**African Americans and the Bible** Vincent L. Wimbush, 2012-09-01 Perhaps no other group of people has been as much formed by biblical texts and tropes as African Americans From literature and the arts to popular culture and everyday life the Bible courses through black society and culture like blood through veins Despite the enormous recent interest in African American religion relatively little attention has been paid to the diversity of ways in which African Americans have utilized the Bible African Americans and the Bible is the fruit of a four year collaborative research project directed by Vincent L Wimbush and funded by the Lilly Endowment It brings together scholars and experts sixty eight in all from a wide range of academic and artistic fields and disciplines including ethnography cultural history and biblical studies as well as art music film dance drama and literature The focus is on the interaction between the people known as African Americans and that complex of visions rhetorics and ideologies known as the Bible As such the book is less about the meanings of the Bible than about the Bible and meanings less about the worlds of the Bible than about how worlds and the Bible interact in short about how a text constructs a people and a people constructs a text It is about a particular sociocultural formation but also about the dynamics that obtain in the interrelation between any group of people and sacred texts in general Thus African Americans and the Bible provides an exemplum of sociocultural formation and a critical lens through which the process of sociocultural formation can be viewed

of old age on antebellum women and their needlework technological developments related to needlework during the antebellum period and the tensions that arose from the increased mechanization of textile production and how gift needlework functioned among friends and family members Far from being solely decorative ornaments or functional household textiles these samplers and quilts served their own ends They offered aging women a means of coping of sharing and of expressing themselves These threads of time provide a valuable and revealing source for the lives of mature antebellum women Publication of this book was made possible in part through generous funding from the Coby Foundation Ltd and from the Quilters Guild of Dallas Helena Hibbs Endowment Fund
