Kalamazoo Outlet, Outlet Book Company Staff, Random House Value Publishing Staff, 1985-12-01 **Proust's Lesbianism** Elisabeth Ladenson, 1999 For decades Elisabeth Ladenson says critics have misread or ignored a crucial element in Marcel Proust s fiction his representation of lesbians Her challenging new book definitively establishes the centrality of lesbianism as sexual obsession and aesthetic model in Proust s vast novel A la recherche du temps perdu Traditional readings of the Recherche have dismissed Proust s Gomorrah his term for women who love other women as a veiled portrayal of the novelist s own homosexuality More recently queer positive rereadings have viewed the novel s treatment of female sexuality as ancillary to its accounts of Sodom and its meditations on time and memory Ladenson instead demonstrates the primacy of lesbianism to the novel showing that Proust s lesbians are the only characters to achieve a plenitude of reciprocated desire The example of Sodom by contrast is characterized by frustrated longing and self loathing She locates the work s paradigm of hermetic relations between women in the self sufficient bond between the narrator s mother and grandmother Ladenson traces Proust s depictions of male and female homosexuality from his early work onward and contextualizes his account of lesbianism in late nineteenth century sexology and early twentieth century thought A vital contribution to the fields of queer

theory and of French literature and culture Ladenson's book marks a new stage in Proust studies and provides a fascinating chapter in the history of a literary masterpiece's reception

**The Parthenon Marbles** Christopher Hitchens, 2025-02-04 The most powerful case yet made for the return of the Parthenon Marbles The Parthenon Marbles formerly known as the Elgin Marbles designed and executed by Pheidias to adorn the Parthenon are perhaps the greatest of all classical sculptures In 1801 Lord Elgin then ambassador to the Turkish government had chunks of the frieze sawn off and shipped to England where they were subsequently seized by Parliament and sold to the British Museum to help pay off his debts This scandal exacerbated by the inept handling of the sculptures by their self appointed guardians remains unresolved to this day In his fierce eloquent account of a shameful piece of British imperial history Christopher Hitchens makes the moral artistic legal and political case for re unifying the Parthenon frieze in Athens The opening of the New Acropolis Museum emphatically trumps the British Museum's long standing if always questionable objection that there is nowhere in Athens to house the Parthenon Marbles With contributions by Nadine Gordimer and Professor Charalambos Bouras The Parthenon Marbles will surely end all arguments about where these great treasures belong and help bring a two centuries old disgrace to a just conclusion

*Dutch Calvinism in Modern America* James D. Bratt, 2002-12-30 In this scholarly yet entertaining book James D Bratt takes a look at the Dutch in America from the late 19th century to the present A comprehensive study of an ethnic subculture the book is in large part a study of the group's religious history as well since as Bratt points out the contours of the Dutch presence in America have been overwhelmingly shaped by the church and its subsidiary organizations Although the book is extensively and scrupulously documented Bratt has infused his scholarship with a considerable amount of anecdote that is by turns poignant and tragic and hilarious In Bratt's analysis of the fitful progress of Americanization that this close knit religious community has undergone we are treated to the sharp insights of a bemused and sometimes disaffected insider Included is a chapter on novelists Arnold Mulder David Cornel DeJong Frederick Manfred and Peter DeVries four sons of the Dutch who fled the subculture only to reflect upon it almost obsessively from the outside Well written scholarly and highly readable Dutch Calvinism In Modern America will have wide appeal among both academic and general readers
