The Love We Share:

The Love We Share Aisha, 2019-01-28 Nila Rose is James Grey's PA of five years. She's the perfect PA as she's always on time, completes her tasks, and doesn't have to be told what to do more than once. After completing her studies, she has applied for a job as James's PA so she can gain experience in the field of work, but after five years of knowing James, she can't seem to leave. James Grey has it all: the looks, the money, and the brains. Men want to be him, and women want to be with him. However, James only has eyes for a particular Trinidadian woman who is also his PA. James has done something that breaks Nila's heart. One night, things have happened between them, and Nila is now carrying his child. James has a secret that puts both Nila and the baby in danger. The Love We Share Without Knowing Christopher Barzak, 2008-11-25 In this haunting, richly woven novel of modern life in Japan, the author of the acclaimed debut *One for Sorrow* explores the ties that bind humanity across the deepest divides. Here is a Murakamiesque jewel box of intertwined narratives in which the lives of several strangers are gently linked through love, loss, and fate. On a train filled with quietly sleeping passengers, a young man's life is forever altered when he is miraculously seen by a blind man. In a quiet town, an American teacher who has lost her Japanese lover to death begins to lose her own self. On a remote road amid fallow rice fields, four young friends carefully take their own lives, and in that moment, they become almost as one. In a small village, a disaffected American teenager stranded in a strange land discovers compassion after an encounter with an enigmatic red fox, and in Tokyo, a girl named Love learns the deepest lessons about its true meaning from a coma patient lost in dreams of an affair gone wrong. From the neon colors of Tokyo with its game centers and karaoke bars to the bamboo groves and hidden shrines of the countryside, these souls and others mingle, revealing a profound tale of connection, uncovering the love we share without knowing. Exquisitely perceptive and deeply affecting, Barzak's artful storytelling deftly illuminates the inner lives of those attempting to find or lose themselves in an often incomprehensible world. **How the Hell Did We Get Here?** Wini Mgidi, 2013 Do not be deceived: racism is still brewing in South Africa. The author shares about how she experienced firsthand rejection when she fell in love with a white man. In spite of being a sought-after career woman, she was unequivocally rejected because of the colour of her skin. When love finds a grown-up black village girl and white farm boy, nothing can be the same again. The seemingly unlikely online connection transforms their lives, that of their children, and the unborn generations within them. The tone is honest. The author dares to ask questions that are often sidetracked and raises the alarm. Her unpretentious pitch is most captivating and allows for the reader to connect with her. She uses some of her most intimate and discreet encounters to relay a story that is not a story at all. If you found an open journal, would you read it? Greatness resides within you. Don't wait for others to acknowledge it. Recognize it and run with it. Wini Mgidi. Only a few people could guess that the prominent woman standing accomplished and still soaring today came from the humble, ashy streets of rural Mpumalanga. Her less privileged past is the very same.

thing that gives her hope and confidence Ambitious and determined to grasp whatever she sets her mind into she is a young well travelled person with visions not only set on international benchmarks but are often surpassed by her inner drive and relentless pursuit to see them materialise before her
