**Ruth First** Ruth First, Don Pinnock, 1997 This book is the second in the series presenting prominent South Africans who played a vital role in the long struggle against racial oppression Scholars and reflective South Africans will do well to listen to these voices of liberation many of which were deliberately silenced The road to democratisation in the new South Africa cannot be securely built without close reference to those powerful voices from the past Tending Your Own Garden Dr. Ed Fleming, 2021-10-05 While having private devotions in October 2018 I came across a verse in Song of Solomon 1:6 God's Spirit spoke very powerfully to me on that day Being a person who loves to be busy serving in ministry i.e. tending others' gardens I had forgotten the importance of tending my own garden i.e. remembering the priority of personal piety or holiness I confessed my sin that day and am seeking to keep a guard over my soul At the same time I was praying about a topic for a pastors conference in South Africa in June 2019 The Holy Spirit confirmed that what was necessary in my life could be a challenge and blessing to other pastors The night before I left to return to the USA two of the pastors at that conference encouraged me to put the material in book form Tending Your Own Garden is the fruit of their encouragement
