Steaming Up! Samuel Matthews Vauclain, Earl Chapin May, 1930 **Steaming Up!** Samuel Matthews Vauclain, Earl Chapin May, 1930 *The United States in World War I* James T. Controvich, 2023-05-08 With the centennial of the First World War rapidly approaching historian and bibliographer James T Controvich offers in *The United States in World War I A Bibliographic Guide* the most comprehensive up to date reference bibliography yet published Organized by subject this bibliography includes the full range of sources vintage publications of the time books pamphlets periodical titles theses dissertations and archival sources held by federal and state organizations as well as those in public and private hands including historical societies and museums As Controvich's bibliographic accounting makes clear there were many facets of World War I that remain virtually unknown to this day Throughout Controvich's bibliography tracks the primary sources that tell each of these stories and many others besides during this tense period in American history Each entry lists the author title place of publication publisher date of publication and page count as well as descriptive information concerning illustrations plates ports maps diagrams and plans The armed forces section carries additional information on rosters awards citations and killed and wounded in action lists *The United States in World War I A Bibliographic Guide* is an ideal research tool for students and scholars of World War I and American history *Romania during the World War I Era* Kurt Treptow, 2022-09-01 One of the most dramatic periods in modern history the World War I era also marked a turning point in Romanian history This volume is a collection of studies presented by Romanian American and British scholars at the Fourth International Conference of the Center for Romanian Studies held in Iasi and Focsani Romania from 22-27 June 1998 on the occasion of the eightieth anniversary of the end of the great world conflict Articles included Mark Axworthy *Through British Eyes Romanian Military Performance in World War I* Catalin Turliuc *Major Factors which Determined the Conduct of the Great War* Valeriu Florin Dobrinescu Ion I C Bratianu *The Genius of Greater Romania* Diana Fotescu Regina Maria si razboiul de intregire nationala Constantin Hlihor *Romania within the Geopolitics of the Great Powers of Europe between 1918-1919* Nicholas M Nagy Talavera Iorga's Role during the Great War 1914-1918 Demetrius Dvoichenko *de Markov The Anti Communist White Guards and Romania 1918* Ernest H Latham Jr *We Will Do Business Romania and the Baldwin Locomotive Works* Kurt W Treptow John Reed and Romania in 1915 Costica Prodan *Unele consideratii privind participarea Romaniei la primul razboi mondial 1916-1918* and many others *Lives of the Philadelphia Engineers* Andrew Dawson, 2017-11-28 *Lives of the Philadelphia Engineers* examines the emergence of a new class of industrial entrepreneur and the world it confronted and shaped Historians are reluctant to examine nineteenth century American business leaders as a social group and this study helps remedy the defect This book interweaves a history of the social and economic development of the largest centre of machine building in nineteenth century America with the dramatic political narrative of sectional conflict Civil War and Reconstruction Crossing and re-crossing the boundary between industrial and political history it throws new light on the

process of industrialisation the Civil War conflict and the contested governance of nineteenth century cities While this study is firmly rooted in the experience of Philadelphia s machine builders its historiographic significance extends to many of the important themes of mid century American history By rejecting the conventional viewpoint that timid manufacturers were conservative supporters of the plantation South and insisting that workshop owners rejected slavery this study reinvigorates one of the Civil War s enduring interpretative battles Of interest to scholars of business economic social labour education urban and Civil War history it will no doubt stimulate further debate and add a new angle to our understanding of nineteenth century America

Church and Estate Thomas F. Rzeznik,2015-01-14 In Church and Estate Thomas Rzeznik examines the lives and religious commitments of the Philadelphia elite during the period of industrial prosperity that extended from the late nineteenth century through the 1920s The book demonstrates how their religious beliefs informed their actions and shaped their class identity while simultaneously revealing the ways in which financial influences shaped the character of American religious life In tracing those connections it shows how religion and wealth shared a fruitful yet ultimately tenuous relationship

Catalog of Copyright Entries. New Series Library of Congress. Copyright Office,1932 *American Steam Locomotives* William L. Withuhn,2019-03-01 For nearly half of the nation s history the steam locomotive was the outstanding symbol for progress and power It was the literal engine of the Industrial Revolution and it played an instrumental role in putting the United States on the world stage While the steam locomotive s basic principle of operation is simple designers and engineers honed these concepts into 100 mph passenger trains and 600 ton behemoths capable of hauling mile long freight at incredible speeds *American Steam Locomotives* is a thorough and engaging history of the invention that captured public imagination like no other and the people who brought it to life

Poland, the United States, and the Stabilization of Europe, 1919-1933 Neal Pease,1986-11-27 In the eyes of the world no European country appeared more vulnerable to its enemies or less likely to establish peace with them than inter war Poland This is the first full length study of relations between Poland and the U S following World War I as Poland turned to America to buttress its precarious position Pease lucidly examines how Polish leaders of the 1920s discerning America s essential aim of fostering stability in Europe sought to enlist U S political and financial support on behalf of their beleaguered state Drawing on exhaustive archival research Pease unravels the fascinating ties between these unlikely diplomatic partners He reveals how Poland not only had to fight an uphill battle against inter war America s isolationism but also had to counter America s reluctance to underwrite a nation surrounded by two strong and hostile neighbors Germany and the Soviet Union Poland s plea for political and financial backing was ultimately denied by both the White House and Wall Street with dire consequences for Poland s future and Europe s fragile peace Authoritative and original this book is valuable contribution to our understanding of America and Europe during the interwar years
