The Love Child:

The Love Child's Revenge Nicole Bailey Williams,2008-10-07 Shy and awkward ruthlessly ridiculed by other children and carelessly treated by adults Claudia Fryar flees her hometown of Philadelphia after her father's death But years of shame and silent suffering as the love child of the respected and married Louis Harrison finally come to a raging boil when Harrison's jealous widow cheats Claudia out of her inheritance Twice scorned Claudia transforms herself into Peach Harrison bold beautiful and sinister Now a successful newscaster Peach makes a triumphant return to Philadelphia to the welcoming arms of those who once cast her aside But as Peach puts her big payback scheme into action she realizes that revenge comes with some serious costs of its own *THE LOVE-CHILD* Kathryn Ross,2011-07-15 NANNY WANTED Prominent author Pearce Tyrone seeks nanny to care for adorable baby girl Must be experienced and discreet Must also be utterly trustworthy and have no connections with the press Unfortunately Cathy Fielding didn't comply with any of the required criteria but she wasn't going to let a little thing like that stop her An enthusiastic reporter Cathy was determined to uncover once and for all whether baby Poppy was really Pearce Tyrone's love child But what Cathy didn't reckon on was her growing and unprofessional interest in the man himself *The Love Child* Rachel Hore,2021-06-08 Brilliantly evoking the changing attitudes of the time *The Love Child* is a novel about love family separation despair and hope full of tenderness and deep feeling A young mother's sacrifice A child's desperate search for the truth London 1917 When nineteen year old Alice Copeman becomes pregnant she is forced by her father and stepmother to give up the baby She simply cannot be allowed to bring shame upon her family But all Alice can think about is the small kitten like child she gave away and she mourns the father a young soldier so beloved who will never have the chance to know his daughter Edith and Philip Burns a childless couple yearn for a child of their own When they secretly adopt a baby girl Irene their life together must surely be complete Irene grows up knowing that she is different from other children but no one will tell her the full truth Putting hopes of marriage and children behind her Alice embarks upon a pioneering medical career striving to make her way in a male dominated world Meanwhile Irene struggles to define her own life eventually leaving her Suffolk home to find work in London As two extraordinary stories intertwine across two decades will secrets long buried at last come to light The Love-child Edith Olivier,1927 The Lovechild Ashea S. Goldson,2013-06-20 Makaeli Lovechild Hunt a successful fashion designer struggles with her own spirituality and bi racial identity until a family emergency forces her to face her tumultuous past In seven life altering days she discovers what forgiveness really means Amidst crises painful enough to make her turn her back on God forever she learns what it means to be God's lovechild **The Love Child** Eileen Townsend,1990 **The Love-child** Edith Olivier,1951 *Love Child* Sue Elliott,2012-09-30 Adoption is one of the great untold stories of our recent past It is a truly epic tale of loss guilt identity family feuds reunion and redemption It is a subject until very recently surrounded by secrecy and taboos This is the heart warming true story of a little girl's adoption in the 1950s and her search

nearly forty years later for her birth mother When mother and daughter meet Sue thinks she has finally reached the end of her journey Then Sue discovers she wasn't the only baby her mother gave away Weaved throughout is the vivid emotional history of adoption in the UK Drawing on a wide range of intimate personal experiences it outlines the forces that shaped 20th century adoption practice from baby farming the stigma of illegitimacy incest and the bastardy laws to children taken by force the Magdalene laundries mass emigration schemes without parental consent to modern day adoption practices buying babies from abroad sperm donor fathers and tearful reunions on Trisha

Charles Dickens's Secret Lovechild Brian Ruck, 2025-10-30 For nearly a century the relationship between Charles Dickens and Ellen Ternan has been viewed through the lens of scandal defined by rumours of a hidden love affair But what if history's assumptions are wrong This groundbreaking analysis dares to ask a question that no biographer has ventured to explore could Ellen Ternan have been Dickens daughter Examining Dickens's letters and his works from *Oliver Twist* through to *Edwin Drood* this book provides the first comprehensive look at the possibility of a filial bond between the two Unlike previous biographers who have focused on the years after 1857 Brian Ruck traces Ellen's potential impact on Dickens life and relationships from her earliest days casting new light on his increasingly strained marriage to Catherine Dickens Through careful reinterpretation of existing material the author uncovers a plausible and previously unexplored explanation that challenges the prevailing narrative This thought provoking work does not claim new evidence but offers a rigorous alternative interpretation of Dickens life one that weighs the probabilities and presents a fresh hypothesis grounded in literary analysis
