Telling Our Faith Story:

Re-Storying Your Faith Suzanne M. Coyle, 2013-11-29 Re Storying Your Faith has caught our culture's imagination from new experiences of spirituality through channeling and meditation to traditional spiritual practices of personal devotions scripture reading and prayer Building on Christian spirituality this spiritual practice of re-storying our faith offers people an everyday experience of discovering multiple faith stories to give meaning to their spiritual journey Built into this process is a way of discovering individual uniqueness as well as sharing discovered stories in faith communities whether it is a Sunday school class or a group of like minded friends

Writing our Faith Julia McGuinness, 2013-11-21 This highly practical book reveals that there are many ways of being creative that will help us grow as Christians As well as journaling we can try mind mapping composing a letter to God or from God to us considering what we would like to appear in our obituary dialoguing in prayer with Jesus with particular obstacles in our lives or with God's silence addressing difficult issues through imaginary conversation using poetic language to express emotions to celebrate the wonder of an extraordinary moment or to articulate one of the great biblical truths

Family Faith Stories Ann Weems, 1985-01-01 In her book Reaching for Rainbows Ann Weems revealed a graceful style a joyous approach to worship and an uncommon understanding of human beings in their everyday settings and in their relationship to God Now the popular author offers a powerful and inspiring statement on what she considers her greatest inheritance a sustaining faith She reflects on her family from the Scottish ancestors who came to this country seeking religious freedom down through the generations to her own children

Telling Our Faith Story Janice Price, 1999-01 Shows how building up relationships and trust with others can open up opportunities to share testimonies stories of how people came to faith Evangelism has a growing place on the agenda of the Christian Churches Recent research continues to indicate that most people come to faith in Christ through meeting and relating to other Christians but many Christians find it difficult to talk about their faith This booklet aims to give help and guidance in overcoming barriers which can inhibit the telling of faith stories

Tell the Story Our Daily Bread Ministries, 2023-01-05 Learn how you can have persevering faith by reading the inspiring Scriptures and accounts of Black history makers from the 1700s to today See how they maintained dignity furthered a higher education system for the Black community sought social justice and more in this 40 day devotional from the Voices Collection of Our Daily Bread Ministries Each Scripture based reading points to God's unchanging faithfulness

Sharing the Faith That You Love John Boucher, Therese Boucher, 2014-02-01 For most Catholics the idea of becoming an evangelist is intimidating How could I ever bring anyone back to God or to the church we may wonder I'm not an expert or an evangelist and I don't want to knock on doors In this book John and Therese Boucher encourage Catholics to share their faith in four simple and practical ways praying for those we know who far from God showing them Christ like care and compassion initiating faith sharing conversations and inviting them to join us at Mass and parish events Each chapter includes two spiritual workouts designed to deepen our own experience of the Lord grow in zeal

for sharing our faith and learn the skills to become part of the New Evangelization A separate chapter has ideas for fostering a missionary evangelizing parish Play. Tell. Be. Sarah Agnew, 2025-08-26 Since childhood days playing the recorder in worship Sarah Agnew has been invited to lead her church communities What do others see and feel that they choose to follow her Trust in a playful process in the magic of failing Trust in and deep listening to Sacred and human stories Trust in Sacred Presence and the profound gift of turning up to be with each other While outside voices celebrated leadership as being charisma driven in a CEO style Agnew knew herself to be an artist creative alternative Personally as chronic pain and illness grow ever dominant Agnew knows herself to need a slower gentler pace Playfully with creativity this book tells a story of becoming of developing a Rule of Sacred Presence telling one person's story in order to encourage yours *Helping Our Children Grow in Faith* Robert J. Keeley, 2008-01-01 Children have serious faith questions that require serious answers answers that adults often find themselves under prepared to give But the Christian community has a responsibility to help its children develop a three dimensional faith a faith that affects their heads their hearts and their spirits *Helping Our Children Grow in Faith* is designed for children's ministry and worship leaders Sunday school teachers and pastors as well as parents who want to nurture the spiritual development of the children in their lives It shows how to integrate children into congregational worship how to teach them the Bible but leave room for the mystery of God and how to distinguish the difference between faith development and moral development *What You Need to Know About Defending Your Faith in 12 Lessons* Max Anders, 1998-02-28 This book contains the information you need to prepare for almost any encounter with a non Christian and turn the grilling of your faith into the sharing of the Bread of Life **What Are We Fighting For? Leader Guide** Thomas J. Bickerton, 2016-04-04 With all the issues facing The United Methodist Church today there are plenty of theories and opinions about what we should do Frankly many of us are weary of the relentless bickering associated with all the rhetoric What are we fighting for This question not only points us to the futility of our disunity but also compels us to consider what we are fighting for what deserves our greatest intensity and effort as we seek to be faithful followers of Jesus Christ Bishop Thomas J Bickerton offers a way to move beyond all the discord to a hope filled future by exploring how we can come together around what matters most so that the gospel of Jesus Christ becomes a vibrant part of our lives and witness He says that fights feuds and uncertainties can distract us leaving us ineffective and mired in mediocrity and decline but focusing on what matters most causes our ministries to flourish and the church to become a relevant and vital presence in the community and world With a warm and practical approach he leads us on a journey of discernment inviting us to explore the spiritual problem at the heart of the issues we're facing three foundational reminders guidelines for determining the essentials necessary to make disciples a motto for working together in the midst of disagreement and thoughts about the ultimate essential love This Leader Guide includes everything a group leader needs to plan and facilitate the six sessions helping participants to explore what they have read to view a video and to discuss the reading and video with the group The

guide walks leaders through the study format and provides options for tailoring sessions to the time frame and style of each group
