Barcelona One More Time Richard Lewis,2008 Barcelona One More Time is the story of an English language teacher and his Belgian partner plunged into the uncharted territory of 1970s post Franco Barcelona The characters they meet and the experiences they encounter in the language school business are compellingly evoked with the very feel and colour of a place and time **If I Ever Get Back to Georgia, I'm Gonna Nail My Feet to the Ground** Lewis Grizzard,2012-01-01 Lewis Grizzard got his first newspaper job when he was ten years old Thirty odd years later thirty very odd years he s still in the newspaper business and he s still infuriated by it still tickled by it and still very much in love with it If I Ever Get Back to Georgia I m Gonna Nail My Feet to the Ground is all about that anger that great humor and that even greater passion for something that affects every single one of us the daily newspaper Grizzard begins with his first writing job covering a Boy s Church League team in Newman Georgia and continues through his college years in Athens Georgia where he learned how to do such things as prepare a front page headline and layout in case Jesus Christ ever returned to earth Headline HE S BACK He examines the great Atlanta years and the cold Chicago winters as sports editor of the Sun Times during which Grizzard lost his second wife his cool and very nearly his sanity but also learned an awful lot about life liberty and the pursuit of happiness This is Grizzard s funniest and his best book yet *Groucho Marx, Secret Agent* Ron Goulart,2002-07-17 It could be said that in this episode Groucho Marx operates as a Hollywood style Scarlet Pimpernel with a repertoire of outrageous puns covering the steely daring life of a counterspy But as Groucho might retort his cover is at the dry cleaner and besides Groucho is not one to hide his light under any bushel even one of stuffed clams So he and Frank Denby his sidekick scriptwriter and close friend set out to uphold their reputation as amateur sleuths by looking into the death of British director Eric Olmstead First Olmstead fainted at a star studded Halloween party after a man dressed as the Grim Reaper had whispered to him and then disappeared But it is not until the next day that he is found dead presumably by his own hand It is 1939 everyone expects the U S to join the war raging in Europe And everyone is looking under the bed for spies Soon the questions surrounding the death of Eric Olmstead takes on an odor of espionage The police call Olmstead s death a suicide After all he did leave a typed note His widow refuses to believe that her husband shot himself and persuades Groucho and Frank to look further Soon the pair is enmeshed in FBI agents and Los Angeles police while the grieving widow clamors for revenge Here is where Groucho proves his genius as a detective he seizes on the clue that reveals the death to be murder This however is only the beginning There is another murder Groucho and Frank are attacked Frank is shot at but not hit Groucho is hit but not shot at just knocked to the floor by the fleeing assailant They not only survive but they pinpoint the

Nazi spy and the Hollywood figures working with them In a romp made delightful in spite of spies murders and occasional dire peril Goulart uncannily resurrects the most garrulous Marx brother and his unique brand of patter The Groucho Marx of these stories is the next best thing to the capering of the late comedian himself and a happy gift to everyone who remembers him fondly as well as those meeting him for the first time **The Triumphs of His Grace** David L. McKenna, 2023-06-08 Do you feel as if you have been burned by the church and its institutions Or have you stayed away for fear of being burned In either case you are not alone Confidence in the church and its institutions has plummeted since the turn of the century especially among the younger generation The rush to judgment is premature In David McKenna s growing years he had to go through the hoops and hurdles of a radical holiness tabernacle At the time the human standards were odious But now from the perspective of seventy years or more he can see how the threads of grace were being woven together into the whole cloth of God s perfect will for his life With confidence then he only asks that this young generation give the church a chance It is imperfect but it is still an instrument of the grace of God With full candor and full confidence then McKenna offers his spiritual odyssey as witness to the triumphs of God s grace
