The Love Scrolls Edward Theodore Hayes, 2008-08 2003 2005 Poet of the Year Shakespeare Award of Excellence recipient The Love Scrolls Seven The Love Scrolls is an epic to literally sweep you off of your feet I love therefore I m forever As Shakespeare shall write of his kings so I shall write of mine We shall cover the ground with love s growth and upon the earth with love s tree we shall sod Spreading its fruit in abundance unto a lover unto our brother unto each other and unto God Shore up your works with faith and love guild For these are the only eternal substances from which mankind is allowed to build Cover artist April Sampson Graphic artist Tate Krupa [The Love Scrolls](#) Edward Theodore Hayes, 2005-06 It s the book M Wayne Cunningham of Foreword Clarion Reviews calls an admirable feat there is energy and emotion in these poems with trappings of the classical literary ballad He goes on to say Hayes humor takes full and fanciful flight with a work ranging from lighter and lyrical poems to those with serious thoughts The Love Scrolls The Unsearchable Title is a love story for the ages one that might just define our age One man of faith shall be caught between two worlds one in which he has given his heart and one in which he has given his soul and he soon will be torn between them Seeing the signs that foretell the end of the world a prelude to the rapture he finds himself in a race for time He must sway a reluctant love to confess her feelings before it is too late They would then be recognized by their confessed and mutual will as one and leave the Earth and her coming troubles together Her love in fact is about to awaken with a sanctifying kiss but it s a moment too late for these belated lovers as that moment the man is swept away to heaven Now in heaven the army of love is preparing for the ultimate battle of good and evil but this man now adorned as a knight in shining armor still has other plans namely to safeguard his love from the tribulations about to consume the Earth The greatest secrets of the end times are then to be revealed the secrets of the stars the galaxy the mystery of God and his army of love What happens next will move you as the galaxy and heavens themselves are about to move just as the knight did for love Visit thelovescrolls.com [The Love Scrolls](#) Edward Theodore Hayes, 2001 In the second of the epic poem series Love scrolls poet Edward Theodore Hayes continues the story of one man and one woman destined to be together from the first book Love passages This man of faith shall be caught between two worlds one in which he has given his heart and one in which he has given his soul He is torn between the two worlds as signs that foretell the end of the world appear a prelude to the rapture he finds himself in a race for time *The Dead Sea Psalms Scroll* James A.
