McKenzie,2012-04 What if the commonly held beliefs concerning the Antichrist are mistaken The Antichrist and the Second Coming looks at the Antichrist and the Second Advent of Christ from a preterist i e past fulfillment perspective and provides a unified interpretation of the little horn the prince to come the king of the North the man of lawlessness and the beast This is the second in a two volume set on the Antichrist it focuses on the book of Revelation This edition stands on its own and is recommended reading even if you have not read the first volume which focuses on Daniel and 2 Thessalonians McKenzie shows how the Antichrist was ultimately a spiritual ruler from the abyss Rev 11 7 that worked through Titus in his three and a half year destruction of the Jewish nation AD 67 70 cf Dan 9 26 This spirit

of Antichrist was about to come out of the abyss in the first century Rev 17 8 NASB and was destroyed by the Second Advent of Jesus in AD 70 a spiritual event Continue reading to see how McKenzie convincingly makes the biblical case for this fascinating and controversial position and what it means for us today Dr Duncan McKenzie is a licensed psychologist Ph D in psychology who lives in Los Angeles California He has been studying Bible prophecy for the past twenty five years and has been researching and writing this two volume set for the last twelve years *Priesthood and Temple in John's Apocalypse* Timothy B. Tse,2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible s descriptions of YHWH s dwelling place scholarship has overlooked the importance of his spatial transformation of that language Tse thus uses theories relating to Relevance Resistance Theory Critical Space Theory and Conceptual Metaphor to demonstrate that a significant part of John s apocalyptic strategy of resistance is to re present his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live Tse first demonstrates John s attempts to relegate his audience s experience of space to his own revelation John s description of the visionary world creates the metaphors the earth is a Sanctuary and the Saints are its priests Tse argues that under this view life on earth must be evaluated according to the concerns of the Sanctuary which by definition requires the removal of everything impure and the Saints namely all Christians in both the historic and visionary worlds must take priestly responsibility for the earth John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb s war against Satan Babylon and all her impurities Tse concludes that overall John means to realign the church s experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality *The Place of God at the Bookends of the Bible* David W. Larsen,2023-10-09 What if everything in the Bible has a larger outer context than is usually accounted for Missional and biblical theologies suggest that the Bible presents a grand story like a play with multiple acts The acts typically include creation fall redemption and finally restoration But what if the whole story itself occurs in another larger setting occurring within a mission running in the background throughout the whole Bible How might this aid our research reading and application And why is this being proposed now This book explores these questions The larger context is the production of the place of God a home and homeland wherein God with his people dwell on earth Since place is underdeveloped in biblical studies the book presents a new method for interpreting place Then the book lays out the case that a grand mission to produce the place of God becomes the outer context for the whole Bible Finally the book defends this proposal with an in depth placial commentary of the bookends of the Bible since these bookends provide keys to unlock this message thereby inviting further study on the rest of the Bible and on the implications for this transformative perspective **The Great Falling Away** Adrian Salupo,2008-02-19 This first volume of our Great Falling Away Series biblically explicates both the beginning and the end of the biblical age while also revealing mankind's great falling away from a biblically defined faith in God and His mortal immortal and eternal Messiah Jesus the Christ of Bethlehem Nazareth Judea The full title for this first

book of our series is The Great Falling Away Volume I The Biblical Age This book is now available directly from Xlibris as well as from on line booksellers and retail bookstores everywhere The second book of our Great Falling Away Series is entitled The Great Falling Away Volume II Anti Christ Babylon and the Bride of the Lamb This second and final book in our Great Falling Away series is now completed and is now also available directly from Xlibris as well as from booksellers everywhere

"Those Who Call Themselves Jews" Philip L. Mayo,2006-08-01 The nature of Jewish Christian relations at the end of the first century has been a subject of serious study and considerable debate The time between 70 and 150 CE is held to be a volatile time in that Jewish Christian relations were quickly although not uniformly deteriorating This is a time referred to as the partings of the ways when the church was emerging as a religion apart from Judaism Although it has often been neglected in this study of particular interest is the Apocalypse of John since it was written in this dark and turbulent time in Jewish Christian relations John who is a Jewish Christian is writing to what are likely predominantly Gentile churches At first he appears to deny the very name Jew to his ethnic kin while accusing them of belonging to Satan 2 9 3 9 Nevertheless he does not abandon his own Jewish background and theology He makes broad use of the Hebrew Scriptures and Jewish cultic imagery while maintaining a Christian understanding that Jesus is the fulfillment of God s redemptive plan What is of particular interest is how he adopts and adapts this imagery and language and applies it to the church It is John s mix of Jewish imagery with a Christian message that may provide some insight into his perspective on the relationship between these two increasingly polarized sects What exactly this perspective is constitutes the subject of the present discussion A Jewish Apocalyptic Framework of Eschatology in the Epistle to the Hebrews Jihye Lee,2021-11-18 In contrast to scholarly belief that the author of the Epistle to the Hebrews envisions the transcendent heavenly world as the eschatological inheritance of God s people Jihye Lee argues that a version of an Urzeit Endzeit eschatological framework as observed in some Jewish apocalyptic texts provides a plausible background against which the arguments of Hebrews are most comprehensively explained Instead of transcendence to the heavenly world that will come after the destruction of the shakable creation Lee suggests the possibility of a more dualistic new world By first defining Urzeit Endzeit eschatology Lee is then able to explore its place in both pre and post 70 CE Second Temple Judaism In examining Enoch the Qumran Texts Jubilees the Liber Antiquitatum Biblicarum 4 Ezra and 2 Baruch and finally the Book of Revelation Lee compares a multitude of eschatological visions and the different depictions of the transformation of the world judgement and the new world to come Bringing these texts together to analyse the issue of God s Rest in Hebrews and the nature of the Unshakable Kingdom Lee concludes that Hebrews envisions the kingdom as consisting of both the revealed heavenly world and the renewed creation as the eschatological venue of God s dwelling place with his people **Supralapsarian Christology and the Progressive Work of Christ** Thomas G. Doughty Jr.,2024-08-06 In Supralapsarian Christology and the Progressive Work of Christ Christus Dominus Thomas G Doughty Jr produces a fresh theological narrative presenting the work of Christ

progressively Through both biblical and systematic theological lenses Christus Dominus explains how the incarnate Son of God accomplishes multiple benefits for humanity and the cosmos This model articulates a supralapsarian motivation for the incarnation of divine human co dominion but also accounts for the infralapsarian motivation of atonement for human sin In doing so Christus Dominus demonstrates that supralapsarian Christology is compatible with objective approaches to atonement showing also how penal substitutionary atonement fits within the more holistic motif of Christus Victor This book addresses weaknesses in infralapsarian Christologies which deem the incarnation primarily contingent on the human fall into sin By exploring God s creation intentions and his faithfulness to realize those intentions in the incarnate Christ through eschatological promises Christus Dominus encapsulates the biblical revelation relating the work of Christ to humanity s progressive vocation Then by drawing on the strengths of recent work of Christ frameworks the author systematically arranges an objective atonement model within that progressive work of Christ Christus Dominus thus upholds the unique necessity of the crucifixion within a supralapsarian Christology as the incarnate Christ s work progressively unfolds
