The Lord's Table Andrew Murray, 1897

The Lord's Table Andrew Murray, 2014-09-13 On the use of this little volume I would fain say two things which lie upon my heart The first is this that the Christian who desires to make use of it must not be content merely to read and to understand the portion for the day but must take time to meditate upon it and to appropriate it I am convinced that one chief cause why some do not grow more in grace is that they do not take time to hold converse with the Lord in secret Spiritual divine truth does not thus become our possession at once Although I understand what I read although I consent heartily to it although I receive it it may speedily fade away and be forgotten unless by private meditation I give it time to become fixed and rooted in me to become united and identified with me Christians give yourselves give your Lord time to transfer His heavenly thoughts to your inner spiritual life When you have read a portion set yourselves in silence before God Take time to remain before Him until He has made His word living and powerful in your souls Then does it become the life and the power of your life
