Sir Arthur Conan Doyle (1859-1930) is known the world over as the creator of the famous consulting detective Sherlock Holmes. To a lesser extent, his irascible Professor Challenger is known to generations of readers. *The Lost World* is one of Conan Doyle's best known novels, a tale of adventure on a remote plateau deep in the Amazonian jungle where steep cliffs on all sides have isolated life atop the plateau from the rest of the world for eons. Professor Challenger and his company of intrepid adventurers make their way into Conan Doyle's *Lost World* only to find themselves exposed to dangers they could never have anticipated, even if they had really believed Challenger's claims of the wonders to be seen in the mysterious isolated world he had described. Challenger himself had reached the threshold of the plateau on a previous adventure, but even he is not prepared for what awaits in the land above the cliffs where prehistoric creatures even more astonishing than the dinosaurs he predicted lurk in the dense forests.

Conan Doyle's tale has been a perennial favorite with readers since it first appeared one hundred years ago, inspiring several film versions along with television programs, cartoons, and comic books, some faithful to the story and some only loosely based on it.

The Lost World Arthur Conan Doyle, Sir, 2018-03-29

Long before Michael Crichton's high tech dinosaurs roamed the bestseller lists, Sir Arthur Conan Doyle envisioned an isolated land of prehistoric life that exists in the 20th century. When Ed Malone, a hotheaded journalist with an insatiable thirst for adventure, is sent to interview the notorious Professor Challenger, he manages to charm his way onto the great man's expedition. Challenger leads the four-man team to a South American jungle on an isolated plateau cut off from the rest of the world by vast perpendicular cliffs. Here in this lost world linger strange prehistoric creatures long extinct elsewhere: terrifying dinosaurs, huge pterodactyls, and a vicious ape man. A fast-moving tale of action and adventure, *The Lost World* is one of the original fantasy novels. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work which deserves to be brought back into print after many decades.
