Steps To Answered Prayer:

Discovering A Better Way To Pray DeForest Augustus, 2020-06-15 Prayer Is the most exciting and most misunderstood aspect of human experience Learning the power of prayer can open heaven on earth most people say it as cliché but prayer is powerful when you understand and use it in the proper way Prayer simply put is relationship and communion with God Most of us were never taught how to pray we always just thought it was talking to God Yes prayer is talking to God bringing God back the promises he has already promised us Learning the scriptures to learn God's will for your life is vital to build a strong prayer life Steps to answered prayer breaks down the steps to pray effectively it's not a punch of prayers to remember It's teaching you to pray your self and get your prayers answered The only thing the disciples asked Jesus to do was to teach them how to pray After years in my own life of struggling with praying wondering if God heard my prayers lead me to ask God to teach me and I began to study the scriptures along with the principles I found that it was a better way to pray and that all answers to our prayer is not simply God answering us God has given us authority to move mountains learning to pray with authority is a key to most of the problems we pray about God is concerned with every little aspect of your life and he wants to give you all the things you want in your life according to his will Your prayer life will grow when you pray according to scripture and meditation this book will teach you in a simple way to pray and get the results your looking for according to God's will [Steps to Answered Prayer](#) Kenneth E. Hagin, 2003-03 Steps to Answered Prayer reveals step by step guidelines that when faithfully followed in prayer assure the believer of an answer **Three Steps to Answered Prayer** Peter Popoff, 1981-11-01 **Five Steps to Answered Prayer** Mensa Otabil, 1990 **Basic Theology** Dag Heward-Mills, 2011

The Believer's Manual for Excellence Patrick Payne Okoronkwo, 2019-08-02 Knowing and working with God is not a sprint It is a marathon with very many dangerous twists and turns craggy and crooked at that It is getting progressively unpopular to be identified as a Christian in our present day world with its attendant challenges and extraordinary indulgences Real and valid questions are constantly agitating the minds of many right from the crises of development to the decadence of aging and dying This book is essentially a critical look at man as per who he is and his never ending search for connection with his maker It sees God as triune and also treats the trinity of man that is spirit soul and body and the steps and strategies he needs to deploy to ensure he gets on top of his game in terms of his relationships with God with brothers at the workplace in married life social events and many more The Believer's Manual is an attempt to critically look at the believer in terms of his coming to the understanding that he needs his maker in every area of his life It starts with getting to know his god his plans and purpose for him divine leading and direction etc It does a synopsis of temperaments and how God can use man no matter his temperament The indwelling Holy Spirit makes the difference **The Lost Art of Intercession** Jim W. Goll, 1997 Finally there is something that really explains what is happening to so many folk in the Body of Christ What does it mean to carry the burden of the Lord Where is it in Scripture and in history Why do I feel as though God is groaning

within me No you are not crazy God is restoring genuine intercessory prayer in the hearts of those who are open to respond to His burden and His passion **Lost Art of Intercession Expanded Edition** James W. Goll, 2007-04-28 Over two hundred and fifty years ago this verse was burned into the hearts of Moravian refugees in the tiny community of Herrnhut in eastern Germany Their commitment to restore the Watch of the Lord through 24 hours of unbroken prayer and intercession continued for more than 100 years God is calling His warriors once again to mount the Watch of the Lord When God's people send up the incense of prayer and worship God will send down supernatural power anointing and acts of intervention Author James W Goll combined with the writings of E M Bounds paints an inspiring picture of prophetic clarity and prayerful urgency that sound God's clarion call to His Church Now is the time to mount the walls with prayer and praise and restore The Lost Art of Intercession Praying Intelligently with Results Carlton Pearce, 2008-03 Praying Intelligently With Results God's Will and Plan for Your Life Carlton the book was delightful to read I enjoyed every part of it and could not change a thing in the way of content I was impressed with the way the book flowed from the thing God told you to perform to the adaptation of the lesson learned from it and the application of the same to be learned and used by others It was so informative Deborah Harris Editor Carlton's life experiences give tribute to the marvelous workings of God in his life He expresses so vividly the importance of having an ear to hear the word of the LORD as well as being obedient to do the work He has called us to do Praying Intelligently With Results is truly a testimony to Christ being revealed in all His glory through Carlton and his family as willing vessels and obedient servants who reached out first to God and then to touch so many other lives over the years with God's Love Great is the faithfulness of our God Karen Redinger Editor Carlton Pearce has worked professionally in assisting and establishing businesses churches ministries and helping individuals in crisis by being obedient to God through prayer He has a Bachelor's of Arts degree in Social Studies and is a public speaker Praying Intelligently With Results is for those who have ever prayed have questions about prayer or about how God works in answering prayer Actual step by step stories depict a visible process of prayer prayers of faith for problems or direction or confirmation as an individual or a family in ministry and or secular work for God How to Pray: A Step-By-Step Guide to Effective & Answered Prayer Eseosa Tovia Ogun, 2019-01-02 We are in difficult times the century where your strength can never carry you but praying and the word is the only thing that can make you succeed in life This is the period that you need prayer the most HOW TO PRAY started as an inspiration from God while Eseosa was meditating regarding prayer and how should a Christian effectively pray because She has been asked times without numbers how should a Christian effectively pray what are the right words we should use while we are praying and how can we be sure if God is hearing us or attending to our prayers do prayers work In this honest and life changing book Eseosa discusses all issues about prayers and how we can easily hear from God anytime and any day she went further to answer all questions regarding prayers especially the most frequently asked questions HOW TO PRAY and WHY IS MY PRAYER NOT BEEN ANSWERED BY GOD She deeply went into details to
