The Lost Gospel The Of Q:

The Lost Gospel Burton L. Mack, 1994-04-08 The first book to give the full account of the lost gospel of Jesus original followers revealing him to be a Jewish Socrates who was mythologized into the New Testament Christ

The Lost Gospel Q Marcus Borg, 1999-03-15 Presents the original teachings of Jesus written by his contemporaries and early followers

The Lost Gospel Burton L. Mack, 1993 This book for general readers relates the story of the discovery of the Book of Q the earliest collection of the sayings of Jesus that has long been recognized by biblical scholars as the basis for much of the gospels A closer study of the Book of Q reveals that the followers of Jesus did not think of him as the Messiah or Christ Neither did they believe that he was the Son of God or that his death was divine tragic or a saving event They were simply Jesus people and the narrative gospels as we know them are the result of early Christian myth making

From the Earliest Gospel (Q+) to the Gospel of Mark Dennis R. MacDonald, 2019-10-17 From the Earliest Gospel Q to the Gospel of Mark focuses on the remarkable overlaps between Jesus s teachings in the lost Gospel Q and Mark Dennis R MacDonald argues Synoptic intertextuality is best explained not as the redaction of sources but more flexibly as the imitation of literary models Part One applies the criteria of mimesis criticism in a running commentary on Q to demonstrate that it polemically imitated Deuteronomy Part Two argues that Mark in turn tendentiously imitated Logoi The Conclusion proposes that Matthew and Luke in turn brilliantly and freely imitated both Logoi and Mark and by doing so created scores of duplicate sayings and episodes doublets

Best Bible Books John Glynn, Michael H. Burer, 2019-03-21 There are thousands of excellent resources in the field of New Testament studies But which tools are best for sermon preparation topical study research or classroom study In *Best Bible Books* the authors review and recommend hundreds of books saving pastors students and scholars time effort and money Glynn and Burer examine commentaries on every book of the New Testament describing their approach format and usability they then rank them on a scale of good better and best Other chapters survey special studies for each New Testament book as well as books in related disciplines such as historical background language resources and hermeneutics Also included are helpful chapters on building a must have personal library and identifying books that comprise the ultimate New Testament commentary collection This is an indispensable resource for any serious student of the Bible

Women and Christian Origins Ross Shepard Kraemer, Mary Rose D'Angelo, 1999-02-11 This new collection of fourteen integrated original essays by prominent scholars and experienced teachers provides a comprehensive and accessible entree to current research on women and the origins of Christianity Engaging for both the interested reader and the specialist in religion *Women and Christian Origins* is sensitive to feminist theory and attentive to distinctions between the re construction of women s history in early Christian churches and ancient constructions of gender difference

The Christ Is Dead, Long Live the Christ Andrew Oberg, 2022-07-07 *The Christ Is Dead Long Live the Christ* A Philotheologic Prayer a Hermeneutics of Healing is a call for renewal and reinvention Following a brief examination of the historical Jesus Yeshua

using his actual Aramaic Hebrew name the book moves into a phenomenological study of the image idea and the place of both in our felt experiences Looking closer at what we think were the actual words of this wandering sage the picture we arrive at is one that will surprise possibly unsettle Moved out of our traditional comfort zones we find the need to question what we have been told were Yeshua s teachings compelling us to further rethink messages on the afterlife human finitude so called atonement theologies and above all the kingdom of God Whatever this vision was and might yet be it seems central to Yeshua s efforts and so we finally weigh these kingdom facets against a broader ideascapes offering suggestions for how a Yeshuan kingdom project situated within the panoply of a widely comprehended Judaic way of being might yield fresh life to we who find worth in the utterances and what they point towards to we who wonder about a more human e world **Jesus's Manifesto** Roman A. Montero,2019-04-24 Jesus s Manifesto The Sermon on the Plain is a historical analysis and exegesis of the Sermon on the Plain found in Luke 6 20 49 Going into the historical and literary context of the Sermon on the Plain it examines how the message fits into the world of Jesus and his audience Jesus s Manifesto demonstrates how the Sermon s ethical injunctions and eschatological message interacted with contemporary ideologies and how these injunctions were meant to be taken as normative commandments by Jesus in light of his eschatological message Many have attempted to dampen the ethical teachings of Jesus by trying to relativize them or by trying to make them compatible with the wider culture and the dominant ideologies however when understood in its historical context the Sermon s message was not only incompatible with the wider culture and the dominant ideologies but it stood in opposition to them Jesus s Manifesto provides the necessary historical and anthropological tools to fully appreciate the profound and seemingly radical message of the Sermon of the Plain **The Jesus Dynasty** James D. Tabor,2007-04-24 Based on close analysis of early Christian documents and recent archeological discoveries by the author and other experts The Jesus Dynasty offers a bold new interpretation of the life of Jesus and the origins of Christianity of illustrations Christian Religion The Forgotten Creed Stephen J. Patterson,2018-09-03 Long before the followers of Jesus declared him to be the Son of God Jesus taught his followers that they too were the children of God This ancient creed now all but forgotten is recorded still within the folds of a letter of Paul the Apostle Paul did not create this creed nor did he fully embrace it but he quoted it and thus preserved it for a time when it might become important once again This ancient creed said nothing about God or Christ or salvation Its claims were about the whole human race there is no race there is no class there is no gender This is the story of that first forgotten creed and the world of its begetting a world in which foreigners were feared slaves were human chattel and men questioned whether women were really human after all Into this world the followers of Jesus proclaimed You are all children of God There is no Jew or Greek no slave or free no male and female for you are all one Where did this remarkable statement of human solidarity come from and what finally happened to it How did Christianity become a Gentile religion that despised Jews condoned slavery as the will of God and championed patriarchy Christian theologians would one day argue about the nature

of Christ the being of God and the mechanics of salvation But before this in the days when Jesus was still fresh in the memory of those who knew him the argument was a different one how can human beings overcome the ways by which we divide ourselves one from another Is solidarity possible beyond race class and gender
