drinking images may seem like an anomalous notion but since antiquity in the European and Mediterranean worlds people have swallowed down frescoes icons engravings eucharistic hosts stamped with images heraldic wafers marzipan figures and other sculpted dishes Either specifically made for human consumption or diverted from their original purpose so as to be ingested these figured artifacts have been not only gazed upon but also incorporated taken into the body as solids or liquids How can we explain such behavior Why take an image into one's own body devouring it at the risk of destroying it consuming rather than contemplating it wisely from a distance What structures of the imagination underlie and justify these desires for incorporation What are the visual configurations offered up to the mouth and what are their effects What therapeutic religious symbolic and social functions can we attribute to these forms of relations with icons These are a few of the questions raised in this investigation into iconophagy Iconophages aims to retrace for the first time the history of iconophagy J r mie Koering examines this unexplored facet of the history of images through an interdisciplinary approach that ranges across art history cultural and material history anthropology philosophy and the history of the body and the senses He analyzes the human investment in terms of culture and imagination at stake in this seemingly paradoxical way of experiencing images Beyond the hidden knowledge unearthed here these pages bring to light a new way of understanding images just as they illuminate the occasionally outlandish relations we maintain with them **A Royal Christmas Wish**

Automaiton_Book2 Sneha,2020-03-02 Sample **A Clear Premonition** Raleigh Trevelyan,1995-03-30 An insightful collection of WWII correspondence between a British lieutenant his mother with commentary by his best friend and fellow soldier Tim Lloyd was aged twenty two a lieutenant in the Rifle Brigade when he was killed in action near Florence in July 1944 His personality made a vivid impression on his companions and after all these years he is remembered still for his extraordinary zest for life his indomitable cheerfulness and his appreciation of beautiful things If he had lived he might well have joined the famous publishing firm of his brother in law Sir William Collins but more likely he would have been a theatre designer possibly a great one He was also brave though his period at the front line was brief Raleigh Trevelyan a year younger regarded him as his best friend It was a shock when Tim s nephew Samson Lloyd showed Raleigh Tim s letters to his

mother when they were together in North Africa and Italy For the first time Raleigh reread extracts from his own diary and found himself plunged into memories he hoped he had put to rest Tim had been ill in Italy so missed being sent to Anzio Beachhead the subject of Raleigh's much praised and harrowing battle memoir The Fortress and also part of his later book Rome 44 Meanwhile Tim continued his letters to his mother outstanding not only in their descriptions of landscape and people but as an example of a son's deep devotion Sue Ryder who had first met Tim on the boat to South Africa was convinced that he had a clear premonition of what lay in store Based on his letters to Mrs Lloyd the book traces his childhood at Repton his passion for the theatre and his marionette shows in ENSA also life in the ranks and wild times in London after being commissioned
