Attacking 101: Volume #003 Joel Johnson, 2016-04-16 The goal of the books in this series Attacking 101 Volume nnn is to provide detailed analysis of my own attack games played against lower rated players The players are all rated in the range of 1700 to 2100 They make the same errors you regularly witness in your games but here you get to see a Chess Master dissect and exploit the moves show why they are wrong and how to punish the opponent's poor play This book covers White Openings and has deep coverage of the Center Game and Sicilian Grand Prix all lines

Live Online Chess: Social Features & Downsides Jose Fadul, 2012-10-26 The book features social network analysis of the author's live rated online chess games with various players including high and middle strength computer software from different time zones and cultures around the world For most of them the social features and downsides of real time online chess were investigated and documented including social magnetism gambling anonymity and use of pseudonyms nationalism Lesbian Gay Bisexual Transgender LGBT issues Islamophobia and social stratification and mobility The accompanying game annotations and post

game discussions mainly dwell on responsible participation and civil discourse using live online chess games as medium Online chess has become a test case for us as an international trans national group to think about how we can live in a socially differentiated society where its members subscribe to a plurality of forms of knowledge arising from considerably different environments experiences and genetic makeup Taming Wild Chess Openings John Watson,2015-11-04 No matter how unconventional irrational or even crazy an opening is sooner or later every chess player will have to face it When that happens you can count on a well prepared opponent who is more than happy to roll out his pet line John Watson and Eric Schiller provide club players with solutions to a huge selection of these rarely played or tricky chess openings They concentrate upon ideas and strategy with enough analysis to satisfy the needs of practical play Only when a sharp reply is required Watson and Schiller will recommend a more complex variation filled with tactics In the vast majority of cases they present a simple and safe way to approach the position requiring little memorization and still leading to a promising game There is a lot of fun material in this book and you may be surprised to see how even strong grandmasters have indulged in the craziest variations Chess isn't all main lines and 20 moves of theory **Attacking 101: Volume #005** Joel Johnson,2020 **Chess Words of Wisdom** Mike Henebry,2011-10-10 Chess Words of Wisdom is made up of the crucial information mined from over 400 chess books plus hundreds of magazine articles videos DVDs web sites and various other sources all condensed into this one remarkably complete and one of a kind chess book Chess Words of Wisdom quotes paraphrases and summarizes the teachings of hundreds of experts masters IMs GMs and even a few scientists scholars and generals Essentially all of the wisdom from these important sources is in this one book Chess Words of Wisdom is a digest of hundreds of years of chess knowledge from the greatest chess minds in history This is the must know information for the well schooled chessplayer at all levels from beginner to master Chess Words of Wisdom is unique in that it is all text There are no diagrams or analysis at all in the book There is not a single game in the entire book Instead the book is jam packed with essential chess knowledge in plain English If you want to learn if you want to thoroughly understand chess Chess Words of Wisdom is for you Chess Words of Wisdom is about understanding chess There are no frills cartoons or nonsense of any kind in it just intense cover to cover concentrated chess instruction in the form of verbal explanation This is an ideal textbook for chess teachers coaches trainers and all serious students of the game It is for players of all strengths who are enthusiastic about understanding and mastering the game of chess A 534 page one of a kind chess book it belongs in every serious chessplayer's library It contains all of the useful practical information from over 400 chess books plus many other sources As a result it contains more helpful information than certainly any other chess book in history This is one volume treatise covers nearly all of the essential concepts in chess All you need to know about everything that matters New In Chess Magazine Kudos Just glanced through your book which displays an enormous amount of research and chess erudition Looking forward to some enjoyable reading the late Larry Evans U S grandmaster author journalist and five time U S Chess Champion it's

definitely unique in its verbal approach which is particularly useful especially to adults learning the game Jennifer Shahade author journalist two time U S Women s Chess Champion and FIDE Woman Grandmaster Positional Attacks Joel Johnson,2014-02-28 The third installment of the best selling series of attack books Formation Attacks Formation Attack Strategies and now Positional Attacks is another 500 page book full of great attack information with 532 fabulous attack games from all openings and all eras The aim of Positional Attacks is to uncover the artistic side of attacking one that is primarily centered on the creation and exploitation of weaknesses Oh sure there will be tactics after all they cannot be avoided in chess nor would we want to exclude them But there is nothing quite like witnessing chess masters dissect their opponents with smooth elegant aggressive positional attacking maneuvers And once again the games provided in the book came from an in depth global search for unique inspirational and original attacks from some of the world s greatest attackers Many of them toil in remote areas of the planet and have only a local following My First Chess Opening Repertoire Christof Sielecki,2024-10-10 In My First Chess Opening Repertoire you will learn how to play the opening This book gives you a compact and easy to learn repertoire for White starting with the move 1 e4 And it gives you a similar repertoire for Black with answers to all of White s approaches For beginners and improvers for anyone with a rating up to 1200 or even higher there is probably no better guide than Christof Sielecki who has already published four opening books and more than a dozen courses on the Chessable platform He knows exactly what his students need and has indeed received thousands of five star ratings The author strikes the perfect balance between fun easy to understand and theoretically sound opening choices And he keeps it entertaining with attacking and counterattacking lines First you ll learn the general opening principles that will guide you in any situation even if your opponent doesn t play the exact moves in the book Then you ll learn specific variations that will improve both your opening play and your general understanding of chess With White you will start with 1 e4 and build your repertoire around timeless opening principles with logical moves that almost play themselves With Black for example you will study the Sicilian Defence an opening that guarantees you the most interesting games and the most attacking opportunities This repertoire will allow you to hit the ground running
