Temptation On Trial:

Temptations, Trials and Tests Alexander Agyemang, 2019-06-13 ABOUT THE BOOK This book has been written to demystify the occurrence of temptation trial and test in a Christian's life. It is to dispel the notion that only the immature are tested or tempted. A one man of God once said every level and its devil. Every level and the sophistication of the traps, schemes and weapons the devil employs to get as to be less effective Christians or backslidden ones. This book is therefore simple enough for the new convert and in depth enough for the matured Christian who have also disciplined others to be good Christians. Trials and tests though worrying or distressing are often used of the Lord to prepare us for a higher calling or ministry. God is a king and so needs to be sure his servants are top quality hence the many trials and tests that come our way. Only vessels which are made unto honour are thoroughly tested because they are required to stand the test of time. This book will teach you to understand that there is nothing like an easy test trial or temptation. However each one is not more than your strength can bear but if not careful can lead you to sin. This book will teach you that all aspects of our being are tempted, tested and tried in our walk with the Lord. You will also learn that each person's resistance varies depending on what temptation trial or test he or she is going through. Therefore any temptations or test is standard to your maturity and can therefore floor you easily if approached with pride. As you move up in maturity your temptations become more mental and as you move even higher of things of the heart. Your tests or trials become more relationship or ego based as you mature. Many things will happen to test loyalty, humility and integrity. But many fall at these heart or mental based temptations or tests as founding bishops, associate pastors and spouses or as workers because we think temptation should necessarily be about the works of the flesh. This book will also talk about the consequences of failing to stand during temptations trials or tests. As we fail a temptations more temptations are introduced till we fall so low that we do things which even shock us upon sober reflections. Because as you fail temptations of the heart you are then tempted on the mind and when you fail that you are then tempted on the flesh. All these can happen in an hour. When you face a trial or test it is often repeated till you pass it. Hence people having the same troubles over and over again in many forms. No human being can escape temptation trial or test because our body is not saved and our soul is only regenerated i.e. it has been given the opportunity to be good only the spirit is born again in every Christian. Most victories are won in the mind and in prayer. The Christian therefore needs to work on his or mind with prayer, the word and fasting to be steadfast in all things. Again this book will teach you the benefits of enduring temptations trials and tests. And show you dear reader that without contradiction only those who stand to the end will be saved. Temptations and Trials Faced by Bible Legends Michael Kotch, 2018-09-21 We all face temptations and trials in our lives and how we deal with these times can be defining moments in our lives So how do we choose the right thing instead of the easiest thing or the most pleasurable thing The best way for Christians to successfully respond to temptations and trials in their lives is to start with the Bible

Temptations and Trials Faced by Bible Legends looks at temptations and trials that major characters of the Bible faced and author and psychologist Michael Kotch shows how these Bible legends tended to fall into one of three categories when faced with a major trial or temptation either they turned to God for guidance and did whatever God wanted them to do or they did not follow God with one group repenting for their disobedience and the other group simply continuing in the wrong direction In the end we can learn how doing what is right in God s eyes can be much different than doing what is right in our own and that the best outcomes follow from consulting with God God promises that we will never be tempted beyond our abilities and he will always provide us with a way out of our temptations and trials And for Christians when we read the Bible daily use it to create a plan of action and always do what is right according to God we can be confident in God s leadership as we develop a character in the image of Christ
