**Slow Down, So I Can Tell You I Love You** Tammy Young, 2001 Written for parents of children with AD HD Attention Deficit Hyperactivity Disorder the spiritual parenting methods outlined by Young are a loving and effective way to handle a complex problem Foreword by Robert Brooks Ph D a clinical psychologist at Harvard Medical School      **When the Tears Stop** A. N. Hopps, 2016-03-19 The Welshes are one of the wealthiest families in Collin Texas However James and his brother Benjamin are the only two survivors of the Welsh family This is story of James Welsh III who is the older of the two James is seen as the monarch of his family which includes his brother and a few close friends They all love this gentle giant of a man and want him to find love after the ending of his marriage two years ago He feels that the hole in his heart is irreparable They all handle him very gently as he recovers all but Ava who has been James's escort for over a decade for business dinners and hostess for parties at his home However he is not in love with her and only sees her as a very close friend Even though he has married someone else she still has her eye on being the next Mrs James Welsh III and now she sees a clear path to that end The idea of finding someone else to love was the farthest thing from James's mind He does feel lonely and misses his wife intensely However he is content with overseeing his ranch and being the CEO of his many businesses The ranch is huge with a large number of staff and ranch hands They had become his second family So when he is not overseeing the ranch or managing his multimillion dollar businesses there is no time left for a social life Yes he is a great catch and Ava is going fishing The family understands his pain and wants to save him from women who are out to catch him When the Tears Stop is the last installment of the trilogy The other two are Once Upon a Wedding and Will Power and Promises      *Get off the Bus* Peter Logan, 2014-07-26 Get off the BUS was a wakeup call for me to realize that no matter what you as a human being may be facing in your life you have to every now and again slow down and re evaluate where u are heading And if you find yourself going in circles or just riding life daily routines without any of the goals you set being achieved than that's when you get off the bus The bull shit undermining your stride to successes Now the bus can represent anything that's blocking you from where you want to be in life It took me forty one years to realize my bus and yes I had a few in the form of family friends and habits That I do still deal with today However unlike then I know who these people are and I'm aware of the traps they set to hold me down Where they were so I would be unsuccessful too Or the ones who keep you close to them just to monitor your growth Well I'm here to tell you there is no man holding you back as they once use to say back in the days of the old I was shot in the back in the early nineties and later diagnose as Benign Bi Polar and having Post traumatic stress disorder I thought my life was over because all my family did to me was use me And once the jobs were done they then tried to degrade me It took me thirty years to realize they were my Bus I'll always love them but only now it will be from afar Now being able to see my obstacles I now feel the courage to push on towards my goals First starting with the completion of this book this book is the first of many to come we are a strong nation where the sky is the limit All you have to do is be in the game of life

in order to win in your goals Its time to recognize your bus and the next time you see your stop dont let that negative friend family member not even youself stop you from getting off your bull shit Dont let people stop you from being the happiest person that you want to be in life Thank you again and god bless you all Peace      [Saving Bridget \(Highland Rescue 7\)](#)
