**Stephen Crane, Edwin Harrison Cady**

## **Stephen Cranes Love Letters To Nellie Crouse:**

*Stephen Crane's Love Letters to Nellie Crouse* Edwin H. Cady, 1954      **Stephen Crane's Love Letters to Nellie Crouse** Stephen Crane, Edwin Harrison Cady, Nellie Janes Crouse Carpenter, 1954      **Stephen Crane's Love Letters to Nellie Crouse. With Six Other Letters, New Materials on Crane at Syracuse University, and a Number of ... Photographs. Edited, with Notes and Introductions, by Edwin H. Cady and Lester G. Wells** Stephen Crane, Edwin Harrison Cady, 1954      [Love Letters to Nellie Crouse](#) Stephen Crane, 1954      [Love Letters to Nellie Crouse](#) Stephen Crane, 2012-06 Additional Contributor Is Nellie Janes Crouse Carpenter      **The Poetry of Stephen Crane** Daniel Hoffman, 1971 Available for the first time in English this is the definitive account of the practice of sexual slavery the Japanese military perpetrated during World War II by the researcher principally responsible for exposing the Japanese government's responsibility for these atrocities The large scale imprisonment and rape of thousands of women who were euphemistically called comfort women by the Japanese military first seized public attention in 1991 when three Korean women filed suit in a Toyko District Court stating that they had been forced into sexual servitude and demanding compensation Since then the comfort stations and their significance have been the subject of ongoing debate and intense activism in Japan much if it inspired by Yoshimi's investigations How large a role did the military and by extension the government play in setting up and administering these camps What type of compensation if any are the victimized women due These issues figure prominently in the current Japanese focus on public memory and arguments about the teaching and writing of history and are central to efforts to transform Japanese ways of remembering the war Yoshimi Yoshiaki provides a wealth of documentation and testimony to prove the existence of some 2 000 centers where as many as 200 000 Korean Filipina Taiwanese Indonesian Burmese Dutch Australian and some Japanese women were restrained for months and forced to engage in sexual activity with Japanese military personnel Many of the women were teenagers some as young as fourteen To date the Japanese government has neither admitted responsibility for creating the comfort station system nor given compensation directly to former comfort women This English edition updates the Japanese edition originally published in 1995 and includes introductions by both the author and the translator placing the story in context for American readers      A *Stephen Crane Encyclopedia* Stanley Wertheim, 1997-10-28 The publication of *The Red Badge of Courage* in 1895 brought Stephen Crane instant fame at age 23 At 28 he was dead In the brief span of his literary career Crane enjoyed a significant measure of renown as well as notoriety but his reputation rested almost entirely upon his war novel and he felt that his talent had ultimately been misjudged From his adolescence until his death Crane was a professional journalist To this day most educated American readers know him only as the author of the most realistic Civil War novel ever written three or four action packed short stories and a handful of iconoclastic free verse poems Crane was befriended and admired by some of the most important literary figures of his time such as William Dean Howells Willa Cather Joseph Conrad Henry James and H G

Wells He has also been called a realist a naturalist an impressionist a symbolist and an existentialist This reference book provides a more complete picture of Crane s short but furiously creative life and encourages a more extensive appreciation of his works The volume includes hundreds of entries for members of Crane s immediate and extended family close friends and associates educational institutions that he attended places where he resided publishers and syndicates by whom he was employed literary movements with which he is usually associated and the works of fiction poetry and journalism that he wrote Thus the book shows that he was a pioneer in the development of a number of genres in modern American fiction and poetry that he was the first literary chronicler of the burgeoning slums of urban America who refused to sentimentalize his materials that his Western stories reveal the steady retreat of the American frontier before the encroachments of a modern Europeanized civilization and that his short stories and poems engage a number of enduring themes Many of the entries cite works for further reading and the volume includes a chronology and a bibliography of the most important studies of his life and writing

*Student Companion to Stephen Crane* Paul M. Sorrentino, 2005-11-30 Born into a family of writers Stephen Crane wrote his first poem I d Rather Have when he was eight and his first short story Uncle Jake and the Bell Handle at around the age of 13 Despite never having completed a course of study at any of the colleges he attended Crane decided in the spring of 1891 to pursue a career as a writer While working as a journalist he penned Maggie A Girl of the Streets a novella written in the Naturalist style that depicted the seaminess of urban tenement life Enduring his own poverty and taking temporary reporting jobs Crane completed his literary masterpiece The Red Badge of Courage a dramatic depiction of a soldier s inner life during the American Civil War in April 1894 The author who continued to write both journalistic pieces and short stories until his death in June 1900 is one of the most highly regarded and popularly taught American authors today Stephen Crane pursued his writing career during a time when the literary world was moving from Romanticism to Realism and Naturalism and later in his life Impressionism and Modernism Sorrentino examines each of Crane s works identifying the influence of these literary movements and world events on his novels short stories and poetry including Maggie A Girl of the Streets New York City Stories and Sketches The Red Badge of Courage War Stories Western Stories and Tales of Whilomville

The Pluralistic Philosophy of Stephen Crane Patrick Kieran Dooley, 1993 In spite of an extensive secondary literature that bristles with philosophical labels concerning his outlook Stephen Crane s philosophy has been virtually ignored Patrick Dooley s systematic examination of all Crane s writings novels sketches short stories news dispatches and poems whether famous or previously ignored discloses coherent but subtle metaphysical epistemological social and ethical positions Dooley provides a sustained direct discussion of Crane s philosophy and offers vivid depictions of fundamental philosophical issues

*Edinburgh Companion to Nineteenth-Century American Letters and Letter-Writing* Celeste-Marie Bernier, 2016-02-15 Provides a wide ranging entry point and intervention into scholarship on nineteenth century American letter writing This comprehensive study by leading scholars in an important new field the history of letters

and letter writing is essential reading for anyone interested in nineteenth century American politics history or literature Because of its mass literacy population mobility and extensive postal system nineteenth century America is a crucial site for the exploration of letters and their meanings whether they be written by presidents and statesmen scientists and philosophers novelists and poets feminists and reformers immigrants Native Americans or African Americans This book breaks new ground by mapping the voluminous correspondence of these figures and other important American writers and thinkers Rather than treating the letter as a spontaneous private document the contributors understand it as a self conscious artefact circulating between friends and strangers and across multiple genres in ways that both make and break social ties

**Key Features** Draws together different emphases on the intellectual literary and social uses of letter writing Provides students and researchers with a means to situate letters in their wider theoretical and historical contexts Methodologically expansive intellectually interrogative chapters based on original research by leading academics Offers new insights into the lives and careers of Louisa May Alcott Charles Brockden Brown Emily Dickinson Frederick Douglass Margaret Fuller Henry James Thomas Jefferson Abraham Lincoln Herman Melville Harriet Beecher Stowe and Edgar Allan Poe among many others
