**My Way** Charles Bernstein, 2010-03-15 Verse is born free but everywhere in chains It has been my project to rattle the chains from The Revenge of the Poet Critic In My Way in famous language poet and critic Charles Bernstein deploys a wide variety of interlinked forms speeches and poems interviews and essays to explore the place of poetry in American culture and in the university Sometimes comic sometimes dark Bernstein's writing is irreverent but always relevant not structurally challenged but structurally challenging Addressing many interrelated issues Bernstein moves from the role of the public intellectual to the poetics of scholarly prose from vernacular modernism to idiosyncratic postmodernism from identity politics to the resurgence of the aesthetic from cultural studies to poetry as a performance art from the small press movement to the Web Along the way he provides close listening to such poets as Charles Reznikoff Laura Riding Susan Howe Ezra Pound Allen Ginsberg and Gertrude Stein as well as a fresh perspective on L A N G U A G E the magazine he coedited that became a fulcrum for a new wave of North American writing In his passionate defense of an activist innovative poetry Bernstein never departs from the culturally engaged linguistically complex yet often very funny writing that has characterized his unique approach to poetry for over twenty years Offering some of his most daring work yet essays in poetic lines prose with poetic motifs interviews miming speech speeches veering into song Charles Bernstein's My Way illuminates the newest developments in contemporary poetry with its own contributions to them The result of Bernstein's provocative groping is more stimulating than many books of either poetry or criticism have been in recent years Molly McQuade Washington Post Book World This book for all of its centrifugal activity is a singular yet globally relevant perspective on the literary arts and their institutions offered in good faith yet cranky and poignant enough to not be easily ignored Publishers Weekly Bernstein has emerged as postmodern poetry's sous chef of insouciance My Way is another of his rich concoctions fortified with intellect and seasoned with laughter Timothy Gray American Literature **The Unthroned Oracle** Jack

Blackmore, 2016-11-01 Laura Riding was a major poet whose poems though widely admired and influential have been little understood Throughout the 1920s and 1930s she was a devout advocate of poetry believing that to go to poetry is the most ambitious act of the mind Her subsequent renunciation of poetry in the 1940s gave rise to bemusement Jack Blackmore tackles the causes of the neglect of Riding's poetry and establishes new and productive approaches to the poems His close readings of fifteen poems demonstrate the progress of Collected Poems and the remarkable range and scope of her poetry He establishes both the strength and unity of the poems and the continuity between them and her post poetic work in particular her spiritual testament The Telling Mark Jacobs's vivid memoir of a visit to the author in later life at her Florida home complements the work on the poems These essays are interesting and you have done well You seem to me fair and just in what you say about her work Robert Nye This is ambitious work full of insights Professor Michael Schmidt **Language and the Renewal of Society in Walt Whitman, Laura (Riding) Jackson, and Charles Olson** C. Billitteri, 2009-04-13

This book takes up the utopian desire for a perfect language of words that give direct expression to the real known in Western thought as Cratylism and its impact on the social visions and poetic projects of three of the most intellectually ambitious of American writers Walt Whitman Laura Riding Jackson and Charles Olson *Reclaiming Rhetorica* Andrea A. Lunsford, 1995-04-15 Women's contribution to rhetoric throughout Western history like so many other aspects of women's experience has yet to be fully explored In pathbreaking discussions ranging from ancient Greece through the Middle Ages and the Renaissance to modern times sixteen closely coordinated essays examine how women have used language to reflect their vision of themselves and their age how they have used traditional rhetoric and applied it to women's discourse and how women have contributed to rhetorical theory Language specialists feminists and all those interested in rhetoric composition and communication will benefit from the fresh and stimulating cross disciplinary insights they offer *Rational Meaning* Laura (Riding) Jackson, Schuyler B. Jackson, 1997 Existing only in manuscript since the 1940s but enjoying an underground reputation among friends and advocates this primary document by one of the most original and influential of American poets and thinkers is now being published as *Rational Meaning* Laura Riding Jackson's testament of the necessity of living for truth Begun as a dictionary and thesaurus in the 1930s the work developed into a fundamental reevaluation of language itself Riding in close collaboration with her husband continued this monumental project over the succeeding decades completing it after his death in 1968 At the core of *Rational Meaning* which aims to restore the truth of language by arguing that meaning inheres in words stands the idea that a total renovation of the knowledge of language is needed not to develop mere verbal sophistication and respectability but fundamentally to reinvigorate the intellectual processes of consciousness The book reveals the disastrous extent to which language has been unlearned and shows how it may be learned again *Rational Meaning* will be essential reading not only for students of literature but for radical minded linguists and lexicographers unhappy with the orthodoxies current in their disciplines **Southern Exposure**, 1965 **Bruce Andrews and Charles Bernstein's L=A=N=G=U=A=G=E** Matthew Hofer, Michael Golston, 2020-06 In February 1978 the L A N G U A G E newsletter founded and edited by Charles Bernstein and Bruce Andrews established the first public venue for the thriving correspondence of an emerging set of ambitious young poets It circulated fresh perspectives on writing politics and the arts Instead of poems it published short essays and book reviews on the model of the private letter It also featured extensive bibliographies and excerpts of cultural social and political theory Bruce Andrews and Charles Bernstein's L A N G U A G E The Complete Facsimile makes available in print all twelve of the newsletter's original issues along with three supplementary issues **Chelsea**, 1974 *Delta*, 1972 The Listener, 1972
