struggle with his Jewish identity and his encounter with the Baal Shem as his spiritual teacher. Both a tour de force and a labor of love, this book will quickly become the most essential work on the subject ever published in English.

A New Hasidism: Branches Arthur Green, Ariel Evan Mayse, 2019-10-01. You are invited to enter the new-old pathway of Neo-Hasidism, a movement that uplifts key elements of Hasidism's Jewish revival of two centuries ago to reexamine the meaning of existence, see everything anew, and bring the world as it is and as it can be closer together. This volume brings this discussion into the twenty-first century, highlighting Neo-Hasidic approaches to key issues of our time. Eighteen contributions by leading Neo-Hasidic thinkers open with the credos of Zalman Schachter-Shalomi and Arthur Green. Or Rose wrestles with reinterpreting the rebbe's harsh teachings concerning non-Jews. Ebn Leader assesses the perils of trusting one's whole being to a single personality. Can Neo-Hasidism endure as a living tradition without a rebbe? Shaul Magid candidly calibrates Shlomo Carlebach, how the singing rabbi transformed him, and why Magid eventually walked away. Other contributors engage questions such as: How might women enter this hitherto gendered sphere created by and for men? How can we honor and draw nourishment from other religions' teachings? Can the rebbe's radiant wisdom guide those who struggle with self-diminishment to reclaim wholeness? Together, these intellectually honest and spiritually robust conversations inspire us to grapple anew with Judaism's legacy and future.
