veteran journalist Bo Burlingham takes us deep inside fourteen remarkable companies that have chosen to march to their own drummer They include Anchor Brewing the original microbrewer CitiStorage Inc the premier independent records storage business Clif Bar Righteous Babe Records the record company founded by singer songwriter Ani DiFranco Union Square Hospitality Group the company of restaurateur Danny Meyer and Zingerman s Community of Businesses including the world famous Zingerman s Deli of Ann Arbor Burlingham shows how the leaders of these small giants recognized the full range of choices they had about the type of company they could create And he shows how we can all benefit by questioning the usual definitions of business success In his new afterward Burlingham reflects on the similarities and learning lessons from the small giants he covers in the book      **Lost, Hidden, Small** Kate Haynes Murphy, 2025-10-14 I loved this book for its wisdom message and welcome its depth and its many charms especially the clear and deeply human voice of the author Pastor Kate ANNE LAMOTT In this stirring book of spiritual formation a pastor asks What if the abundant life lies in finding what s been lost uncovering what is hidden and learning to hope in what is small The Christian industrial complex teaches us that whatever is centered celebrated and large is a movement of God and that Jesus is at work in existing structures So why are we surprised that many churches are obsessed with power size and reputation and that people are leaving them in droves Jesus warned us not to expect his reign to resemble the empire He knew it would be hard for us to recognize true faithfulness so he gave us sacred stories In parables we learn of lost coins and sheep and people being found of hidden treasure being uncovered and of small and weak things that heal and transform In the tradition of clergy writers like Barbara Brown Taylor and Gregory Boyle pastor Kate Murphy excavates the wisdom of Jesus s parables She tells stories of failures in the dominant church of broken places within herself and of an exploding watermelon that sends her over the edge Through practices like shalom kinship surrender failure and humility we find our lost selves in Christ seek a God who hides and see the glory of infinitesimal things Living faithfully in a culture of violence hierarchy and supremacy Murphy maintains means following Jesus into weakness loss and even despair But this is not some bitter prescription for a dying church It s the story of how sometimes what seems undesirable actually satisfies Sometimes what looks as if it will diminish you ends up being what saves Sometimes following the way of Jesus means letting yourself be astounded by the authentic grace of what is lost hidden and small      *The giant's cradle, by S.T.A.
