

## Definition

Socialist economy is also known as socialism

- **Socialism** is a term applied to an economic system in which property is held in common and not individually , and relationships are governed by a political hierarchy . Common ownership doesn't mean decisions are made collectively , however. Instead, individuals in positions of authority make decisions in the name of collective group.

State Socialism in Eastern Europe Eszter Bartha, Tamás Krausz, Bálint Mezei, 2023-07-10 This volume brings together a diverse set of scholars to address the long theoretical conceptual and political debate on the interpretation of actually existing socialism in the Soviet Union and Eastern Europe While the major paradigms totalitarianism neo totalitarianism revisionism post revisionism modernization and the world system analysis are well known in the Western English language literature the concept of state socialism which has strong theoretical roots in Hungary going back to the works of György Lukács and István Mészáros received less international attention This book contributes to a productive discussion about viable alternatives to capitalism by introducing and theoretically elaborating on the concept and practice of state socialism highlighting the

historical significance of Hungary's experiment with the new economic mechanism of 1968. It generates a common point of reference for various generations of anti-systemic thinkers, scholars, and activists to move beyond Cold War simplifications and ideological divides and contributes to the discussion about anti-capitalist alternatives which are relevant today for the global left.
