Tony Sharp

The Long Road To Revolution The Hungarian Gulag 1945-1956:

The Long Road to Revolution István Fehérváry, 1989 The gripping story of Fehervary's experiences during eight years as a political prisoner in Communist Hungary A moving testament to the resistance movement before the Revolution of 1956 accounts of arrests interrogations mock trials prison conditions executions Banned in Hungary until 1988 now in its second legal printing *Stalin's American Spy* Tony Sharp, 2014 Compelling Cold War mystery complete with espionage and double crossing agents this narrative sheds light on McCarthyism and Stalin's purges **The Soviet Gulag** Jeffrey S. Hardy, 2023-08-24 A vivid account of the Gulag the Soviet Union's infamous penal system this book charts how Bolshevik visions of a humane alternative to Tsarist exile and Western penitentiaries became a chaotic and violent system of mass incarceration that bore a tragic human toll As the first concise history in the English language *The Soviet Gulag History and Memory* provides an illuminating account of the Gulag from 1917 through to the end of the Soviet Union and the contested memory of the Gulag that persists today Beginning with their conception during the various penal experiments of the 1920s their expansion during the campaigns against perceived enemies of the Soviet regime in the 1930s and their decline in the years proceeding Stalin's death Jeffrey S Hardy explores how many facets of Gulag life endured right up until the collapse of the Soviet Union in 1991 He addresses both the intentions of administrators and the experience of inmates as well as covering the main scholarly debates surrounding these issues Crucially the book also examines the post Soviet era You discover how politicians nongovernmental organizations and Gulag survivors have debated how or even if to commemorate the victims of the Gulag Hardy reveals that despite numerous monuments and museum displays emerging out of these discussions the Gulag's legacy remains hotly contested in Russia today **East Central European Migrations During the Cold War** Anna Mazurkiewicz, 2019-05-06 An extremely useful and much needed survey Over eleven chapters authors from eight countries cover the complex history of migration from the perspective of Central and Eastern Europe between 1945 and 1993 Following in the footsteps of Klaus Bade's *Encyclopedia of European Migrations* the authors make extensive use of sources in national languages while providing an extensive overview of population movements in the region between the Baltic Black and Adriatic Seas The individual chapters shed light on phenomena overlooked in other volumes including individual state reactions to various migratory phenomenon and the political economic and ideological consequences of human movement The chapters of this volume are uniform not only in their informative nature but also in suggesting new pathways for in depth research Adam Walaszek Jagiellonian University Krak w Poland Eastern Europe is an emblematic space of mobility and its Cold War history cannot be told without considering migration from and into the countries of the region This volume comes at a timely moment and provides a uniquely comprehensive account full with useful information for further research It will be a must read both for migration studies scholars and for area specialists Ulf Brunnbauer Leibniz Institute for East and Southeast European Studies Regensburg Germany The Handbook is a gift to students of migration on

three counts It gathers the expertise of scholars fluent in the languages and familiar with the archives of Eastern and Central Europe Thus it brings the multi layered and complex histories of movement beyond the flat descriptor of Soviet bloc or Eastern European migrations The Handbook is both rich and lucid presenting in depth materials on the European twentieth century on one hand and organizing each chapter in a similar way offering the reader transparently comparable histories From Estonia south to Albania and from the USSR west to the GDR each chapter elucidates a complex migration history distinguished by national politics ethnic composition and economics moving from the cataclysmic impacts of World War II to the international migrations and politics of Cold War movement as well as the politics of Cold War emigrants themselves Each chapter ends with an epilogue on post 1989 international migrations and a valuable addendum on published and archival sources Finally the Handbook models the kind of high quality work produced by international scholarly cooperation at its best

Leslie Page Moch Michigan State University Table of contents Introduction Anna Mazurkiewicz Albania Agata Domachowska Baltic States Estonia Latvia and Lithuania Pauli Heikkil Bulgaria Detelina Dineva Czechoslovakia Michael Cude and Ellen Paul Germany Bethany Hicks Hungary Katalin K d r Lynn Poland S awomir ukasiewicz Romania Beatrice Scutaru Ukraine Anna Fi USSR Alexey Antoshin Yugoslavia Brigitte Le Normand Intermarium Marek Jan Chodakiewicz,2017-09-08 History and collective memories influence a nation its culture and institutions hence its domestic politics and foreign policy That is the case in the Intermarium the land between the Baltic and Black Seas in Eastern Europe The area is the last unabashed rampart of Western Civilization in the East and a point of convergence of disparate cultures Marek Jan Chodakiewicz focuses on the Intermarium for several reasons Most importantly because as the inheritor of the freedom and rights stemming from the legacy of the Polish Lithuanian Ruthenian Commonwealth it is culturally and ideologically compatible with American national interests It is also a gateway to both East and West Since the Intermarium is the most stable part of the post Soviet area Chodakiewicz argues that the United States should focus on solidifying its influence there The ongoing political and economic success of the Intermarium states under American sponsorship undermines the totalitarian enemies of freedom all over the world As such the area can act as a springboard to addressing the rest of the successor states including those in the Caucasus Central Asia and the Russian Federation Intermarium has operated successfully for several centuries It is the most inclusive political concept within the framework of the Commonwealth By reintroducing the concept of the Intermarium into intellectual discourse the author highlights the autonomous and independent nature of the area This is a brilliant and innovative addition to European Studies and World Culture

