The Little Book of Modern Verse Jessie B. Rittenhouse, 2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *THE LITTLE BOOK OF MODERN VERSE* JESSIE B. RITTENHOUSE, 1917 **The Little Book of Modern British Verse** Jessie Belle Rittenhouse, 1924

The Little Magazine Others and the Renovation of Modern American Poetry Suzanne W. Churchill, 2017-03-02 Suzanne Churchill's well researched and superbly crafted study is the first book length treatment of Others an important and neglected little magazine that served as a laboratory for modernist poetic experimentation In discussions of influential poets such as Mina Loy Marianne Moore and William Carlos Williams whose careers Others helped launch Churchill counters the notion of Modernism as aesthetically self isolating and socially disengaged Rather she traces a correspondence between formal innovation and social change in American modernist poetry and argues that this dimension of modernist formalism is lost when poems are studied in isolation Others provides a framework for reassessing the scope and significance of modernist formalism The little magazine not only anchors modernist poetry in a social context but also leads to new insight into major modernist texts Churchill's commitment to her subject's broad cultural contexts makes her book important for students and teachers of Modernism as well as for those working in the fields of American poetry and poetics gender studies queer theory periodical studies and cultural studies **The Little Book of American Poets, 1787-1900** Jessie Belle Rittenhouse, 1915 **The Little Book of Modern Verse** Jessie Belle Rittenhouse, 1913 **The Second Book of Modern Verse** Jessie Belle Rittenhouse, 1919 *Everyday Reading* Mike Chasar, 2012 Exploring poetry scrapbooks old time radio show recordings advertising verse corporate archives and Hallmark greeting cards among other unconventional sources Mike Chasar casts American poetry as an everyday phenomenon consumed and created by a vast range of readers He shows how American poetry in the first half of the twentieth century and its reception helped set the stage for the dynamics of popular culture and mass media today Poetry was then part and parcel of American popular culture spreading rapidly as the consumer economy expanded and companies exploited its profit making potential Poetry also offered ordinary Americans creative emotional political and intellectual modes of expression whether through scrapbooking participation in radio programs or poetry contests Reenvisioning the uses of twentieth century poetry Chasar provides a richer understanding of the innovations of modernist and avant garde poets and the American reading public's sophisticated powers of feeling and perception *Anthology of Magazine Verse* William Stanley Braithwaite, 1925 Vol for 1958 includes *Anthology of poems* from the seventeen previously published Braithwaite anthologies **The Second Book of Modern Verse** Jessie B. Rittenhouse, 2025-08-31 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to

preserve their cultural heritage
