Steelers Team Of The Decade:

Steelers! Team of the Decade Lou Sahadi, 1979 '74 Hustle Peter Cannizzaro, 2010-07 74 Hustle tells the story of an ordinary man who talked his way into an extraordinary situation It is a fantastic journey through the famed Three Rivers Stadium in Pittsburgh Pennsylvania former home of quite possibly the greatest football team to have ever played and surely the greatest team of the 1970s Author Peter Cannizzaro was fortunate enough to be the personal guest of the 1974 Super Bowl Champion Pittsburgh Steelers for their twenty five year reunion on a fateful night in October 1999 during a regular Monday night Steelers game Although Cannizzaro is a native of Louisiana he is a lifelong fan of the Steelers who had a once in a lifetime opportunity to be in Pittsburgh at the same time that the Steelers celebrated the twenty fifth anniversary of their amazing Super Bowl win By chance he met a 74 Steelers team member Through a turn of events the author found himself meeting team members 74 Hustle takes you on the bus ride with the team to the game to the extravagant pre game party on the sidelines for the whole game and on the most amazing bus ride home Experience the most amazing NFL play the 74 Hustle *The 50 Greatest Players in Pittsburgh Steelers History* Robert W. Cohen, 2019-08-26 The 50 Greatest Players in Pittsburgh Steelers History examines the careers of the 50 men who made the greatest impact on one of the NFL s most iconic and successful franchises The author ranks from 1 to 50 the top 50 players in team history Quotes from opposing players and former teammates are provided along the way as are summaries of each player s greatest season most memorable performances and most notable achievements *The Sports Hall of Fame Encyclopedia* David Blevins, 2012 Provides a comprehensive listing including biographical information and statistics of each athlete inducted into one of the major sports halls of fame **The Sports Hall of Fame Encyclopedia** Dave Blevins, 2011-12-23 In 1936 the Baseball Hall of Fame was established to honor the legends of the sport The first inductees were some of the greatest names of the dugout including Ty Cobb and Babe Ruth Less than ten years later in 1945 the Hockey Hall of Fame inducted its first members The Soccer Hall of Fame was established in 1950 followed by the Basketball Hall of Fame in 1959 and the Football Hall of Fame in 1963 In all more than 1 400 inductees players teams and behind the scenes personnel have been enshrined in these five halls of fame The Sports Hall of Fame Encyclopedia is a comprehensive listing of each inductee elected into one or more of these major sports halls of fame From Hank Aaron to Fred Zollner this book contains biographical information sport and position s played and career statistics when applicable of each of the more than 1 400 honorees The book also includes specific appendixes for each shrine in which inductees are listed alphabetically and by year of induction Also included are appendixes briefly describing the history of each hall of fame Chuck Noll Michael MacCambridge, 2017-03-31 Chuck Noll won four Super Bowls and presided over one of the greatest football dynasties in history the Pittsburgh Steelers of the 70s Later inducted into the Pro Football Hall of Fame his achievements as a competitor and a coach are the stuff of legend But Noll always remained an intensely private and introspective man never revealing much of himself as a person or as a coach

not even to the players and fans who revered him Chuck Noll did not need a dramatic public profile to be the catalyst for one of the greatest transformations in sports history In the nearly four decades before he was hired the Pittsburgh Steelers were the least successful team in professional football never winning so much as a division title After Noll s arrival his quiet but steely leadership quickly remolded the team into the most accomplished in the history of professional football And what he built endured well beyond his time with the Steelers who have remained one of America s great NFL teams accumulating a total of six Super Bowls eight AFC championships and dozens of division titles and playoff berths In this penetrating biography based on deep research and hundreds of interviews Michael MacCambridge takes the measure of the man painting an intimate portrait of one of the most important figures in American football history He traces Noll s journey from a Depression era childhood in Cleveland where he first played the game in a fully integrated neighborhood league led by an African American coach and then seriously pursued the sport through high school and college Eventually Noll played both defensive and offensive positions professionally for the Browns before discovering that his true calling was coaching MacCambridge reveals that Noll secretly struggled with and overcame epilepsy to build the career that earned him his place as the Emperor of Pittsburgh during the Steelers dynastic run in the 1970s while in his final years he battled Alzheimer s in the shelter of his caring and protective family Noll s impact went well beyond one football team When he arrived the city of steel was facing a deep crisis as the dramatic decline of Pittsburgh s lifeblood industry traumatized an entire generation Losing Noll said on his first day on the job has nothing to do with geography Through his calm confident leadership of the Steelers and the success they achieved the people of Pittsburgh came to believe that winning was possible and their recovery of confidence owed a lot to the Steeler s new coach The famous urban renaissance that followed can only be understood by grasping what Noll and his team meant to the people of the city The man Pittsburghers could never fully know helped them see themselves better Chuck Noll His Life s Work tells the story of a private man in a very public job It explores the family ties that built his character the challenges that defined his course and the love story that shaped his life By understanding the man himself we can at last clearly see Noll s profound influence on the city players coaches and game he loved They are all in a real sense heirs to the football team Chuck Noll built

Dallas Cowboys Jaime Aron,2010-08-08 Dallas Cowboys The Complete Illustrated History presents all the legendary games players and teams in the history of this iconic franchise exploring both on the field moments and off the field exploits of America s Team One of the most successful programs in pro sports history the Cowboys have appeared in more Super Bowls than any other NFL franchise and boast a roster of players that reads like an all time all star team all highlighted here with lavish illustrations player profiles game and season recaps and entertaining stories This is the ultimate celebration of the silver and blue for fans of all ages

The First 50 Super Bowls Ed Benkin,2018-01-12 The Super Bowl redefined American sports Over the past half century the NFL s championship game has grown from humble beginnings to the biggest sporting event of the calendar year an event that creates legendary

stories from Len Dawson's conversation with the president to Jim O'Brien's game winning kick and Randy White's post game duet with Willie Nelson. Covering 50 Super Bowls from 1966 through 2016, this book gives an insider's view of each game with recollections from the people who participated, many told for the first time. I Hate the Dallas Cowboys Bert Sugar, 1997-09-15. For the first time ever, a collection of essays gives voice to what America thinks of the Dallas Cowboys. Bert Randolph Sugar, whom The New Yorker calls the best kibitzer in New York, has assembled a group of noted contributors including Kenny Stabler, Sonny Jurgensen, Irv Cross, and Steve Bartowski, who offer the reasons why they hate the Cowboys.

The Super Bowl David Fischer, 2015-10-06. In 1966, as the champions of the AFL and NFL prepared to play each other for the first time, Kansas City Chiefs owner Lamar Hunt wrote the following to Commissioner Pete Rozelle: "I have kiddingly called the championship game the Super Bowl, which obviously can be improved upon." How wrong Hunt was! After the AFL merged with the NFL, Super Bowl became the official title of the NFL championship game in the years to come. In celebration of the first fifty Super Bowls, David Fischer traces its evolution from a game that didn't sell out in 1967 to a worldwide phenomenon with a viewership in the hundreds of millions. Packed with dozens of arresting full-color illustrations highlighting game action, memorabilia, and players and coaches, The Super Bowl includes sections on the greatest games, individual performances, and game-changing plays. Fischer explores unique Super Bowl angles as well, including a ranking of The Best Who Never Won and The Best Who Never Lost, along with perspectives from players and fans. He covers the action, the heroes, the strategy, and the records from half a century of championship football. This celebration of the fiftieth anniversary of America's premier sporting event is an essential addition to any football fan's collection.
