

Stephen Foster

1826-1864

MUSIC COMPOSER/SONGWRITER

Stephen Foster was America's first great songwriter. The composer of classics such as *Oh! Susanna*, *Jenny with the Light Brown Hair*, *Beautiful Dreamer*, *Camptown Races* and *My Old Kentucky Home*, Foster virtually invented popular music as we recognize it today.

Foster's life was riddled with contradictions. Although his songs celebrated the rural South, he scarcely set foot there, spending most of his life in Pittsburgh, the smoky cradle of America's industrial revolution.

The best of his songs transcended caricature and expressed a profound sympathy for African Americans that even Frederick Douglass applauded.

Foster's yearning for respectability drove him to write love songs, but these ballads were belied by his own broken marriage. Unable to equal the success of his earlier hits, he died a nearly penniless alcoholic on the Bowery (New York City).

-from Simon & Schuster book cover blurb,
Doo-Dah! Stephen Foster and the Rise of American Pop Culture
By Ken Emerson

Stephen Foster remains a songwriter whose melodies are better known than he is. The 19th century from which he sprang was beset by cultural paradoxes that are at the very heart of society today.

-Thomas Hampson, *Baritone*,
American Dreamer: Songs of Stephen Foster
