The Three Cities Trilogy Complete: Lourdes, Rome and Paris [mile Zola, PREFACE BEFORE perusing this work it is as well that the reader should understand M Zola s aim in writing it and his views as distinct from those of his characters upon Lourdes its Grotto and its cures A short time before the book appeared M Zola was interviewed upon the subject by his friend and biographer Mr Robert H Sherard to whom he spoke as follows Lourdes came to be written by mere accident In 1891 I happened to be travelling for my pleasure with my wife in the Basque country and by the Pyrenees and being in the neighbourhood of Lourdes included it in my tour I spent fifteen days there and was greatly struck by what I saw and it then

occurred to me that there was material here for just the sort of novel that I like to write a novel in which great masses of men can be shown in motion un grand mouvement de foule a novel the subject of which stirred up my philosophical ideas It was too late then to study the question for I had visited Lourdes late in September and so had missed seeing the best pilgrimage which takes place in August under the direction of the Peres de la Misericorde of the Rue de l Assomption in Paris the National Pilgrimage as it is called These Fathers are very active enterprising men and have made a great success of this annual national pilgrimage Under their direction thirty thousand pilgrims are transported to Lourdes including over a thousand sick persons So in the following year I went in August and saw a national pilgrimage and followed it during the three days which it lasts in addition to the two days given to travelling After its departure I stayed on ten or twelve days working up the subject in every detail My book is the story of such a national pilgrimage and is accordingly the story of five days It is divided into five parts each of which parts is limited to one day There are from ninety to one hundred characters in the story sick persons pilgrims priests nuns hospitallers nurses and peasants and the book shows Lourdes under every aspect There are the piscinas the processions the Grotto the churches at night the people in the streets It is in one word Lourdes in its entirety In this canvas is worked out a very delicate central intrigue as in Dr Pascal and around this are many little stories or subsidiary plots There is the story of the sick person who gets well of the sick person who is not cured and so on The philosophical idea which pervades the whole book is the idea of human suffering the exhibition of the desperate and despairing sufferers who abandoned by science and by man address themselves to a higher Power in the hope of relief as where parents have a dearly loved daughter dying of consumption who has been given up and for whom nothing remains but death A sudden hope however breaks in upon them supposing that after all there should be a Power greater than that of man higher than that of science They will haste to try this last chance of safety It is the instinctive hankering after the lie which Paris Undercover Matthew Goodman, 2025-02-04 Two women in Nazi occupied Paris created a creates human credulity daring escape line that rescued dozens of Allied servicemen With one still in a German prison camp the other wrote a book about it a memoir built on fabrications Now the bestselling author of Eighty Days shares their incredible never before told full story A heart pounding tale of betrayal that is impossible to put down Lynne Olson author of Madame Fourcade s Secret War Etta Shiber and Kate Bonnefous are the unlikeliest of heroines two seemingly ordinary women an American widow and an English divorc e living quietly together in Paris Yet during the Nazi occupation these two friends find themselves unexpectedly plunged into the whirlwind of history With the help of a French country priest and others they set out to rescue British and French soldiers trapped behind enemy lines some of whom they daringly smuggle through Nazi checkpoints hidden inside the trunk of their car Ultimately the Gestapo captures them both After eighteen months in prison Etta is returned to the United States in a prisoner exchange Back home hoping to bring attention to her friend Kitty's bravery she publishes a memoir about their work Paris Underground becomes a publishing sensation and Etta a celebrity Meanwhile

Kate spends the rest of the war in a Nazi prison entirely unaware of the book that has been written about her and the deeds that have been claimed in her name In researching this story Matthew Goodman uncovered military records and personal testimonies that reveal for the first time the shocking truth behind Etta's memoir and the unexpected far reaching consequences of its publication More than just a story of two women's remarkable courage Paris Undercover is a vivid gripping account of deceit betrayal and personal redemption Of Muscles and Men Michael G. Cornelius, 2011-09-29 Few movie genres have highlighted the male body more effectively than the sword and sandal film where the rippling torso and the bulging muscle are displayed for all to appreciate Carrying his phallic sword and dressed in traditional garb calculated to bring attention to his magnificent physique the sword and sandal hero is capable of toppling great nations rescuing heroines defeating monsters and generally saving the day Each of these essays examines the issues of masculinity and utility addressed in the sword and sandal genre The contributors offer insights on a film form which showcases its male protagonists as heroic violent fleshy and in the end extremely useful The Three Cities: Lourdes, Rome and Paris Emile Zola,2016-08-25 BEFORE perusing this work it is as well that the reader should understand M Zola's aim in writing it and his views as distinct from those of his characters upon Lourdes its Grotto and its cures A short time before the book appeared M Zola was interviewed upon the subject by his friend and biographer Mr Robert H Sherard to whom he spoke as follows Lourdes came to be written by mere accident In 1891 I happened to be travelling for my pleasure with my wife in the Basque country and by the Pyrenees and being in the neighbourhood of Lourdes included it in my tour I spent fifteen days there and was greatly struck by what I saw and it then occurred to me that there was material here for just the sort of novel that I like to write a novel in which great masses of men can be shown in motion un grand mouvement de foule a novel the subject of which stirred up my philosophical ideas It was too late then to study the question for I had visited Lourdes late in September and so had missed seeing the best pilgrimage which takes place in August under the direction of the Peres de la Misericorde of the Rue de l Assomption in Paris the National Pilgrimage as it is called These Fathers are very active enterprising men and have made a great success of this annual national pilgrimage Under their direction thirty thousand pilgrims are transported to Lourdes including over a thousand sick persons So in the following year I went in August and saw a national pilgrimage and followed it during the three days which it lasts in addition to the two days given to travelling After its departure I stayed on ten or twelve days working up the subject in every detail My book is the story of such a national pilgrimage and is accordingly the story of five days It is divided into five parts each of which parts is limited to one day
