The Lives Of Roger Casement:

Traitor Or Patriot Denis Gwynn,2013-10 This is a new release of the original 1931 edition **Roger Casement** Angus Mitchell,2014-01-23 A fascinating examination of the extraordinary life of Roger Casement executed as part of the 1916 rising fighting the empire that had previously knighted him Roger Casement was a British consul for two decades However his investigation into atrocities in the Congo led Casement to anti Imperialist views Ultimately this led him to side with the Irish Republican movement leading up to the 1916 rising Arrested by the British for gun trafficking he was incarcerated in the Tower of London and then placed in the dock at the Royal Courts of Justice in an internationally publicised state trial for high treason He was hanged in Pentonville prison on the 3 August two years to the day after Britain s declaration of war in 1914 **Broken Archangel** Roland Philipps,2024-04-04 Pioneering human rights campaigner patriot traitor romantic and martyr Broken Archangel is the life of Roger Casement one of the twentieth century s most complex and compelling figures In 1904 Casement became internationally celebrated for unearthing the grotesque murderous violence of the Belgian Congo Soon after he won even greater renown and a knighthood for his humanitarian work deep in the Amazon jungle But his internal fault lines ran deep neither fully Irish nor English baptised both Protestant and Catholic desperate for love but forbidden intimacy betrayed in his only significant relationship he was of the English diplomatic establishment yet an outsider who fought for Irish nationhood His final act in wartime Berlin a doomed scheme to promote an invasion of Ireland overwhelmed him although his subsequent trial for treason brought him some resolution even as it took him to an unmarked prison grave Compassionate self deluding courageous altruistic and plagued by poor health Roger Casement was a contradictory figure made fallible by contemporary mores and his own powerful unexamined emotions Only decades later did an Irish state funeral finally assert his nobility above his notoriety and only now can we fully understand his surprisingly modern and deeply relevant life and legacy **The Life and Death of Roger Casement** Dennis Gwynn,1934 **The Life and Death of Roger Casement** Denis Gwynn,1934 *Traitor Or Patriot: The Life and Death of Roger Casement* Denis Gwynn,2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work *The Private Lives of Roger Casement* B. L. Reid,1976 *Ireland in Transition, 1867-1921* D. George Boyce,Alan O'Day,2004-07-31 This book explores the efforts made by British governments Irish politicians and Irish cultural organisations to master and shape Ireland in an age of increasingly rapid change and explain the process and outcome of these endeavours **Sex, Power, and Slavery** Gwyn Campbell,Elizabeth Elbourne,2014-12-10 Sexual exploitation was and is a critical feature of enslavement Across many different societies slaves were considered to own neither their bodies nor their children even if many struggled to resist At the same time paradoxes

abound for example in some societies to bear the children of a master was a potential route to manumission for some women

Sex Power and Slavery is the first history of slavery and bondage to take sexuality seriously Twenty six authors from diverse scholarly backgrounds look at the vexed traumatic intersections of the histories of slavery and of sexuality They argue that such intersections mattered profoundly and indeed that slavery cannot be understood without adequate attention to sexuality

Sex Power and Slavery brings into conversation historians of the slave trade art historians and scholars of childhood and contemporary sex trafficking The book merges work on the Atlantic world and the Indian Ocean world and enables rich comparisons and parallels between these diverse areas Contributors David Brion Davis Martin Klein Richard Hellie Abdul Sheriff Griet Vankeerberghen E Ann McDougall Matthew S Hopper Marie Rodet George La Rue Ulrike Schmieder Tara Iniss Mariana Candido James Francis Warren Johanna Ransmeier Roseline Uyanga with Marie Luise Ermisch Francesca Ann Louise Mitchell Shigeru Sato Gabeba Baderoon Charmaine Nelson Ana Lucia Araujo Brian Lewis Ronaldo Vainfas Salah Trabelsi Joost Cot Sandra Evers and Subho Basu

Dead Firms Miguel M. Torres, Virginia Cathro, Maria Alejandra Gonzalez-Perez, 2016-07-05 Why do firms die This volume explores international and cross disciplinary perspectives carrying out a forensic examination of how and why companies die in order to understand the lessons dead firms may have to offer

Embark on a breathtaking journey through nature and adventure with is mesmerizing ebook, Witness the Wonders in **The Lives Of Roger Casement** . This immersive experience, available for download in a PDF format (PDF Size: *), transports you to the heart of natural marvels and thrilling escapades. Download now and let the adventure begin!
