The Lives And Times Of Bernardo Brown:

The Lives and Times of Bernardo Brown Geoffrey Household, 1974 The Special Branch LeRoy Panek, 1981 The author has chosen seventeen of the most important or representative British spy novelists to write about. He presents some basic literary analysis and criticism, trying both to place them in historical perspective and to describe and analyze the content and form of their fiction.

The Last Two Weeks of Georges Rivac Geoffrey Household, 2015-03-24 In this riveting thriller that recalls Alfred Hitchcock in his prime, an innocent European businessman is inadvertently caught up in a murderous web of international intrigue and forced to run, hide, or die in the English countryside. A man of considerable ambition, French and British export agent Georges Rivac is always eager to expand his client base, so he agrees without question to do a simple favor for an unknown Englishman. Charged with delivering an item to an address in London, Rivac is surprised to discover that his arrival is unexpected and unappreciated, and he is shocked to learn soon afterward that his new client is dead. Suddenly, the confused businessman is himself a target, pursued by unknown assailants and forced to flee the city, taking refuge in the wilds of rural England. Relying on his wits and dormant survival skills, as well as the help of a beautiful Hungarian freedom fighter, Georges Rivac must now somehow get to the root of the deadly international conspiracy that has placed him in a killer's sights. A gripping adventure reminiscent of *The 39 Steps* and *North by Northwest*, *The Last Two Weeks of Georges Rivac* is a thriller in every sense, a masterful novel chock full of action and intrigue racing toward its surprising and breathtaking climax.

The Terror of Villadonga Geoffrey Household, 2014-11-20 An exciting children's adventure story from the acclaimed author of *ROGUE MALE*. Geoffrey Household, 12-year-old Dick Garland lives on the northern coast of Spain. With his thirst for exploring, he has ventured into nearly every cave nearby, except the feared Cave of Angels. When dared to spend one night there alone by the gutsy Lola Dick, he boldly accepts her challenge. But there is an unspeakable terror in that cave, and in order to protect his family and friends, Dick decides to do something about it. Household's exciting children's novel demonstrates the strength of courage, the thrill of adventure, and the power of loyalty.

The Third Hour Geoffrey Household, 2015-03-24 A reckless Spanish adventurer and a British workingman join forces in a dangerous hunt for hidden treasure. By the age of twenty-seven, Manuel Vargas has already lived more than most men. A restless adventurer and world traveler, he has journeyed far from his home in Spain, and now fate and tragedy have deposited him into the ranks of the Mexican revolutionary army. But when he discovers that a passenger train he and his fellow rebel confederates have blown off the tracks is carrying a fortune in gold, his life takes yet another strange turn. Meanwhile, in London, a traveling salesman named Toby plies his ordinary trade, unaware of what destiny has in store for him. When Vargas and Toby cross paths, two very different men will be united by their wild desires and dreams as they set off together on a perilous quest for treasure that could be their salvation or their doom. In the decade preceding the Second World War, the remarkable Geoffrey Household had already won praise far and wide for his ability to add rare depth and intelligence to the
