Smell Of Matches Poems:

The Smell of Matches John Stone, 1972 *Chicorel Index to Poetry in Anthologies and Collections in Print* Marietta Chicorel, 1974 Recognitions Carol C. Donley, Martin Kohn, 2002 Carol Donley and Martin Kohn believe that physicians stand at a unique vantage point as observers of the human condition In this text contributors attempt to prove this assertion through their prose on topics as diverse as the clashes between forces of creation and destruction institutional economic survival conflicts between genders and generations balancing of primary care with specialization issues of race and class cultural displacement and the influence of William Carlos Williams on doctors and writing The stories and essays in the collection provide a deeper understanding of the complex emotions and feelings of the men and women who every day hold life in their hands John Ciardi Vince Clemente, 1987-01-01 Some men make so indelible a mark on the lives of others that a place in time is reserved for them In this memorial volume some whose lives have been touched by such a man share their thoughts and memories of the poet translator editor teacher student father son and husband they knew as John Ciardi X J Kennedy and Lewis Turco discuss *Lives of X* a neglected American classic which chronicles the years Ciardi spent growing up in Medford Massachusetts studying at Tufts and serving as a gunner in World War II Richard Eberhart remembers Ciardi's unforgettable presence while John Holmes and Roy W Cowden remember him as a brilliant student and poet at Tufts and at Michigan where he won the Avery Hopwood Award Others remember him as a teacher at Harvard and Rutgers Dan Jaffe writes If John Ciardi held to any cause it was the notion of precision to an uncompromising excellence to the notion that to strive was in itself not enough that one needed to judge honestly to assess courageously and to respond without flinching William Heyden and Norbert Krapf tell how the books *I Marry You* and *How Does a Poem Mean* influenced them as young men In John Ciardi the Many Lives of Poetry John Nims claims Ciardi as our Chaucer John Williams Maxine Kumin Diane Wakoski and John Stone write about the Ciardi they knew at the Bread Loaf Writers Conference Gay Wilson Allen describes the list of contributors to *Measure of the Man* as a Who's Who in American literature Certainly it is an impressive gathering of poets critics and friends who have been touched by John Ciardi We are all in his debt Norman Cousins writes in his essay *Ciardi at The Saturday Review* and it is important that we say so **Poetry** Harriet Monroe, 1988 **Poems for the Millennium, Volume Three** Jerome Rothenberg, Jeffrey C. Robinson, 2009-01-19 The previous two volumes of this acclaimed anthology set forth a globally decentered revision of twentieth century poetry from the perspective of its many avant gardes Now editors Jerome Rothenberg and Jeffrey C Robinson bring a radically new interpretation to the poetry of the preceding century viewing the work of the romantic and post romantic poets as an international collective often utopian enterprise that became the foundation of experimental modernism Global in its range volume three gathers selections from the poetry and manifestos of canonical poets as well as the work of lesser known but equally radical poets Defining romanticism as experimental and visionary Rothenberg and Robinson feature prose poetry verbal visual experiments and sound poetry along

with more familiar forms seen here as if for the first time The anthology also explores romanticism outside the European orbit and includes ethnopoetic and archaeological works outside the literary mainstream The range of volume three and its skewing of the traditional canon illuminate the process by which romantics and post romantics challenged nineteenth century orthodoxies and propelled poetry to the experiments of a later modernism and avant gardism *Where Water Begins: New Poems and Prose* John Stone,1998 *The Complete Works: Fantasy & Sci-Fi Novels, Religious Studies, Poetry & Autobiography* C. S. Lewis,2023-12-29 C S Lewis s The Complete Works Fantasy Sci Fi Novels Religious Studies Poetry Autobiography is a rich tapestry of intellectual exploration that spans multiple genres Lewis renowned for his imaginative narratives and theological insights masterfully weaves fantastical elements with profound philosophical inquiries From the enchanting realms of Narnia to the cosmic odysseys in *Out of the Silent Planet* this collection challenges the boundaries of reality while his essays in religious studies provoke deep contemplation about faith and morality evidencing a literate style that is both accessible and profound reflective of mid 20th century thought C S Lewis a scholar of literature and a devout Christian draws from his own experiences both personal and academic to craft narratives that resonate with universal truths His time at Oxford University coupled with his conversion to Christianity during the tumultuous times of World War II profoundly influenced his writing The juxtaposition of imaginative storytelling with theological themes reflects Lewis s desire to explore human nature and spirituality amid a rapidly changing world Readers seeking a multifaceted journey through literature religion and self discovery will find Lewis s comprehensive collection a vital addition to their library This anthology not only entertains but also encourages introspection serving as an invitation to reflect on the deeper questions of existence purpose and the human condition *International Who's Who in Poetry 2005* Europa Publications,2004-08-02 The 13th edition of the *International Who's Who in Poetry* is a unique and comprehensive guide to the leading lights and freshest talent in poetry today Containing biographies of more than 4 000 contemporary poets world wide this essential reference work provides truly international coverage In addition to the well known poets talented up and coming writers are also profiled Contents Each entry provides full career history and publication details An international appendices section lists prizes and past prize winners organizations magazines and publishers A summary of poetic forms and rhyme schemes The career profile section is supplemented by lists of Poets Laureate Oxford University professors of poetry poet winners of the Nobel Prize for Literature winners of the Pulitzer Prize for American Poetry and of the King s Queen s Gold medal and other poetry prizes *Mississippi Poets* Catharine Savage Brosman,2020-08-25 Mississippi has produced outstanding writers in numbers far out of proportion to its population Their contributions to American literature including poetry rank as enormous *Mississippi Poets A Literary Guide* showcases forty seven poets associated with the state and assesses their work with the aim of appreciating it and its place in today s culture In Mississippi the importance of poetry can no longer be doubted It partakes as Faulkner wrote of the broad aim of all literature to uplift man s heart In *Mississippi Poets* author Catharine

Shelley Keats and Wordsworth as well as to the French symbolists and modernists from Baudelaire to Nerval Val ry and Cendrars This comparative approach opens up a brand new perspective on Durrell that has not yet been broached by North American and English scholarship The symbolic patterns the stylistic ploys and the aesthetic and philosophic tenets that characterize Durrell s poetics account for the necessary back and forth reading that connects prose and poetry the fictional and the lyrical the descriptive and the abstract Poetry excerpts extracts from his residence books novels and essays highlight not only Durrell s complex literary strategies but also the ontological quest of a writer who although never at home with the world he lived in strove to create a life world what semiologists call the Umwelt The World's Best Poetry: Poems of tragedy; poems of humor Bliss Carman,1904
