Simmons, 2023-03-21 Who would have thought that one of the most popular childhood toys held so many of life's answers In The Little Red Wagon prolific business leader and public servant Ron Simmons invites you to leave ordinary behind and glide into the richly meaningful life you were intended to live From his humble beginnings in the rural South to the heights of influence as an entrepreneur finance executive and three term member of the Texas House of Representatives Simmons mines the depths of his triumphs and travails to provide a wealth of applicable insights Whether you're out front holding the wagon's handle shifting the direction from inside riding along as cargo or pushing from the rear the place you occupy will set your course toward more of the same or to bold adventure Simmons has learned that it isn't a lack of talent or ability that often holds us back It's the lure of the safe comfortable path that threatens to keep us stuck in a rut of fear and negativity speeding along with no clear destination or passively catching a ride instead of taking initiative and action Filled with winsome stories and hard won lessons The Little Red Wagon will inspire you to Escape a drifting copy and paste life and embark on real adventure Take the next uncomfortable step on your journey from settling to soaring Recognize when to pivot to positions that move your wagon forward Dream big and pursue your dreams with passion purpose and a plan The Little Red Wagon is certain to take you places that will change your outlook and your life

There Is a Way William M Davenport,2007-08-30 Roger King and Russell Queen died under mysterious circumstances during a bitter labor dispute between the labor union and the railroad company's scab workers The King and Queen families each believed that their loved one had been murdered by the other For that reason the surviving Kings and Queens vowed to maintain the strikes de facto feud in their Railroad Street neighborhood Both Ben Knight and wife Clara lost their health while Vince the youngest of their ten children was still in diapers As a consequence the frail sickly child was being raised by siblings Vines preteen years were spent in an isolated area of Eastern North Carolina There according to Ben his youngest son had been spoiled pampered and doted upon almost to the point of ruination Increasing medical bills and the prospect of better paying jobs caused the family of Knights to move to a tough inner city neighborhood during the winter of 1940 Ben Knight believed that Railroad Street's toughness was exactly what his youngest son needed to shape him into a real man Ben rightly predicted that book worms and sissy pants would be hard to find in a tough neighborhood like Railroad Street That prediction turned out to be correct To Ben Knight's horror however mothers from both sides of the Royal Feud fell in love with his son because he possessed those exact didactic characteristics Historians claim that during World War II America became more united than at any other time before or since It turned out that a mere mortal held a secret that could turn Railroad Street into an analogous part of America's most memorable era However only divine intervention was going to convince Ben Knight that his son had become the tenth star in his heavenly crown
