Modernism, Space and the City Andrew Thacker, 2019-01-22 This innovative text examines the development of modernist writing in four European cities London Paris Berlin and Vienna **Stephen Spender** David Leeming, 2000-11-01

Who's Who in Gay and Lesbian History Vol.1 Robert Aldrich, Garry Wotherspoon, 2005-10-25 Who's Who in Gay and Lesbian History From Antiquity to the Mid Twentieth Century is a comprehensive and fascinating survey of the key figures in gay and lesbian history from classical times to the mid twentieth century Among those included are Classical heroes Achilles Aeneas Ganymede Literary giants Sappho Christopher Marlowe Arthur Rimbaud Oscar Wilde Royalty and politicians Edward II King James I Horace Walpole Michel de Montaigne Over the course of some 500 entries expert contributors provide a complete and vivid picture of gay and lesbian life in the Western world throughout the ages **The Aesthetic Cold War**

Peter J. Kalliney, 2024-12-10 How decolonization and the cold war influenced literature from Africa Asia and the Caribbean How did superpower competition and the cold war affect writers in the decolonizing world In The Aesthetic Cold War Peter Kalliney explores the various ways that rival states used cultural diplomacy and the political police to influence writers In response many writers from Africa Asia and the Caribbean such as Chinua Achebe Mulk Raj Anand Eileen Chang C L R James Alex La Guma Doris Lessing Ng g wa Thiong o and Wole Soyinka carved out a vibrant conceptual space of aesthetic nonalignment imagining a different and freer future for their work Kalliney looks at how the United States and the Soviet Union in an effort to court writers funded international conferences arts centers book and magazine publishing literary prizes and radio programming International spy networks however subjected these same writers to surveillance and intimidation by tracking their movements tapping their phones reading their mail and censoring or banning their work Writers from the global south also suffered travel restrictions deportations imprisonment and even death at the hands of government agents Although conventional wisdom suggests that cold war pressures stunted the development of postcolonial literature Kalliney's

extensive archival research shows that evenly balanced superpower competition allowed savvy writers to accept patronage without pledging loyalty to specific political blocs Likewise writers exploited rivalries and the emerging discourse of human rights to contest the attentions of the political police A revisionist account of superpower involvement in literature The Aesthetic Cold War considers how politics shaped literary production in the twentieth century **Princeton Alumni Weekly** ,1999 **Travel Narrative and the Ends of Modernity** Stacy Burton,2014 Combining theoretical arguments with close reading this text traces how twentieth century writers have reinvented travel narrative for new purposes **The Advocate** ,1999-11-09 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States Who's who in Gay and Lesbian History Robert Aldrich,Garry Wotherspoon,2002 500 entries from more than 100 contributors profiling gay and lesbians throughout history ranging from Sappho to Andre Gide most entries are accompanied by a bibliography **The Agon of Modernism** Anne Quéma,1999 Lewis s political writings present ambiguities his stated belief in the autonomy of art from life is contradicted by other statements he made and by his critical analyses of writers and his political writings blur any a priori generic distinction between art and non art Given this blurring between art and life artistic genre and non artistic genre Quema claims that Lewis s political texts present characteristics usually attributed to avant gardism However this radicalism has to be balanced against Lewis s conservatism Thus his political writings can be read as allegories with two pragmatic aims to organize the life of the polis from an artistic standpoint and to persuade the reader to adhere to authoritarian politics BOOK JACKET
