The Long Haul The Life And Times Of The Railway Horse:

The Long Haul Bryan Holden, 1985-01-01 **The Age of the Horse** Susanna Forrest, 2017-05-02 A superb account of the enduring connection between humans and horses Full of the sort of details that get edited out of more traditional histories The Economist Fifty six million years ago the earliest equid walked the earth and beginning with the first known horse keepers of the Copper Age the horse has played an integral part in human history It has sustained us as a source of food an industrial and agricultural machine a comrade in arms a symbol of wealth power and the wild Combining fascinating anthropological detail and incisive personal anecdote equestrian expert Susanna Forrest draws from an immense range of archival documents as well as literature and art to illustrate how our evolution has coincided with that of horses In paintings and poems such as Byron s famous Mazeppa in theater and classical music including works by Liszt and Tchaikovsky representations of the horse have changed over centuries portraying the crucial impact that we ve had on each other Forrest combines this history with her own experience in the field and travels the world to offer a comprehensive look at the horse in our lives today from Mongolia where she observes the endangered takhi to a show horse performance at the Palace of Versailles from a polo club in Beijing to Arlington Virginia where veterans with PTSD are rehabilitated through interaction with horses For the horse addicted a book can get no better than this original cerebral and from the heart The Times London

The Carriage Journal Thomas Ryder, 1985-09-01 The California Cart The Preservation of a Dairy Wagon Carriage Restoration Competition Hungarian Horses in America Work and the Mechanization of the Carriage Industry Long Island Carriage Making The Royal Windsor Horse Show Boris Godunov s Coach Life in the Slow Lane The Carriage Association Driving Marathon Questions Answers Book Reviews Letters to the Editor Driving in the Southern Hemisphere The Carriage Trade Carriage Touring in the Holy City **Lambert's Railway Miscellany** Anthony Lambert, 2010-10-14 The world of the railways weaves a spell over many people In this engaging book railway expert Anthony Lambert presents some of the best stories From the early days come tales of financial skulduggery and worries that sparks from locomotives might ignite sheep s fleeces But as the railway transformed the modern world attitudes changed and railways were opened to great rejoicing and even religious blessing The perennial appeal of the steam locomotive generated a pride amongst railwaymen and a fascination among the public The romantic aspects of the railway were soon celebrated and not just the unexpected engagement that came from a snowbound train in the Highlands or the sexual shenanigans of the Orient Express Here are stories of railway travel from the palatial carriages of tsars and maharajahs to the open trucks of the lower orders mishaps and faux pas and tales of how ticket inspectors used to have to hold on to the outside of carriages while clipping tickets From tales of lonely stations and signal boxes in Scotland to the unlucky engineer eaten by a lion in a carriage in Kenya Lambert casts his net across railways worldwide to gather the most entertaining material There are stories here that would enliven even a cheerless commute on the 18 01 and remind you that our railways really were and occasionally still are full of derring

do romance and character **Coal in Victorian Britain, Part I, Volume 2** John Benson, Quentin Outram, 2024-08-01 Coal is a topic that has been remains and will continue to be of significant interest to those concerned with the causes course and consequences of industrialization and de industrialization This six volume reset collection provides scholars with a wide variety of sources relating to the Victorian coal industry **The Railway Magazine** ,1985 **The Oxford Companion to British Railway History from 1603 to the 1990s** Jack Simmons, Gordon Biddle, 1997 This is the first encyclopedia to chart the progress of Britain s railway development It begins with primitive 17th century wagonways fully considers the eras of horse steam diesel and electric traction and then charts the change from private to public ownership Finally it describes in detail the privatizations of the late 1990s Over six hundred entries by eighty eight expert contributors provide a comprehensive and unique reference to all aspects of railways *The Railway Times ...* ,1857 *British Book News* British Council, 1985 [The Harnessing of Power](#) Maxwell Gordon Lay, 2018-07-27 This book examines how the 19th century s transport legacy of bicycles trains ocean going steamers trucks trams buses and cars arose creating numerous new technologies and markets Nothing like this range of transport changes had occurred before and the 20th century changes were incremental compared with those of the 19th century The book explores where the key transport features came from and why there were so many inventions innovations and inconsistencies The Industrial Revolution was a key part of the process as it had strong links with transport developments This text adopts a broad global perspective but has a strong British orientation as the Industrial Revolution was a process predominantly initiated and implemented in Britain Nevertheless when the Revolution lost momentum Britain began to lose its leadership By century s end France and south western Germany were dominant change makers and the USA was appearing on the horizon The book also highlights the many individual inventors and entrepreneurs who caused the dramatic transport changes and notes that they did this predominantly through individual initiatives to satisfy personal rather than corporate or national goals and that they were often hindered rather than aided by officialdom
