The Los Angeles Private School Guide 2004 Edition:

The Los Angeles Private School Guide, 2005 Edition Fiona Whitney, 2004-10 Latest edition of this carefully researched review of over 70 of the top private pre schools elementary middle and high schools in the Los Angeles area Includes a section on public charter schools How to start one and how to get into them Discusses Los Angeles Unified School District's GATE and Magnet programs Helps parents focus on which school will be the best fit for both them and their child economically physically and philosophically Just about everything you've wanted to ask about a school all in one single book **Making**

Housing Happen, 2nd Edition Jill Suzanne Shook, 2012-09-19 The growing housing crisis cries out for solutions that work As many as 3.5 million Americans experience homelessness each year half of them women and children One in four renters spends more than half of their income on rent and utilities more than 30 percent is considered unaffordable With record foreclosures and 28 percent of homes underwater middle and low income homeowners are suffering Many congregations want to address this daunting problem yet feel powerless and uncertain about what to do The good news is that churches are effectively addressing the housing crisis from Washington State to New York City where an alliance of sixty churches has built five thousand homes for low income homeowners with virtually no government funding or foreclosures This book not only presents solid theological thinking about housing but also offers workable solutions to the current crisis true stories by those who have made housing happen Each story features a different Christian denomination geographic area and model adaptive reuse cohousing cooperative housing mixed income mixed use inclusionary zoning second units community land trusts sweat equity and more Making Housing Happen is about vision and faith relationships and persistence Its remarkable stories will inspire and challenge you to action This new edition includes significant new material especially in light of the ongoing mortgage crisis **The Praeger Handbook of Faith-Based Schools in the United States, K-12** Thomas C.

Hunt, James C. Carper, 2012-08-06 Exploring a subject that is as important as it is divisive this two volume work offers the first current definitive work on the intricacies and issues relative to America's faith based schools The Praeger Handbook of Faith Based Schools in the United States K-12 is an indispensable study at a time when American education is increasingly considered through the lenses of race ethnicity gender and social class With contributions from an impressive array of experts the two volume work provides a historical overview of faith based schooling in the United States as well as a comprehensive treatment of each current faith based school tradition in the nation The first volume examines three types of faith based schools Protestant schools Jewish schools and Evangelical Protestant homeschooling The second volume focuses on Catholic Muslim and Orthodox schools and addresses critical issues common to faith based schools among them state and federal regulation and school choice as well as ethnic cultural confessional and practical factors Perhaps most importantly for those concerned with the questions and controversies that abound in U.S. education the handbook grapples with outcomes of faith based schooling and with the choices parents face as they consider educational options for their children

Public Private Partnerships in Education Susan Robertson,Karen Mundy,Antoni Verger,2012-01-01 Far from simply being a form of cost sharing between the state and the market PPP has been celebrated by some and condemned by others as the champion of change in the new millennium This book has been written by the best minds in education policy political economy and development studies They convincingly argue that public private partnership represents a new mode of governance that ranges from covert support of the private sector vouchers subsidies to overt collaboration with corporate actors in the rapidly growing education industry The analyses are simply brilliant and indispensable for understanding how and why this particular best worst practice went global Gita Steiner Khamsi Columbia University New York US This insightful book brings together both academics and researchers from a variety of international organizations and aid agencies to explore the complexities of public private partnerships PPPs as a resurgent hybrid mode of educational governance that operates across scales from the community to the global The contributors expertly study the different types of partnership arrangements and thoroughly critique the value of PPPs Some chapters explore how PPPs as a policy idea have been constructed in transnational agendas for educational development and circulated globally whilst other chapters explores the role and implications of PPPs in developing countries providing arguments for and against an expanding reliance on PPPs in national educational systems The theoretical framing of the book draws upon leading theories of international relations to develop a unique perspective on the global governance of education It will prove insightful for both scholars and policymakers in public policy and education

With the Best of Intentions Frederick M. Hess,2005-01-01 Bringing together a mix of researchers and practitioners *With the Best of Intentions* examines the major goals of recent philanthropic efforts and looks at some of the key lessons for educators philanthropists policymakers and community leaders of philanthropic contributions to schools and school systems From the Gates small school initiative to the Annenberg challenge to the Broad prize for urban education philanthropic giving has played an increasingly prominent role in recent years in education reform efforts across the United States Yet while we recognize that philanthropic organizations influence education in countless ways we know strikingly little about the extent dynamics and results of their efforts This lack of knowledge calls out for urgent attention of total K 12 spending it has a disproportionate impact in shaping reform agendas and promoting cutting edge efforts to improve schools and classrooms *With the Best of Intentions* aims to fill this gap offering lively perspectives on the role of philanthropy in K 12 education It opens by surveying the current landscape in philanthropic giving to education then examines the major goals of recent philanthropic efforts building new schools

supporting troubled districts promoting school choice and advancing educational research and policy The book concludes by looking at some of the major lessons for educators philanthropists policymakers and community leaders of philanthropic contributions to schools and school systems An informative and multifaceted volume With the Best of Intentions is also full of debates and controversies It will be of interest to scholars policymakers and education and community leaders as well as to the philanthropic community itself
