The Love Inside:

My Love Story Marty Cole, 2018-06-09 Marty's second book **My Love Story Book of Poetry** will move touch and inspire you to find your creative self through his wisdom. He wrote 110 poems in three months feeling an extraordinary waterfall of energy flowing through him that was channeled from spirit. The book is divided into six areas of life: love, inspiration, gratitude, wisdom, joy, and peace. By reading this book, you will understand the meaning of life and find the purpose of why you are here and what it's all about. **My Love Story Book of Poetry** is all about love. The book will give you a road map of experiences to teach you to go deeper into your life to have the most creative life possible. What this book is really telling you is to have fun in your life. It's all about having fun. Whatever negative experiences we all have had, turn them into a positive lifestyle for yourself. We all have a choice: come from love or come from fear. Please spread love to yourself and others. Love, blessings, and gratitude. Marty Cole

The Love-Powered Diet Victoria Moran, **The Power of Love** Lori Foster, Erin McCarthy, Toni Blake, Lucy Monroe, LuAnn McLane, 2008-06-03 Twelve all new stories of women's resilience, empowerment, and fulfillment by bestselling and award-winning authors. In this engaging anthology of never before published stories, twelve authors are united by their unique visions of the female experience. A young woman is torn between the security of her fiancé and the excitement of an old flame; a desperate wife is forced into the workplace for the first time in her life; an ambitious professional woman finally finds the courage to take control of her career; and her man, an emotionally fragile divorcee, finds resolve in the ethereal visitations of an archangel. These are just some of the women who discover and rediscover their own wonderfully fallible but ultimately strong selves in the shadow of love: romantic love, platonic love, new love, and lost love. Readers will be touched, inspired, charmed, and entertained by these original stories of disparate longings, unsettled lives, and the power of love. Includes 12 stories by New York Times Bestselling Author Lori Foster and Erin McCarthy, Toni Blake, Dianne Castell, Karen Kelley, Rosemary Laury, Janice Maynard, LuAnn McLane, Lucy Monroe, Patricia Sargeant, Kay Stockham, and J. C. Wilder. A PORTION OF THE PROCEEDS FROM THE POWER OF LOVE GOES TO THE BATTERED WOMEN'S SHELTER OF CINCINNATI.

God's Love Barry Gaddis, 2019-09-20 It has been amazing to watch how God has transformed Barry from a non-believer to a sold-out on fire believer over the 3 years I have known him. Barry is a true today Saul to Paul example. As I have read his inserts for his book, I have been overwhelmed by the Jesus that now lives in him. This book will change your thinking and challenge you on how deep is your walk with God. Barry is truly living with Jesus in him and not on him. May God continue to bless his work. Pastor Bill. This answers questions that we have as a young Christian. You can actually see God's hand in these writings. Written by a man that after 40 years of living the way of the world as an addict, he found his way to God, Jesus, and the Holy Spirit. This is his thoughts, questions, opinions, and some are conversations with the Lord. Very inspirational. Will definitely help those coming to know Christ, God's way, and his love. **In Focus**, 1980 *Streisand* Anne Edwards, 2016-02-15 *Streisand* A Biography is much more than the story of the world's greatest living performer; how she got there and why she

remains at the top after three decades it is also in Anne Edwards's sure hands a compelling chronicle of a woman's fight to validate her appearance her talent and her right to love and be loved Time and time again Streisand has demonstrated the ability to reinvent herself to keep pace with the continuing changes in musical taste This updated edition of Edwards's pioneering biography chronicles her public life as a political activist as well as her private life as Mrs James Brolin **Ten Golden Rules for Living in This Crazy, Mixed-Up World** Donna Fargo,2006 Written as a guide for how to maintain a healthy happy lifestyle in today's fast paced and ever changing times this book sets the tone for enjoying life's blessings Grammy Award winning singer songwriter Donna Fargo inspires readers to embrace their uniqueness and appreciate the positive difference they can make every day in their own lives and in the lives of others **Just Love** Sri Swami

Vishwananda,2012-05-08 JUST LOVE contains everything the entire universe It describes a Love that has been addressed before after all there is essentially nothing new to add to the wisdom of the Holy Scriptures of both East and West yet the way this Love is addressed is new and speaks to us at the beginning of the 21st century in a way that touches us deeply JUST LOVE is expressed by someone who not only knows about the all pervading all sustaining Divine force that forms the creation of the Universe but who is completely one with it JUST LOVE is the first major book written with words directly from Sri Swami Vishwananda It contains a collection of 52 talks expressed by a fully realized soul to enable each and everyone to attain the Divine Light in a simple way Sri Swami Vishwananda's message is simple Just Love Yes just love Love is all there is Love is all you have to do the rest will take care of itself **Giving Birth to your Promise** Stefan Lakhichand,2020-07-02

Everyone has a promise inside of them God has created each and every person for a purpose to fulfill on the earth The Bible also calls it a treasure in earthen vessels Think about it as a treasure chest filled with diamonds and other precious stones probably worth billions However if the chest remains closed the content can never be accessed and it is in fact worthless Inside of you God has hidden such a treasure chest The problem is that most of us don't even realize that treasure is there Can you imagine what would happen if all God's children start opening their treasure chest or in other words have their promise birthed That would be transformational In this book we look at the life of Hannah She was the mother of Samuel who was dedicated to live for God Of course we all know Samuel as an amazing prophet who anointed Saul and David as King But what we often do not realize is that the characteristics of his mother initiated his ministry And I believe that we can learn a great deal from Hannah so we can also be sons and daughters of God giving birth to the next promise for the earth **Birth of the Phoenix** Harriett B. Varney Miller,2010-02-02 Birth of the Phoenix is a poignant yet gallant story of a woman whose marriage is filled not with love but infinite pain and agony Beth thought that her marriage to Jeff would save her from being alone after her parents death Little did she know that Jeff would become her worst nightmare and her marriage would be her greatest and most painful sacrifice On the surface people would think she has everything that she wanted However in reality she was like a pincushion that was constantly poked with pinches punches harsh words evil looks insults and hostility In short

she was an abused wife until a near death incident changed everything From living in a hell like marriage with every moment with Jeff filled with nothing but fear and pain Beth will reclaim her own life She will experience rebirth and emerge as an empowered woman who will fight for her rights and the safety of her child free from Jeff s hostility Her battle in court against him has just begun Will Beth triumph against Jeff and will she be able to find true love Through Birth of the Phoenix readers will discover the essence and value of a woman and will understand the real meaning of a wife It is a realistic portrayal of a womans complex life which will empower women to fight for their rights and emerge as confident brilliant and powerful Giving out insights on womens rights this powerful book will make a difference in every womans life Ms Miller has gifted us with an authentic glimpse of not only the suffering but how victims of all kinds of abuse can heal and transform themselves creating new lives that surpass their expectations This novel will inspire and encourage women everywhere to find their power and take control of their lives I couldnt put it down Robin Conrad Family Violence Advocate The Jeanne Geiger Crisis Center
