Lines Bobby Braddock, 2019-02-04 One of country music's greatest songwriters has given us his own private tour of the collective genius of his profession. Malcolm Gladwell, bestselling author and host of the Revisionist History podcast, Bobby Braddock, the only living songwriter to have written number one country songs in five consecutive decades, celebrates standout lines in more than eighty country masterpieces. Unique stories give the reader a behind-the-scenes look at classics from Hank Williams, Bill Anderson, Roger Miller, and Merle Haggard, as well as twenty-first-century icons like Alan Jackson, Taylor Swift, and Eric Church. Artist Carmen Beecher brings these tales to vivid life with strikingly realistic illustrations of seldom-seen songwriters, easily recognizable superstars, and unforgettable song characters. From late 1940s jukebox hits to present-day chart toppers, Braddock and Beecher offer a magical journey from the songwriter's pen to the singer's lips to the listener's ear. Country Music's Greatest Lines works as an insider's take on the business of country, and it also sent me to a dozen records I wanted to hear immediately. Braddock and Beecher evoke the mythology of country without sentimentalizing the music or its creators. It's a remarkable achievement. Nashville Scene. We see how stand-alone powerful and effective a few well-crafted lines can be, even when removed from the context of the entire song. Sounds Like Nashville. Country songs from Hank Williams till today remain faithful to their tradition of reminding their listeners about the life they live. Braddock, a 60-year creator of songs remembered that when he decided to write this book.
