(Complete) John Ashton, 2020-09-28 Curiously enough it has never been practically settled whence the ancestors of Napoleon Bonaparte came He himself cared little for the pride of birth and when during his Consulate they manufactured for him a genealogy descending from a line of kings he laughed at it and said that his patent of nobility dated from the battle of Montenotte But still one would think he ought to know for family tradition is strong and if it can be trusted this is his own account One day Napoleon questioned Canova about Alfieri and Canova found an opportunity to render an important service to Florence c Sire said he authorise the President of the Academy of Florence to take care of the frescoes and pictures I heartily wish it That will reflect great honour on your Majesty who I am assured is of a noble Florentine family At these words the Empress Maria Louisa turned towards her husband and said What are you not Corsican Yes replied Napoleon but of Florentine origin Canova then said The President of the Academy of Florence the Senator Alessandria is of one of the most illustrious houses in the country which has had one of its ladies married to a Bonaparte thus you are Italian and we boast of it I am certainly added Napoleon Prince Napoleon Louis Bonaparte brother to the Emperor published in 1830 at Florence a French translation of an old book about the sack of Rome 1527 which gives an account of the family of the writer But Majorca also puts in a claim to the older Bonapartes and in 1852 Don Antonio Furio a learned man Member of the Royal

Academies of Belles Lettres of Barcelona and Majorca and quotes from a book kept in the archives of Palma in which are preserved the armorial escutcheons of the noble families of the Island the arms of Bonapart which were Dexter on a field Azure six stars Or placed two by two Sinister on a field gules a lion rampant Or and the Chief Or bears a scared eagle sable He says the family came from Genoa to Majorca in which island its members were considered noblemen and they filled several distinguished offices In a register of burials relating to knights and gentlemen written in 1559 the antiquity and nobility of the Bonaparts are clearly authenticated and it would seem from Don Furio s account for all of which he gives chapter and verse that the learned jurisconsult Don Hugo Bonapart left Majorca and went to Corsica where in 1411 he was made Regent of the Chancery of that place and as he settled there his name was inscribed in the Golden Book of France

English Caricature and Satire on Napoleon I Vol.2 (of 2) (Illustrations) John Ashton, This book is not intended to be a History of Napoleon the First but simply to reproduce the bulk of the Caricatures and Satires published in England on our great enemy with as much of history as may help to elucidate them The majority of the caricatures are humorous others are silly or spiteful as will occasionally happen nowadays and some are too coarse for reproduction so that a careful selection has had to be made Gillray and Rowlandson generally signed their names to the work of their hands but wherever a caricature occurs unsigned by the artist I have attributed it on the authority of the late Edward Hawkins Esq some time Keeper of the Prints at the British Museum to whatever artist he has assigned it I have personally inspected every engraving herein described and the description is entirely my own Should there by chance be an occasional

discrepancy as to a date it has been occasioned by the inconceivable contradictions which occur in different histories and newspapers To cite an instance in three different books are given three different dates of Napoleon leaving Elba and vi it was only by the knowledge that it occurred on a Sunday and by consulting an almanac for the year 1815 that I was able absolutely to determine it The frontispiece is taken from a very rare print and gives a novel view of Napoleon to us who are always accustomed to see him represented in military uniform That my readers may find some instruction mingled with the amusement I have provided for them is the earnest wish of

Bonk John Bruner, 2017-05-04 The saddest part of me and Snap is that it came to its final chapter before we were ready to quit reading But to my delight and now yours that issue has been solved with another masterpiece of writing in *Bonk Monsters Miracles* Although this book is not a sequel you will happily be reintroduced to some of the same characters and settings That being said *Bonk* stands on its own as storyteller Bruner skillfully intertwines today and yesterday in such a delightful manner that you scarcely notice that you've jumped from one century to another then back again with ease So join in the fun but with a word of warning you should not read *Bonk* in a quiet library as you might just get kicked out for laughing out loud And it might not be a bad idea to have a box of Kleenex within reach as John tugs at your heart when you least expect it Buckle up and prepare yourself for a fun ride in *Bonk Monsters Miracles*
