*Macro/micro* Lorne Tepperman, M. Michael Rosenberg, 1998

*Anti-colonialism and Education* George Jerry Sefa Dei, Arlo Kempf, 2006 There is a rich intellectual history to the development of anti colonial thought and practice In discussing the politics of knowledge production this collection borrows from and builds upon this intellectual tradition to offer understandings of the macro political processes and structures of education delivery e g social organization of knowledge culture pedagogy and resistant politics The contributors raise key issues regarding the contestation of knowledge as well as the role of cultural and social values in understanding the way power shapes everyday relations of politics and subjectivity In reframing anti colonial thought and practice this book reclaims the power of critical oppositional discourse and theory for educational transformation *Anti Colonialism and Education The Politics of Resistance* includes some of the most current theorizing around anti colonial practice written specifically for this collection Each of the essays extends the terrain of the discussion of what constitutes anti colonialism Among the many discursive highlights is the

interrogation of the politics of embodied knowing the theoretical distinctions and connections between anti colonial thought and post colonial theory and the identification of the particular lessons of anti colonial theory for critical educational practice Essays explore such key issues as the challenge of articulating anti colonial thought as an epistemology of the colonized anchored in the indigenous sense of collective and common colonial consciousness the conceptualization of power configurations embedded in ideas cultures and histories of marginalized communities the understanding of indigeneity as pedagogical practice and the pursuit of agency resistance and subjective politics through anti colonial learning

**Power, Pedagogy and Praxis**, 2008-01-01 The aim of the text is to respond to gaps in an emergent discourse running along minority majority world fault lines through various perspectives linking globalization education and human rights The editors standpoint allows the consideration of equity in education as the foremost expression of social justice in this era of economic and technological globalization regardless of political or cultural contexts This project continues the tradition of critical social pedagogy in creating common ground that accesses new approaches to political and classroom based relations of power and praxis

Global Problems, Global Solutions JoAnn Chirico, 2018-10-23 Global Problems Global Solutions Prospects for a Better World approaches social problems from a global perspective with an emphasis on using one s sociological imagination Perfect for instructors who involve students in research this text connects problems borne by individuals to regional global and historical forces and stresses the importance of evidence in forming opinions and policies addressing social issues The book introduces readers to the complexities of the major problems that confront us today such as violent conflict poverty climate change human trafficking and other issues that we encounter in our lives It book concludes with a chapter on politics and government underscoring the need for good governance at all levels and cooperation among many layers of government to build a better world

*Rhetoric and Educational Discourse* Richard Edwards, Katherine Nicoll, Nicky Solomon, Robin Usher, 2013-02-01 Educational policy is often dismissed as simply rhetoric and a collection of half truths However this is to underestimate the power of rhetoric and the ways in which rhetorical strategies are integral to persuasive acts Through a series of illustrative chapters this book argues that rather than something to be dismissed rhetorical analysis offers a rich and deep arena in which to explore and examine educational issues and practices It adopts an original stance in relation to contemporary debates and will make a significant contribution to educational debates in elucidating and illustrating the pervasiveness of persuasive strategies in educational practices *Rhetoric and Educational Discourse* is a useful resource for postgraduate and research students in education and applied linguistics The book will also be of interest to academics and researchers in these fields of study and those interested in discursive approaches to research and scholarship