Politics in Color and Concrete Krisztina Fehérváry,2021-12-22 A historical anthropology of material transformations of homes in Hungary from the 1950s o the 1990s Material culture in Eastern Europe under state socialism is remembered as uniformly gray shabby and monotonous the worst of postwar modernist architecture and design Politics in Color and Concrete revisits this history by exploring domestic space in Hungary from the 1950s through the 1990s and

reconstructs the multi textured and politicized aesthetics of daily life through the objects spaces and colors that made up this lived environment Krisztina F herv ry shows that contemporary standards of living and ideas about normalcy have roots in late socialist consumer culture and are not merely products of postsocialist transitions or neoliberalism This engaging study decenters conventional perspectives on consumer capitalism home ownership and citizenship in the new Europe A major reinterpretation of Soviet style socialism and an innovative model for analyzing consumption Katherine Verdery The Graduate Center City University of New York Politics in Color and Concrete explains why the everyday is important and shows why domestic aesthetics embody a crucially significant politics Judith Farquhar University of Chicago The topic is extremely timely and relevant the writing is lucid and thorough the theory is complex and sophisticated without being overly dense or daunting I thoroughly enjoyed reading it Brad Weiss College of William and Mary

Hungary at War Cecil D. Eby, 2010-11 In *Hungary at War* Cecil Eby has compiled a historical chronicle of Hungary s wartime experiences based on interviews with nearly one hundred people who lived through those years Here are officers and common soldiers Jewish survivors of Auschwitz and Bergen Belsen concentration camps pilots of the Royal Hungarian Air Force Hungarian prisoners of war in Russian labor camps and a host of others We meet the apologists for the Horthy regime installed by Hitler and the activists who sought to overthrow it and we relive the Red Army s siege of Budapest during the harsh winter of 1944 45 through the memories of ordinary citizens trapped there Most of the accounts shared here have never been told to anyone outside the subjects families We learn of a woman Ilona Jo who survived in a cellar while German and Russian armies used her house and garden as a battleground and of the remarkable Mer nyi sisters who trekked home to Budapest after being freed from Bergen Belsen Eby has also included a rare interview with a former member of the Arrow Cross Hungary s fascist party that sheds new light on its leadership From these personal accounts Eby draws readers into the larger themes of the tragedy of war and the consequences of individual actions in moments of crisis Skillfully integrating oral testimony with historical exposition *Hungary at War* reveals the knot of ideological economic and ethnic attachments that entangled the lives of so many Hungarians The result is an absorbing narrative that is a fitting testament to a nation buffeted by external forces beyond its capacity to control

The Rebirth of East Europe Michael G. Roskin, 2002 This book is designed to quickly enlighten readers about nature of East Europe Comprehensive and multiperspective yet easy and enjoyable to read it provides an accessible overview of everything that s politically relevant for the region geography political history Soviet occupation Cold War and system collapse Caught between Empires Flunking Democracy The Interwar Years East Europe and World War II The Communist Takeovers The Hated Regimes We Pretend to Work The Decay of Communism 1989 The Gorbachev Factor The Struggle for Democracy The Horrors of Yugoslavia Lessons Hopes Fears For those interested in Eastern European Politics Cold War History Comparative Politics International Relations

Enjoying the Beat of Appearance: An Emotional Symphony within **The Long Road To Revolution The Hungarian Gulag 19451956**

In some sort of consumed by displays and the ceaseless chatter of quick transmission, the melodic beauty and psychological symphony created by the prepared term usually disappear into the background, eclipsed by the relentless noise and disturbances that permeate our lives. However, set within the pages of **The Long Road To Revolution The Hungarian Gulag 19451956** a marvelous fictional prize overflowing with raw thoughts, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, this charming masterpiece conducts readers on a mental trip, skillfully unraveling the hidden tunes and profound impact resonating within each carefully crafted phrase. Within the depths of this emotional analysis, we can explore the book's main harmonies, analyze its enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers' souls.
