**The Los Angeles Dodgers** Frank Finch, 1977     *A Day in the Season of the Los Angeles Dodgers*, 1990     **Bums No More** Brian M. Endsley, 2014-11-21 This is the story of the 1959 Dodgers a team that rose above its disastrous first season on the West Coast for an out of nowhere World Series title One of baseball's greatest underdog champions the 59 Dodgers were a rag tag team made of long shots salvaged from the minor leagues and over the hill ballplayers who reached back for one final triumph After surviving a thrilling three team pennant race they met fellow long shots the Chicago White Sox in an underdog World Series Here the team's story is recounted in detail with game by game highlights and set against the cultural backdrop of the civil rights movement the Cold War and the rock and roll cultural revolution     **Baseball Books** Mike Shannon, 2024-10-14 It is widely and wrongly assumed that books are never so valuable as when they lie unopened before us waiting to be read Good books bear multiple readings and not merely because our memories fail us the desire to repeat a good reading experience can be its own powerful motivation And for bibliophiles books can also be works of art physical objects with an aesthetic value all their own This guide for the book loving baseball fan is written by one of the most knowledgeable collectors in the country author and editor Mike Shannon Beginning with a history of baseball books and collecting it also identifies the most sought after titles and explains how to find them what to pay and how to maintain their condition     *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1979     [The Cultural Encyclopedia of Baseball](#), 2d ed. Jonathan Fraser Light, 2016-03-25 More than any other sport baseball has developed its own niche in America's culture and psyche Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays Many trace the beginnings of the civil rights movement in part to the Major League's decision to integrate and the words and phrases of the game for example pinch hitter and out in left field have become common in our everyday language From AARON HENRY onward this book covers all of what might be called the cultural aspects of baseball as opposed to the number rich statistical information so widely available elsewhere Biographical sketches of all Hall of Fame players owners executives and umpires as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards join entries for teams owners commissioners and league presidents Advertising agents drafts illegal substances minor leagues oldest players perfect games retired uniform numbers superstitions tripleheaders and youngest players are among the thousands of entries herein Most entries open with a topical quote and conclude with a brief bibliography of sources for further research The whole work is exhaustively indexed and includes 119 photographs     **Koufax Throws a Curve** Brian M. Endsley, 2018-04-30 The conclusion of the Sandy Koufax Era was a wild roller coaster ride for the LA Dodgers Overly dependent on the fragile left arm of their to be Hall of Fame left hander they careened from their worst season since World War II in 1964 after losing Koufax to an injury in mid August to a World Series Championship in 1965 on the strength of his shutout performance on short rest in Game 7 with the Twins to an

ignominious World Series collapse to the Orioles in 1966 after he single handedly saved the Dodgers 1966 regular season in the final game In the last two seasons of his career Koufax averaged an impressive 27 complete games 27 wins and 350 strikeouts Yet 16 days after winning his second straight unanimous Cy Young Award he shocked Major League Baseball by announcing he was going to retire Like a supernova that had lit up the sports world for six years he flamed out and was gone by age 30

The Los Angeles Dodgers Encyclopedia Richard J. Shmelter,2017-09-11 Over the past 60 seasons the Los Angeles Dodgers have risen to the pinnacle of Major League Baseball winning 21 National League pennants and 6 World Series titles Amid the backdrop of Hollywood glitz and glamor the iconic franchise owes its consistent success to the talents and efforts of many This encyclopedia provides stats and biographical details for all of them Sections cover the 1958 2016 seasons influential players and executives Dodgers traditions and season and career records An all time player roster and list of all time managers are included

**Mover and Shaker** Andy McCue,2014-05-01 One of the most influential and controversial team owners in professional sports history Walter O Malley 1903 79 is best remembered and still reviled by many for moving the Dodgers from Brooklyn to Los Angeles Yet much of the O Malley story leading up to the Dodgers move is unknown or created from myth and there is substantially more to the man When he entered the public eye the self constructed family background and early life he presented was gilded Later his personal story was distorted by some New York sportswriters who hated him for moving the Dodgers In *Mover and Shaker* Andy McCue presents for the first time an objective complete and nuanced account of O Malley s life He also departs from the overly sentimentalized accounts of O Malley as either villain or angel and reveals him first and foremost as a rational hardheaded businessman who was a major force in baseball for three decades and whose management and marketing practices radically changed the shape of the game

*City of Dreams* Jerald Podair,2019-07-09 A vivid history of the controversial building of Dodger Stadium and how it helped transform Los Angeles When Walter O Malley moved his Brooklyn Dodgers to Los Angeles in 1957 with plans to construct a new ballpark he ignited a bitter half decade dispute over the future of a rapidly changing city For the first time *City of Dreams* tells the full story of the controversial building of Dodger Stadium and how it helped create modern Los Angeles In a vivid narrative Jerald Podair tells how the city was convulsed over whether where and how to build the stadium Eventually it was built on publicly owned land from which the city had uprooted a Mexican American community raising questions about the relationship between private profit and public purpose Indeed the battle over Dodger Stadium crystallized issues with profound implications for all American cities Filled with colorful stories *City of Dreams* will fascinate anyone who is interested in the history of the Dodgers baseball Los Angeles and the modern American city
