# Smart Interviewer

**Valerie Maryman, Keith Grant**

## Smart Interviewer:

*The Smart Interviewer* Bradford D. Smart, 1989-10-02 The Smart Interviewer In 20 years of specializing in interviews management psychologist Brad Smart has successfully interviewed more than 4 000 candidates for selection or promotion trained over 3 000 hiring managers in how to interview and counseled thousands on how to manage their careers The Smart Interviewer is a culmination of this vast experience In it Smart shares with you the secrets to successful interviewing Written in a most readable style and featuring humorous cartoons this book will immediately help you improve your interviewing effectiveness You ll learn How to build excellent rapport How to apply the TORC Technique for motivating the interviewee to be totally candid and reveal negatives How to conduct productive reference calls How to correctly interpret an interviewee s responses How to prepare for an interview how much time to take during an interview how to focus your questions in ways that will reveal whether the interviewee meets your organization s needs or not plus the latest hiring legalities you should be aware of The Smart Interviewer will help you avoid costly mishires and mispromotions and give you strategies and tools to hire productive high caliber employees that meet your company s needs *Smart Answers to Tricky Interview Questions* Rob Yeung, 2015-07-02 This is a book for job seekers that covers just about every interview scenario that they might have to deal with and includes over 200 examples of just about every question they may be asked with examples of appropriate answers Provides inside information from an author who is frequently asked by organisations to interview candidates design assessment centres and train interviewers He writes the questions for interviewers to ask and tells them the answers they should listen out for This new edition includes a new chapter on building rapport and making a confident impact **Hire Smart and Keep 'Em** Joan C. Curtis, 2012-07-19 This timely professional development guide reveals what it takes to recruit and retain quality talent by providing smart hiring techniques for interviewing assessing and screening applicants One of the most important jobs of any manager is hiring the right people Even in organizations with a human resources department the final hiring decision often falls on a manager who has never been trained in effectively assessing a candidate s character or skill set Additionally the interview process itself is fraught with legal pitfalls making this seemingly simple task one that could become costly and problematic if mishandled This book teaches the critical techniques for selecting the right person for the job and the strategies that eliminate expensive hiring mistakes Hire Smart and Keep Em How to Interview Strategically Using POINT lays out a proven method the POINT process for recruiting and retaining high quality employees A renowned business coach Joan C Curtis illustrates how interviews can be strategically conducted demonstrates how illegal interview situations can be avoided and explains how the latest technology can be implemented to make the whole process go smoothly **Topgrading (revised PHP edition)** Bradford D. Smart, Ph.D., 2024-10-29 Great companies don t just depend on strategies they depend on people The more great people on your team the more successful your organization will be But that s easier said than done Statistically half of all employment decisions result in a mishire The wrong person winds up in

the wrong job But companies that have followed Bradford Smart's advice in Topgrading have boosted their successful hiring rate to 90 percent or better giving them an unbeatable competitive advantage Now Smart has fully revised his 1999 management classic to reintroduce the topgrading concept which works for companies large and small in any industry The author spells out his practical approach to finding and managing A level talent as well as coaching B players to turn them into A players He provides intriguing case studies drawn from more than four thousand in depth interviews As Smart writes in his introduction All organizations all businesses live or die mostly on their talent and any manager who fails to topgrade is nuts or a C player Those who way deep down would sooner see an organization die than nudge an incompetent person out of a job should not read this book Topgrading is for A players and all those aspiring to be A players On the web <http://www.topgrading.com>
