Stephens Passion:

Psychic Passion Sara Herrington, 2011-05-12 He could be successful if his past would not haunt him After losing his family job and reputation in a small Alabama town Detective Stephens becomes Birmingham's newest addition The lonely detective is assigned a tough murder case and an even bossier partner When he vocalizes his hunch that the string of crimes is the work of a serial killer Stephens partner and the police chief silence him Hiding details from his partner Stephens decides to investigate solo but the closer he gets to the truth the further away from solving the crime he seems The sensual temptations of Stephens past ongoing conflict in his present and the uncertainty of his future tailspin into a thriller that's anything but predictable In the end Stephens inner demons will kill him if the killer doesn't first *A Private Passion* Stephan Wolohojian, Anna Tahinci, 2003 For the Winthrop collection's international debut exhibition curators at the Fogg Art Museum of the Harvard University Art Museums headed by Stephan Wolohojian organized the selection and invited more than sixty specialists to write on artworks in their particular area of expertise Works include such highlights in their creator's oeuvre as Jacques Louis David's sketchbooks for The Coronation of Napoleon and the Crowning of Josephine Theodore Gericault's Mutiny on the Raft of the Medusa Vincent van Gogh's The Blue Cart Jean Auguste Dominique Ingres's Odalisque with the Slave William Blake's illustrations for the Divine Comedy Dante Gabriel Rossetti's Blessed Damozel and James Abbott McNeill Whistler's Nocturne in Blue and Silver In addition an essay by Wolohojian provides a fascinating and informative description of Winthrop and the growth of his collection BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Miracles of the New Testament: A Guide to the Symbolic Messages** Alonzo L. Gaskill, 2023-02-14 From loaves and fishes to raising Lazarus from the dead Jesus Christ performed countless miracles during His mortal life Whether you are a student or teacher of the gospel you'll enjoy Alonzo Gaskill's compilation of the history and symbolism behind each miracle With deeper understanding of the New Testament you'll find a more profound testimony of the Savior's role in your life The Passion According to Luke Jerome H. Neyrey, 2007-05-01 Jerome Neyrey brings a remarkably enlightened approach to the Passion Narrative and to Luke's particular version of it The book begins where previous studies leave off for it goes beyond traditional questions of source and historicity and treats the Lukan Passion Narrative from the standpoint of redaction criticism Neyrey offers a fresh literary analysis of the text along with significant thematic and theological insights into Luke's version of Jesus's Passion Five major episodes in the Passion Narrative are treated The Farewell Address at the Last Supper the Garden Jesus's Trials his Address to the Women and the Crucifixion Although rich in detail this book continually offers a unified view of the text readers are constantly offered overviews summaries of the data and interpretation of it The book breaks new ground in suggesting a distinctive Lukan soteriology of the cross and a corresponding Christology Study of the faith of the dying Jesus becomes a major clue for seeing Jesus as the New Adam in Luke Acts This book significantly advances our reading of Luke especially by the way Acts is brought to bear as

an interpretive clue to Luke's whole project Luke Acts Contemporary interpretation of Luke demands study of the way Lukan structures and themes are continued and confirmed in Acts which holds true especially for the Passion Narrative Luke brings the story of Jesus into harmony with the story of his church Sacra Pagina: The Acts Of The Apostles Luke Timothy Johnson, 2023-06-13 The Acts of the Apostles is really the second volume in the two part writing scholars call Luke Acts It continues the story begun in the Gospel of Luke showing how the Good News offered by Jesus to the outcast of the people was eventually extended to the end of the earth so that Gentiles as well as Jews came to share in the blessings of God This commentary treats Luke Acts as an apologetic history It takes with equal seriousness both Luke's literary artistry and his historical interests fitting his methods comfortably within the ancient standards of historiography This perspective illustrates in particular that Luke's historical narrative serves a definite religious intent Tracing that intent through the specific contours of Luke's story is the special contribution of this commentary **Interweaving Innocence** Heather Marie

Gorman, 2015-11-09 In this study Heather Gorman analyzes Luke's portrayal of Jesus' death in light of the ancient rhetorical tradition particularly the progymnasmata and the rhetorical handbooks In addition to providing a detailed up to date exegetical study of Luke 22:66-23:49 she argues three things First through the strategic placement of rhetorical figures and the use of common topics associated with refutation and confirmation Luke structures his passion narrative as a debate about Jesus' innocence which suggests that one of Luke's primary concerns is to portray Jesus as politically innocent Second ancient examples of synkrisis suggest that part of the purpose of Luke's characterization of Jesus in the passion narrative especially when set in parallel to Paul and Stephen in Acts was to set up Jesus as a model for his followers lest they face similar persecution or death Third Luke's special material and his variations from Mark are explicable in terms of ancient compositional techniques especially paraphrase and narration and thus recourse to a special Passion Source is unnecessary

Jessie's Corner Becky Gillette, 2023-06-26 Quite often when we read the Bible we see the big themes that we have heard over the years do right don't do wrong love your neighbor and turn the other cheek Jessie's Corner takes some of the less well known scriptures and shows how they too can impact your life Sometimes the big themes find support in the small acts that we do every day These essays show applications of those small pockets of wisdom in our daily lives Some days the best we can say is that we've managed to stay away from sharp objects or explosives It's possible to take those difficult days and lighten them by giving hope and showing that we do not go through them alone Everyone feels discouraged and hopeless at times It takes courage and faith to do something while being afraid You can find courage and faith by connecting with God as a friend This collection of meditations uses lesser known scripture passages to explore ways to create a personal relationship with God and demonstrate that small acts can affect you in big ways Crucified J. Christopher Edwards, 2023 The accusation that Jews executed Jesus is perhaps the most overlooked of all Christianity's troubling traditions In this study J. Christopher Edwards shines a light on this forgotten tradition in which Christians rewrite their history to blame Jews for the

crucifixion of Jesus **Seeing through the Screen** Bruce E. Altschuler, 2017-11-22 Although films affect and reflect the way Americans look at politics they have received far less attention than television or newspapers This is changing particularly on college campuses where courses on politics and film are growing in popularity This book consists of short essays on approximately fifty American political films It is distinctive in two ways Firstly it defines politics broadly enough to include a range of films not only on obviously political topics such as the presidency congress and elections but also on the media law and courts war and peace and a variety of policy issues Secondly it goes beyond plot and dialogue to discuss the language of film including visual aspects sound mise en scene and other ways that films communicate their messages to audiences Each chapter begins with a brief introduction to the films included The essays also explain the political context of each film and when films are based on historical events discuss the accuracy of their depictions References to additional sources are included at the end of each essay This book explores the extent to which films take on the political issues of the day and their influence on public perceptions of politics Do films support the status quo or do they challenge it **Medieval Song in Romance Languages** John Dickinson Haines, 2010-11-18 Ranging from 500 to 1200 this book considers the neglected vernacular music of this period performed mainly by women
