Steps Along The Way A Spiritual Autobiography:

Steps Along the Way Diogenes Allen, 2002-03-01 In his latest book Diogenes Allen recounts his search for the Providence of God His journey includes reflections on the evolving role of faith in the world an exploration of the anguished and eloquent poetry of George Herbert a reading of the messages of love duty and forgiveness in the stories of Joseph and his brothers and the Prodigal Son and finally a single but moving tracing of his own regrets and joys as a person of faith Whether recounting a simple excursion or unraveling a complex poem Diogenes Allen shows us the pain of loss the wellsprings of joy and the power of a deep and lovingly cultivated faith *The Living Church*, 2003 **The Princeton Seminary Bulletin** Princeton Theological Seminary, 2003 Vols for 1907 1908 1936 1937 no 1 Commencement issue no 2 Necrology report no 3 News no 4 Catalogue v for 1937 1938 1938 1939 no 1 3 News no 2 Bulletin of courses no 4 Catalogue v for 1939 1940 1944 1945 no 1 4 News no 2 Bulletin of courses no 3 Catalogue v for 1945 1946 no 1 Bulletin of courses no 2 4 News no 3 Catalogue v for 1946 1947 1952 1953 no 1 3 4 News no 2 Catalogue **Essays Anglican and Analytic** Robert MacSwain, 2025-04-17 Explore the riches at the intersection of Anglican and philosophical theology In this thought provoking essay collection Robert MacSwain explores important connections between Anglican and philosophical theology Shining a spotlight on the underappreciated theological work of Austin Farrer and David Brown he brings them into creative conversation with better known figures such as Joseph Butler C S Lewis Stanley Hauerwas and Eleonore Stump He skillfully leads readers through diverse conceptual territory ranging from the Reformed epistemology of Alvin Plantinga and Nicholas Wolterstorff to the hiddenness argument of J L Schellenberg to a sacramental vision of human culture and the arts More broadly MacSwain outlines what he calls Critical Catholicism explaining how it differs from other movements in contemporary Christian thought such as Radical Orthodoxy and Analytic Theology These perceptive essays will be of particular interest to scholars and pastors who are curious about connections between theology philosophy and Anglican studies [The Gospel in the Dock](#) Bryan M. Christman, 2021-08-10 C S Lewis famously penned the phrase God in the Dock and proposed that there was a great divide between ancient and modern humans in that our ancestors would have rightly seen themselves in the dock before God while we moderns have placed God there before us But what if what God s love most desires for us the gospel or good news of the only way of life for humanity has been in the dock before us from the time of Adam and Eve And what if it is also the case that the gospel is often in the dock as though it is not good even for the church This book builds upon and expands the life and death stakes Lewis proposed by demonstrating that the gospel way of faith itself has been placed in the dock by us and in many ways ruined our relationships with God with our own selves with one another and even with the natural world itself which we are meant to steward for its good In these pages the reader will discover why the gospel that requires faith is good news but why we so tragically default to our divisive and self destructive ways *The Banality of Grace* Bruce K. Modahl, 2019-06-26 Most of the literature on spirituality has to do with our spiritual

disciplines and the things we do to draw near to God This book is about the ways in which God reveals Godself to us in the everyday and the difference that makes in our lives We can usually muster the courage to live faithfully through the momentous events in our lives Courage falters in the details of the day So it is in the daily the mundane pedestrian prosaic quotidian and even banal that God shows us our place in God s momentous story We witness the banality of grace in our everyday lives in worship as we seek reconciliation between individuals and groups of people in spiritual experiences that are more common to us than we realize in an ethic informed by the future revealed to us by God and by lives lived in response to this good future The singularity of this book is the stories the author tells from his experience as well as from literature He employs narrative to show rather than tell the reader about God s presence in our lives Waiting for God, Justice, and Rush-Hour Traffic Dennis Okholm, 2025-06-12

Patience is an indispensable Christian virtue but is often neglected Often it is thought to be passive inactivity but nothing could be farther from the truth Christian patience is creatively active It has been so in the church s mission in God s response to fallen humanity in the cross shaped life of those who are waiting for justice and even in the believer s experience of God s silence Okholm delves into these facets of patience illustrating them with the experiences of those who have practiced the creative activity of patience and concluding with strategies to cultivate the virtue in our lives **Rudolf Steiner, Fragment of a Spiritual Biography** Sergei O. Prokofieff, 2020-11-16

Underlying Sergei O Prokofieff s life s work was a fundamental research theme to which he returned to repeatedly the individuality of Rudolf Steiner as manifested through his past incarnations on Earth Beginning in 1982 inspired by a visit to an exhibition on The Epic of Gilgamesh Prokofieff planned a full scale spiritual biography with the intention of finding an answer to the question Who is Rudolf Steiner In a sequence of five past incarnations as indicated by Steiner himself and culminating in the life of Rudolf Steiner Prokofieff searched for the inner thread between the six stages of this great all encompassing life His intention was to find not only the outer connections in this sequence but also the deeper more esoteric stream that offers the key to the unique significance of this individuality In 1984 Prokofieff began to write the first chapter about Rudolf Steiner s incarnation as Enkidu in Sumer Sadly many obstacles in his path were to prevent him finalising the project However the author returned to the book in his final months preparing a Preface that outlines its conception together with a summary chapter on Rudolf Steiner s evolutionary journey This precious fragment of a biography features valuable additional material including a full introduction to the relationship of the anthroposophical movement to other occult streams of esoteric Christianity and their Masters a detailed spiritual scientific interpretation of the Epic of Gilgamesh that establishes Rudolf Steiner s connection with the being of Jesus of Nazareth and an exploration of Steiner s relationship to the Nathan soul the Luke Jesus child Serious students of anthroposophy will welcome these final writings from the pen of one of Rudolf Steiner s most faithful and insightful disciples *Lacework or Mirror? Diary Poetics of Frances Burney, Dorothy Wordsworth and Mary Shelley* Magdalena Ozarska, 2014-01-08

Lacework or Mirror Diary Poetics of Frances Burney Dorothy Wordsworth and

Mary Shelley sets out to determine whether each of the diaries by three female writers namely Frances Burney Dorothy Wordsworth and Mary Shelley approximates the Philippe Lejeunean concept of the diary as lacework or the more sweeping view typical of the broadly conceived autobiography which Georges Gusdorf famously likened to the mirror The author explores Burney s Wordsworth s and Shelley s attempts at concealing the gaps between their narrating and narrated I s as well as examining their diary lacunae especially helpful for illustrating the gradual emergence of the diarists individual selves Broader issues connected with diary poetics such as the use of metaphors and symbols the degree of reliance on dialogue and ensuing narrativity down to handling the past by means of anachronous eccentricities are also subject to examination The study is based on the assumption that the journal is a literary genre which can be investigated with tools routinely used for the examination of literary texts Yet beyond the issues of literariness in accordance with Philippe Lejeune s dictum the three journals reveal the writers diaristic practices In fact it seems that issues of the journal genre and the journal practice cannot be divorced and neither can their lacework and mirror aspects
