Stephens Feast:

The Cult of Stephen in Jerusalem Hugo Méndez,2023-02-03 This study traces the rise of the cult of St Stephen in Jerusalem in the fifth century exploring such episodes as the fabrication of his relics the construction of a grand basilica in his honour and the multiplication of feast days as a conscious attempt to position Stephen as their patron saint and embodiment of Christian identity and power *Summary of Gin Stephens's Fast. Feast. Repeat.* Milkyway Media,2021-07-30 Buy now to get the main key ideas from Gin Stephens s Fast Feast Repeat If you want to lose weight ditch all of the temporary diets There is a lifestyle choice you can make that will not only help you lose weight but will benefit your health and livelihood for years to come As Gin Stephens explains in *Fast Feast Repeat 2020* the answer is intermittent fasting The key to intermittent fasting is lowering your insulin levels By doing so your body will begin tapping into your body s fat stores for energy meaning while you fast you are burning fat The greatest part of intermittent fasting is that you have the freedom to select what works with your schedule and body decide when you want to fast and when you want to eat and don t worry about watching what you eat There are no restrictions Start today and join the thousands of intermittent fasters that had wished they had started their journey earlier *Severus of Minorca: Letter on the Conversion of the Jews* Severus of Minorca,1996-08-29 This book provides an edited text introduction and the first English translation of a central document in the history of religious coercion in late antiquity Severus of Minorca s Letter on the Conversion of the Jews The Letter describes the forced conversion of the Jews of Minorca to Christianity in AD 418 allegedly under the influence of St Stephen s relics Although ostensibly a hagiographical work the Letter is fundamentally an anti Jewish document and therein lies its interest for historians It offers a fascinating perspective on Jewish Christian relations in a Mediterranean town and on the motives for religious intolerance in the unsettled ages of the Germanic invasions In addition its wealth of information about a diaspora Jewish community in the western empire makes it unique among the surviving sources *Proceedings of the Battle Conference 2014* Elisabeth M. C. van Houts,2015 The latest research on aspects of the Anglo Norman world The contributions collected here demonstrate the full range and vitality of current work on the Anglo Norman period from a variety of different angles and disciplines Topics include architecture and material remains in Winchester Kent and Hampshire the role of Duke Richard II and Abbot John of F camp in early Normandy political and liturgical culture at the Anglo Norman and Angevin courts the lost illustrated prototype of Dudo of Saint Quentin s early Norman history and Geoffrey of Monmouth s motivation for his *Historia Regum Britonum* twelfth century legal scholarship and the archaic use of vernacular vocabulary in law texts trade and travel and a study of episcopal acta from the south western Norman dioceses Contributors Richard Allen Pierre Bauduin Johanna Dale Jennifer Farrell Peter Fergusson Sara Harris Nicholas Karn Edmund King Lauren Mancia Eljas Oksanen Gesine Oppitz Trotman Benjamin Pohl Katherine Weikert **Medieval Song in Romance Languages** John Dickinson Haines,2010-11-18 Ranging from 500 to 1200 this book considers the neglected

vernacular music of this period performed mainly by women

Stephen I, the First Christian King of Hungary Nora Berend, 2024-06-25 Stephen I Hungary s first Christian king reigned 997 1038 has been celebrated as the founder of the Hungarian state and church Despite the scarcity of medieval sources and consequent limitations on historical knowledge he has had a central importance in narratives of Hungarian history and national identity This book argues that instead of conceptualizing modern political medievalism separately as an abuse of history we must investigate history s very fabric because cultural memory is woven into the production of the medieval sources Medieval myth making served as a firm basis for centuries of further elaboration and reinterpretation both in historiography and in political legitimizing strategies In many ways we cannot reach the real Stephen but we can do much more to understand the shaping of his myths The author traces the origin of crucial stories around Stephen contextualizing both the invention of early narratives and their later use A challenger to Stephen s rule who may be a medieval literary invention became the protagonist of a rock opera in 1983 also standing in for Imre Nagy a key figure of the 1956 revolution moreover he was reinvented as the embodiment of true Hungarian identity The alleged right hand relic was discovered to provide added legitimacy for Hungary s kings and then became a protagonist of the entanglement of Church and state A medieval crown was invested with supernatural status before turning into a national symbol This book analyses the often seamless flow that has turned medieval myth into modern history showing that politicisation was not a modern addition but a determinant factor from the start
