The Lost Light Divya Bharti, 2018-09-27 Being a candle is not easy in order to give light one must first burn Rumi Every child in the world deserves a great childhood right Although Diya did have a childhood it wasn't really the one we imagine for our children Growing up in an Indian household she was taught from a young age that family was everything and it did not matter if they were your cousins they were still like your own siblings But as Diya was growing up she found this was not the case and the more she ignored everything around her the more perplexed she became about herself and who she was We all have tough times in our lives and life at times can be a confusing roller coaster but it is a matter of knowing who we are from within and trusting the true voice within us all Diya is now finding this out and she hopes to be an inspiration for many others just as she was inspired and encouraged to write her story and share it with others This is based on a true story All characters are real but for privacy all names have been changed *The Lost Light: An Interpretation of Ancient Scriptures* Alvin Boyd Kuhn, 2021-11-09T22:55:00Z Kuhn contended that the Bible derived its origins from other Pagan religions and that much of Christian history was pre extant as Egyptian mythology He also proposed that the Bible was symbolic and did not depict real events and argued that the leaders of the church started to misinterpret the bible at the end of the third century These controversial ideas outside of mainstream history and theology are rejected by most pre eminent scholars but many including Tom Harpur and John G Jackson were influenced by the works of Kuhn Harpur even dedicated his best selling 2004 book *The Pagan Christ* to Kuhn calling him a man of immense learning and even greater courage and one of the single greatest geniuses of the twentieth century who towers above all others of recent memory in intellect and his understanding of the world's religions *White Lies, Black Truth, The Lost Light* Jacie Rowe III, 2020-10-01 *White Lies Black Truth The Lost Light* By Jacie Rowe III 93% of Black homicide is Black on Black killings 6 000 Blacks killed by other Blacks 2015 in U S From 1976 2005 94% Black Killings were by other Blacks From 1976 2014 is estimated that 198 288 Blacks killed by Blacks on average 5 218 per year Houston Black Toddler killed by stray bullet R I P Jordan Allen Jr 102 Black people shot 14 killed in Chicago over Father's Day weekend June 2020 They talk about the police killing innocent people but they are killing our citizens they are killing each other Amaria 13YO Black girl killed by stray bullet in Chicago R I P Tamara Collier 24 YO Black lady killed by stray bullet R I P 8 YO Mekhi James R I P killed by stray bullet in Chicago 8 YO Rodgerick Payne Jr R I P killed by stray bullet Chicago 75% of people murdered are Black 71% of those murders are by other Blacks Charlotte NC 100 bullets fired in to a block party crowd where 4 Blacks were killed and 10 injured Black on Black crimes are across the U S Detroit murderers Cleveland murderers Atlanta murderers Miami murderers LA murderers NY murderers Louisville murderers Milwaukee murderers Compton murderers etc Wake up Black people *White Lies Black Truth The Lost Light* is an informative piece providing spiritual strength and faith of a higher power uplifting a chosen people the descendants of Israel to encourage them to come back to their GOD laws and live peacefully with all man The story is interesting because the
