Tenderness Poems:

Painting, Poetry, and the Invention of Tenderness in the Early Roman Empire Hérica Valladares, 2020-12-17 This book connects the emergence of Latin love elegy and a new tender style in Roman wall painting

Good Poems for Hard Times, 2006-08-29 The book is full of strong memorable poems that stick with readers like a friend during a long hard night The Christian Science Monitor Here readers will find solace in works that are bracing and courageous organized into such resonant headings as Such As It Is More or Less and Let It Spill From William Shakespeare and Walt Whitman to R S Gwynn and Mary Oliver the voices gathered in this collection will be more than welcome to those who've been struck by bad news who are burdened by stress or who simply appreciate the power of good poetry

Hymns by the late W. Leighton. Selected from his published poems. Second thousand William LEIGHTON (of Dundee.), 1871

Hymns. Selected from His Published Poems William Leighton (of Dundee.), 1871

Osip Mandelstam Ralph Dutli, 2023-05-30 The personal and political life of the iconic Russian poet Osip Mandelstam is graphically portrayed in this lavishly illustrated book This is the first full scale biography of Osip Mandelstam to combine an analysis of his poetry with a description of his personal life from his beginnings as a young intellectual in pre revolutionary Russia to his final fate as a victim of Stalinism The myth has grown up that Mandelstam was a gloomy miserable figure Dutli deconstructs this stressing Mandelstam's enjoyment of life There are several underlying themes here One is Mandelstam's Jewish background in pre 1914 Russia which he rejected as a young man but reaffirmed in later life Another is the inescapable impact of Russia's political and social transformation His evolution as a poet naturally occupies a large place in the biography which quotes many of his most famous poems including his devastating anti Stalin epigram He produced wonderful poetry before the October Revolution but did not reach his full poetic stature until the 1930s when in exile in Voronezh He was never an official Soviet poet and it was only thanks to the intervention of Bukharin that he was brought back from utter impoverishment The biography gives full weight to his emotional life beginning with his friendship with two other Russian poets Marina Tsvetaeva and Anna Akhmatova followed by love and marriage to Nadezhda Khazina

Collected Poems Galway Kinnell, 2017-12-05 The essential collection by the Pulitzer Prize and National Book Award winner who was one of the true master poets of his generation The New York Times In the words of Galway Kinnell it is the poet's job to figure out what's happening within oneself to figure out the connection between the self and the world and to get it down in words that have a lasting shape that have a chance of lasting With this deeply probing and restlessly curious sensibility Kinnell spend decades producing some of American poetry's most beloved and revered works This comprehensive volume includes Kinnell's expansive poem of immigrant life on the Lower East Side of New York The Avenue Bearing the Initial of Christ into the New World his incantatory book length poem The Book of Nightmares and a searing evocation of Hiroshima in The Fundamental Project of Technology It covers the iconic themes of Kinnell's middle years eros family and the natural world in works such as After Making Love We Hear Footsteps The Bear

Saint Francis and the Sow and Blackberry Eating And includes the unflinchingly introspective work of his later years
Spanning six decades this is the essential collection for old and new devotees of Galway Kinnell a poet of the rarest ability
who can flesh out music raise the spirits and break the heart Boston Globe *The Poems of William Leighton* William
Leighton,1890 **Baby Dies To-day and Other Poems** William Leighton (of Dundee.),1875 Ten Poems to Open Your
Heart Roger Housden,2007-12-18 Ten Poems to Open Your Heart is a book devoted to love to the intimacy of personal love
and lovemaking to a loving compassion for others and to the love that embraces both this world and the next This new
volume from Roger Housden features a few of the same poets as his extraordinarily moving Ten Poems to Change Your Life
such as Mary Oliver and Pablo Neruda along with contributions from Sharon Olds Wislawa Szymborska Czeslaw Milosz
Denise Levertov and others Any one of the ten poems and indeed any one of Housden s reflections on them can open gladden
or pierce your heart Through the voices of these ten inspiring poets and through illustrations from his own life Housden
expresses the tenderness beauty joys and sorrows of love the presence of which more than anything else gives human
existence its meaning As Housden says in his eloquent introduction Great poetry happens when the mind is looking the other
way and words fall from the sky to shape a moment that would normally be untranslatable When the heart opens we forget
ourselves and the world pours in this world and also the invisible world of meaning that sustains everything that was and
