The Living Ganga:

The Living Ganga K. S. Bilgrami, 1991 **Living on the Ganges River** Louise Spilsbury, Richard Spilsbury, 2008 An introduction to daily life in India THE SLEEPWALKER'S LULLABY Dr Sohil Makwana, 2024-08-01 Within the shadows of a secluded manor a mysterious figure lurks A gifted psychiatrist grapples with enigmatic patients A tenacious lawyer unravels the web of secrets A diligent inspector hunts for clues amidst the chaos Wives friends and patients entangled in a sinister game Murder A vanishing act A rare psychological disorder holds the key A strange side effect of medication induces sleepwalking Who emerges as the hero Who is the true villain What dark motive drives these intertwined destinies Testimonials Clubbing the art of science and the science of art Dr Sohil is hailed to be the Stephen King of India Mid day Absolutely Compelling Dr Sohil Makwana tells an untold tale India Today Dr Sohil s knowledge as a doctor lends the immediacy of treating patients to his writing the medical fiction but it is his richly detailed storytelling and humour captivates his readers International Business Times Dr Sohil Makwana sets a new benchmark The Tribune Dr Sohil Makwana Don t be surprised if you see this name on the silver screen anytime soon The New Indian Express **Nuclear Bomb In Ganga** RK Yadav, 2023-01-10 The name of this book Nuclear Bomb in Ganga sounds fearsome But it is a hard fact which has to be brought in black and white for the safety of millions of Indians who consider the river Sacred Ganga or the Ganges as their mother After China detonated its first nuclear test on May 1964 at Lop Nor the USA was keen to keep track of further nuclear designs of Communist China in this region The CIA teamed up with the Indian Intelligence Bureau IB to install a Nuclear Device on Nanda Devi Mountain to monitor further detonations by China in Lop Nor across the Himalayas Inclement weather during the installation mission forced the team involved in the expedition to hide the nuclear powered device in a ledge around 2000 feet below the installation point of the Nanda Devi Mountain When the recovery team of Indian climbers was sent in October 1966 to retrieve the equipment they found it missing in the glaciers due to avalanches The CIA and Indian Intelligence maintained an eerie silence about the missing device until it was exposed by an American magazine on 12 April 1978 The then Prime Minister of India Morarji Desai briefed the Parliament on 17 April 1978 about the missing device and appointed a committee of scientists to investigate this issue *Protect the Living World on our Mother Earth* Vidyanand Ranade, 2025-03-17 Achieving Food Water Security to the underdeveloped countries restoration of the heavily polluted rivers in the developing and underdeveloped countries and actions by all countries of the world to limit adverse impacts of the Climate Change within safe limits are the imminent needs before the Living World All countries would have to come together to disperse dark clouds of these catastrophic calamities looming large on the horizon before they overshadow our living world Role of developed countries and countries with emerging economies is most vital in this respect If these countries treat themselves as a part of the World Family in guiding and assisting their weak younger brothers to gain strength all problems before the family would be solved Let us hope that wisdom would prevail and we would save our Living World from leading to

the man made Holocene mass extinction **Swami Vivekananda, the Living Vedanta** Chaturvedi Badrinath,2006 In the course of a short life of 39 years Swami Vivekananda came to be regarded as the patron saint of modern India This text examines the various facets of a man who was as much at ease with philosophical discourse as he was with cooking whose childlike love for ice cream went hand in hand with his stature as a prophet **Our National River Ganga** Rashmi Sanghi,2013-11-12 There is a plethora of information available on the river Ganga in the form of books blogs articles websites videos Unfortunately most of the information about this famous river is in a scattered form and reproduced from unverified sources This contributed volume is the first multi author volume publication on this subject The River Ganga includes a vast array of topics written by several authors of distinction Topics include hydrology tributaries water uses and environmental features such as river water quality aquatic and terrestrial flora fauna natural resources ecological characteristics sensitive environmental components and more Part I gives a basic introduction of the Ganga river The existing data and available information from various sources has been compiled in a pictorial fashion in the form of maps Its cultural importance with changing times is also discussed Part II looks at the rich biodiversity of the Ganga Basin It gives a detailed description of the major floral and faunal biodiversity with special emphasis on the national aquatic animal dolphin and Sunderbans the largest mangrove wetland in the world Part III examines The Ganga Water as it flows It focuses on the water quality as well as its associated challenges Part IV looks at the complexities of issues confronting the river Ganga in changing times be it snowmelt runoff river bank erosion hazards and hydropower assessments how the factors of population poverty and pollution contribute to the fate of the river Part IV touches on economic aspects derived from the river such as business opportunities and tourism The Ganges Vishwambhar Prasad Sati,2021-08-07 The Ganges Cultural Economic and Environmental Importance is a geographical cultural economic and environmental interpretation of the Ganga River The Ganga River originates from Gaumukh situated in the high Himalaya flows through the world s biggest fertile alluvial plain and inlets into the Bay of Bengal at Ganga Sagar It makes a unique natural and cultural landscape and is believed to be the holiest river of India The Hindus called it Mother Ganga and worship it The towns cities situated on its bank are world famous and are known as the highland and valley pilgrimages The water of the Ganga is pious and the Hindus use it on different occasions while performing the rituals and customs This book is unique because no previous study which presents a complete and comprehensive geographical description of the Ganga has been composed This book presents the historical and cultural significance of the Ganga and its tributaries Empirical archival and observation methods were applied to conduct this study There are a total of 10 chapters in this book such as Introduction the Ganga Basin Geography of the Ganga Basin the Ganges System Ganga and its Tributaries Ganga between Gaumukh and Uttarkashi the Major Cultural Towns Major Fairs and Festivals Economic Significance of the Ganga Environmental Issues and Conclusions The contents of the book are enriched by 89 figures 15 tables and substantial citations and references **Water Resource Management** R.B.

Mandal, 2006 Papers presented at the fifth BAG conference held at Bhagalpur during 18-19 October 2003 **The Intimate Other** Anna S. King, J. L. Brockington, 2005 The Intimate Other explores the theme of the devotional element in Indic Religions not only in Hinduism in which bhakti has become the dominant form but also in Buddhism Jainism Sikhism and Islam The essays by scholars of international repute show the strength of this devotion to the divine as a living and powerful source of value aesthetic imagination creativity and well being They also analyse the sometimes divergent interests of scholar and devotee problematising devotion and exposing its historical development as complex contested and political Of particular interest are the chapters on the Jain and Buddhist traditions where the existence of devotion has often been doubted or denied Contributors investigate widely ranging topics these include an analysis of bhakti within the Sanskrit epics a text historical approach to Valmiki Kabir's authorship of the poems attributed to him contemporary attitudes to devotion to the Ganga devotion within a syncretistic Jain movement in Theravada Buddhism subcontinental Sufi Islam young Sikhs in Britain and in the shared musical and poetic traditions of Hindus Sikhs and Muslims The volume ends with a sensitive exploration of the devotional love that overpowers death within the Hindu bhakti context Together they demonstrate vividly just how passionate love for the intimate other penetrates and inspires so many aspects of the religious culture of South Asia
